

Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits. **It Makes Weak Women Strong. It Makes Sick Women Well.** Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.

PARKTON.

Another good Robeson County Town--Some of the Things of Which it Boasts--Personal--"Happy Jack's" Travels.

Correspondence of The Robesonian. Mt. Eliam, Oct. 10.—"Happy Jack" spent Thursday at Parkton, in north Robeson. It was his first visit to that fine section of the grand old county (that never should be split). It takes farming people with good land to beat the people of that section on farming. Cotton is King and truck farming is Queen. They don't know anything about tobacco until it has been manufactured and made ready for use. There were two hundred car loads of truck shipped from Parkton the past season, which is some truck. The people are not surpassed by any in being loyal and courteous to strangers. It is a grand privilege to be among such people as live at Parkton. They take The Robesonian and most all like it better than anything they get in newspaper shape.

Parkton is one of Robeson's beautiful fast-growing towns. It has several brick stores. Cobb Bros. do a large mercantile business. Mr. T. W. Thompson, one of one former Broad ridge boys, runs a large store and also a drug store in connection.

Mr. J. D. Cobb is also ready to do you right. The Parkton Mercantile Co., occupies one of the best and most up-to-date brick buildings in Robeson county and is doing a rushing business. There are two cotton gins in operation there and Parkton can boast of a mattress factory which is turning out good mattresses, the kind that make you sleep good.

One can look around and see Parkton grow. Messrs. G. A. Hodge and A. J. Garris are having nice residences erected. Atkins Bros. of Fayetteville are the contractors. L. E. Hughes is having a large brick building erected for a storehouse. The Parkton high school is not surpassed by any for turning out lady teachers. There are 18 ready for teaching this year. Mt. Eliam has secured one of the best, Miss Gertrude Hartz. Prof. J. H. Forbis is principal. Mr. D. E. McNair runs an up-to-date hotel and livery in connection. The Baptists have a nice church and there are two more churches, don't know what denomination. The Parkton Concert Band is among the best in North Carolina. They have twenty-seven instruments. Mr. D. S. D. Warburton is band-

"I wouldn't take a thousand dollars for the good VINOL has done me. I was told that Cod Liver Oil was the medicine I needed for my weakened condition and poor blood. I could not take the greasy mixture, and when our druggist told me that VINOL contained not only tonic iron but all the medicinal properties of Cod Liver Oil without the grease or oil or bad taste, I made up my mind that was the medicine for me. I tried it and to-day am strong and well."

Mrs. J. T. SNYDER, Greensboro, N. C.

master. Mr. Warburton was born in Westmoreland, northern England, and has been organizing and teaching bands for thirty years. He has been over England, every country in Europe, Asia, Africa, the British Isles, and in every State in the Union; also over Canada. Mr. Warburton understands music better than any other man, perhaps, in the State. He is working under the Masons. I will try and give the names of each member of the band and the instrument he uses some time in the future. Robeson county should feel proud of such a band.

Rev. P. T. Britt and family have arrived and are staying at Mr. Britt's father's at the present. Mr. Britt is going to have a nice residence erected on his farm here. His many friends welcome him back to old Mt. Eliam.

Mr. J. T. Stone spent last week at and near Jacksonville, Fla., and reports a "loud" time.

Mr. Jim Lawson is laughing: it's a boy.

Mrs. Eliza Parker, of Fairmont, spent last week here visiting relatives.

Mr. Grover Britt went to see a girl Thursday night and on his way returning home got lost and fell into a ditch to his neck. "Happy Jack" was along and pulled him out. Love is a troublesome thing.

Mr. W. A. Stone spent Saturday with Mr. F. G. Britt.

Most everybody takes The Robesonian everywhere I go and
