**Operator Slack Falls From Tower and Sustains Severe Injuries—A Confederate Veteran Passes—Christmas Entertainment.**

Correspondence of The Robesonian.  
Hope Mills, Dec. 20.—Mr. A. D. McGill, of Seventy-first, and Rev. Mr. Cockrand, of Parkton, made addresses in the Presbyterian church Sunday evening in the interest of the Southern Presbyterian College at Red Springs.

Rev. N. M. McDonald, of Steadman, has been appointed pastor of the Hope Mills circuit, and on last Sunday morning preached in Hope Mills. He succeeds Rev. J. D. Pegram, who has moved to Steadman to succeed Mr. McDonald as pastor there.

Christmas entertainments will be given at all the churches on next Saturday evening.

Mr. B. E. Slack, operator at Natal, a signal station four miles north of Hope Mills, last Saturday night fell from the tower and broke both arms and was otherwise badly bruised. He was in the act of ascending the tower by the ladder with a lantern in his hand. When he had nearly reached the top his foot slipped and he fell a distance of 35 feet. He was taken up by the vestibule train and carried to Fayetteville for treatment in the Highsmith hospital. Mr. Slack has many friends in Hope Mills who wish for him a speedy recovery.

Mr. John McCall, a Confederate veteran of the age of seventy years who has for several years been afflicted with rheumatism, died in his home near this place Monday evening. The funeral will take place tomorrow morning at Galatia Presbyterian church, of which he had been a faithful member. He was well thought of by all who knew him.

HOPE MILLS NEWS.

**A Pleasant Christmas—New Residence Completed—Other Items.**

Correspondence of The Robesonian.  
Hope Mills, Dec. 27.—The people of Hope Mills have had a pleasant Christmas. The weather was very pleasant and the street order was exceptionally fine. All the Christmas entertainments were a success and very much enjoyed by the young people especially. Quite a number of visitors were welcomed in our homes. This is always a pleasant feature of Christmas occasions. Among those who were visitors here during the holidays were Mr. J. Rogers, of Sanford; Mr. Platt Deaver, of Bessemer City; Misses Anna and Effie Newton, of Greensboro; Mr. and Mrs. W. O. Melton, of Rocky Mt.; Mr. and Mrs. William Dollar, of Durham; Rev. J. M. Gibbs, who is attending school at Richmond College, Richmond, Va.; Mr. Vance Clifton, of Raleigh; Mr. and Mrs. C. A. Bodenhamer, of Bailey, N. C. Mr. Bodenhamer is depot agent at Bailey, a station on the Norfolk and Southern R. R. Mr. Bodenhamer was formerly of Hope Mills and he has a large circle of friends here who wish for him and his bride a long and prosperous life.

We are glad to note the improvement of Mr. Charlie Biggs, who has been very sick with pellagra.

About two weeks ago Mr. Z. B. Newton's office near his residence was broken into at night and his new L. C. Smith & Brothers typewriter was stolen. The rogue has not been apprehended.

The new and beautiful residence of Mr. J. T. Bynum has been completed and last week his family moved into their new home.

Mr. E. I. Olive preached a very interesting sermon in the Baptist church last Sunday.

Regular services will be conducted in Christ church on next Sunday by the pastor, Rev. N. C. Duncan.

The writer wishes all his friends much happiness and prosperity during the year 1911.

When a cold becomes settled in the system, it will take several days treatment to cure it, and the best remedy to use is Chamberlain's Cough Remedy. It will cure quicker than any other, and also leaves the system in a natural and healthy condition. Sold by Dr. McMillan & Son and Pope Drug Co.

A healthy man is a king in his own right; an unhealthy man is an unhappy slave. Burdock Blood Bitters builds up sound health—keeps you well.

ST. PAUL R. F. D.

**A Residence Burned—Better Mail Service—Much Interest in Agriculture—Other Items of Interest.**

Correspondence of The Robesonian.  
St. Paul, R. F. D. 1, Dec. 20.—We were sorry to hear last Saturday of the misfortune of Mr. J. C. Blanchard, whose residence, the house belonging to Mr. L. H. Townsend, was burned. It was a great loss to both parties.

The Lumberton and St. Paul Telephone Co. seems to be put to some inconvenience in getting into St. Paul. We hope the difficulty will soon be removed and the line extended, as it would be a great convenience to many of us.

Dr. D. D. King expects to go in the near future to Red Springs, where he will engage in dental work with Dr. Gibson of that place. Dr. King also expects to do dental work in St. Paul in connection with his work at Red Springs. We wish for him much success.

Our rural mail from St. Paul has been changed to about 2 hours later in the day leaving, giving us the advantage of one more mail train.

Mr. W. J. Johnson is adding much to the beauty and convenience of his house by an addition. We love to see the marks of progress in our community.

From the way the two-horse plowing is going on in this community it looks as if planting time might be near at hand, but if we consider the weather we are having we feel sure it is a long way off. There is great interest being taken in agriculture in some parts of our neighborhood, which is very gratifying to us.

Mr. J. H. Powers is moving on to the land of Mrs. Cattie King a saw-mill which will soon fill the air with humming and whistling peculiar to a saw-mill.

Mr. and Mrs. N. T. Humphrey went to Lumberton last Monday shopping.

Mr. William Bledsoe is moving from the McNair place to the place known as the Campbell place.

