

### CONTESTANTS KEEP A STEADY PACE.

The Handsome Prizes of Messrs. White & Gough and the Lumberton Drug Co. Attract Much Interest.

With all interest centered on the magnificent prizes to be given this week, the hustling contestants are pulling at a steady gait. The prizes this week have been the most interesting ones offered. The near-by country towns are very much interested in the contest and they have shown their interest by the generous manner in which they have responded and supported their contestants.

#### ABOUT THE SPECIAL PRIZES.

The special prizes that are to be given this week by Messrs. White & Gough and the Lumberton Drug Co. are on display in the show windows of the above named firms. The handsome rug at White & Gough's will be given to the contestant bringing in the largest number of subscriptions by November 17, and the two-pound box of Huyler's candy will go to the contestant bringing in the largest number of new one-year subscriptions. This is the time to "hustle." You can win both of these prizes if you try, but remember, there are only three more days in which to work for this offer.

You are doing much more than winning a fine piano for your home. You are gaining the honor of being the most popular person in Robeson county. Now is your chance to be the most pop-

ular person in the county without any expense to you, and also win a fine \$400 Cote piano. It is the opportunity; millions have paid dearly to have the honor of being the most popular.

Remember the beautiful piano is at the Eagle Furniture store and the diamond ring at the Lumberton drug store, both on Elm street.

The only way to win is to keep everlastingly after subscriptions. It is the constant dripping that wears away the stone, and likewise the contestant constantly keeping after subscriptions will wear away the distance from the present standing and the the grand prize.

Do you contestants understand that you have only a short time in which to work? No closing date has been set yet, but it will be determined later, and you will be given a fair notice before hand.

#### Founders Day At The State Normal and Industrial College.

The following has been sent The Robesonian for publication: To the Alumnae of the State Normal and Industrial College that are scattered abroad, Greetings!

Founder's Day has come and gone, but the memory of it will not soon pass away.

The morning of October 12 dawned bright and beautiful and all day the weather was perfect. Early in the morning Dr. McIver's grave was decorated with beautiful flowers which had been carried to the cemetery by committees of the faculty and the several college classes.

At eleven o'clock the faculty and students, with a large number of alumnae and friends, gathered in the college chapel to do honor to the memory of our great founder. After an appropriate introduction of music and prayer, followed hearty fraternal greetings to our college from the University and the State College of Agriculture and Mechanic Arts—delivered by Professor M. C. S. Noble and Professor W. A. Withers, respectively. Then Mr. Josephus Daniels made a great speech, his theme being Dr. McIver's ideal of womanhood and unselfish, tireless zeal in uplifting the women of North Carolina. This portrait of our beloved friend and hero was a simple, faithful representation by one man of another whom he had known intimately, loved sincerely, and admired wholly; and Dr. McIver's "girls" recognized with love and sympathy every line in the picture.

President Foust read fifty-nine letters and telegrams in which scattered alumnae sent greetings of love and loyalty to the college. In the closing song, "Carolina," the hearty singing of the audience testified that everyone present felt the inspiration of the hour.

At three o'clock in the afternoon, our vice-president, Mrs. Minnie McIver Brown, opened the meeting of our State Alumnae Association. At her request, Dr. Foust spoke a few words. The alumnae were delighted

with his hearty welcome and by the simple manner in which he explained a few of the immediate needs of the college. It was gratifying to learn that there is now in the student body a smaller proportion of new students than ever before. This shows that the college is inspiring her matriculates to move steadily forward from the freshman to the senior class. It was appalling to hear that the number of young women who had failed to gain admission to the dormitories was larger than the number of students admitted.

The visiting alumnae heard with delight of the extension work which Miss Anna Meade Michaux is beginning in the rural schools of Forsyth county; of the summer session which the college contemplates inaugurating.

### After Grippe or any Sickness

**Vinol Creates Strength**

HERE IS PROOF

"After a long attack of Grippe, Mrs. Vaught seemed unable to recover her strength. She was very weak and had no appetite. VINOL rapidly improved her condition and restored her to health. I sincerely recommend its use during convalescence or any run down condition."

JUDGE C. N. VAUGHT, Huntsville, Ala.

Miss Adelaide Gamm, of Watertown, Wis., writes, "After a severe attack of the Grippe, my system was in a very weakened, nervous, run-down condition. I took VINOL with the best of results, and it made me feel better and stronger than I have been for years."

We have never sold in our store a more valuable health restorer for weak and run down persons than VINOL, and we ask such people in this vicinity to try VINOL with the understanding that their money will be returned if it does not do all we claim for it.