**South Carolina Governor Will be Sworn in by a County Magistrate.**

Newberry, S. C., Dispatch, 25d.  
For the first time since the inauguration of Governor Wade Hampton, and for the second time in the history of the State, a South Carolina Governor will be sworn into office by a county magistrate, when Squire T. S. Dunbar of Barnwell administers the oath to Governor-elect Cole L. Blease, probably January 17. General Hampton defied precedent because all the members of the Supreme Court at that time were Republicans.

Personal friendship for Squire Dunbar is said to be Mr. Blease's reason for the departure.

A hard fight will be made before the next General Assembly for the formation of a new county from parts of Guilford, Davidson and Randolph counties, to be known as Piedmont county and with High Point as the county seat.

WAGRAM NEWS NOTES.

**Good Corn Yields—Auction Sales of Lots—Other Notes.**

Correspondence of The Robesonian.  
Wagram, Dec. 20.—Owing to the sickness of the pastor, Rev. T. G. Wood, there was no preaching at Spring Hill Baptist church last Sunday.

Prof. W. L. McNeill closes his school on Friday the 23rd inst. for the Christmas holidays.

The farmers of the community are nearly through gathering their crops and nearly all of the cotton has been marketed. The cotton crop is from one-third to one-fourth short of last year's crop. Owing to the dry weather the farmers sowed very little small grain the past fall. Mr. J. W. McIntosh made this year on five acres eighty-five bushels of corn per acre, which is the best so far heard from in this community.

Messrs. Willie Buie, John McKay, Jr., John McLean and Malcom McBryde returned last Saturday from the Warrenton high school and will spend two weeks at home.

Mr. John Rogers, of Hope Mills, was a visitor here last Monday.—Messrs. D. M. Campbell, J. A. and W. B. McQueen, all of Raeford, were among the recent visitors here.

Messrs. A. Shaw of Maxton and M. Monroe and D. L. McLaughlin of this community went up the sand hills one day last week on a drive for deer, and Make Monroe landed a large buck.

Mrs. J. A. McKinnon of Maxton visited her mother, Mrs. Effie McLaughlin, of this community, last Monday.

A new barber shop with up-to-date furniture has been fitted up in the rear end of the drug store, and is occupied by Mr. W. P. Scholl of Laurinburg.

The two auction sales on Friday and Monday were largely attended and lots sold high. One business lot sold for \$600. Mr. John F. McNair of Laurinburg was here last Monday and invested in several lots. Several ladies graced the auction sales with their presence and added dignity to the occasion.

Mr. E. H. Gibson, the popular editor of the Laurinburg Exchange, was one of the visitors here last Monday.

Mr. J. W. Carter of Maxton was a recent visitor here.

Dr. Frederick A. Cook came back to New York on the 22d apparently as calm and undisturbed as if there had never been any North Pole controversy. He says he was in the United States a month ago but he was then traveling incognito. His enemies tried to make it appear that Cook was shunned on the ship that brought him in, while his friends as beatedly insist that he was not.

Enraged because a steak he had ordered in a restaurant in St. Louis, Mo., was not served promptly, John Bennett, aged 18 years, a newsboy, Christmas eve drew a revolver and killed James Costas, an employe of the restaurant. Bennett then excused himself to the other diners for the disturbance and walked out. He was arrested two blocks from the restaurant.

A Bit of Forgotten History.

Statesville Landmark.  
It is difficult to keep history straight. When President Taft appointed Associate Justice White Chief Justice of the United States Supreme Court about all the newspapers in the country stated that it was the first time an Associate Justice of the Court had been promoted to Chief Justice. Judge Nott, former Chief Justice of the Court of Claims, points out, however, that President Washington appointed Associate Justice Cushing Chief Justice, and he records this story of Cushing's appointment:

It is related that on the day when this occurred there was a large dinner party at the President's, and the new Chief Justice was one of the guests, though ignorant of his appointment. On entering the room Washington, from the head of the table, directing his look to him, said in an emphatic tone, "The Chief Justice of the United States will please take his seat on my right," and that the judge was much affected at the announcement. His commission as Chief Justice was made out and sent to him. He held it for about a week, and then determined, on the ground of ill-health, to resign.

Fire destroyed a block in the manufacturing district of Cincinnati, Ohio, on the 20th. Three men lost their lives and the property loss was \$2,000,000, with \$1,400,000 insurance.

**Who Always Keeps Peru-na in the House.**  
"I am now able to do my house-work again, and have a good appetite. I have used thirteen bottles of Peru-na and one of Manalin. My husband and children are also in good health. We always keep Peru-na in the house. I thank you a thousand times for your advice."—Mrs. Alvina Plamann, 1914 Walnut St., Milwaukee, Wisconsin.  
If any one really wanted to find out whether or not Peru-na is good for the baby who would he naturally ask? Some one who never used Peru-na? Some one who is prejudiced against Peru-na? Some one actuated by selfish motives who is opposing Peru-na for the sake of the notoriety?  
Would any sane person who really wanted to know about Peru-na ask any of these people? Of course not.  
Who would they ask? They would ask mothers who have raised babies and used Peru-na for their babies times without number. They would ask the parents who love their families, and know more about Peru-na than all the professional writers in the world.  
Above we give the portrait and testimonial of one of the mothers who has used Peru-na, and who has raised healthy and happy babies. We have many more such mothers in every state in the Union. These mothers give their testimonials entirely unsolicited, without pay or expectation of pay. Their only desire is to point out to other mothers a useful and reliable family medicine.
