Wedding Invitations—Singing School—Personal.

Correspondence of The Robesonian

Raeform, R. F. D. 1, July 31—Our farmers are feeling better after the nice rains this week.

Glad to learn that John, little son of Mr. and Mrs. W. B. McQueen, who has been quite sick, is much better.

Miss Pearl Council, of Red Springs, returned home today after spending several days with Miss Leslie Warner.

Mrs. Charles Palmer left this week for her home at Albemarle after a visit to her mother, Mrs. Flora McQueen.

Mrs. W. J. McDiarmid returned home last week after a visit to mother at Rockingham.

Miss Myrtle McRae is visiting her sister Mrs. J. B. Ingram, at Mt. Gilead.

Mr. J. W. Wilks and daughter, Miss Irene, are visiting relatives in Virginia.

Misses Annie Beverly and Berta Gibson, of Gibson are visiting at the home of Mr. A. G. Jones.

Mr. and Mrs. P. H. Wright entertained in their handsome new home Friday night in honor of the visiting young ladies in the community.

Miss Corrie Leach returned home last week from a two-months visit to relatives and friends in Moultrie, Ga., accompanied by her cousin Mrs. S. W. Prince and friend Miss Yuba Sinclair.

Invitations have been received by friends to the marriage of Miss Sue Walters to Mr. W. L. Aiken, of Brevard. The marriage to be Wednesday, August 2, at the home of the bride. We extend congratulations.

News Notes and Personals From Back Swamp—Concerning Crop Reports.

Correspondence of The Robesonian.

Lumberton, R. F. D. 6, Aug. 3.—The protracted meeting will begin at this place Sunday. Rev. Fred Collins will assist our pastor.

The Sunday school at Back Swamp was surprised Sunday afternoon when class No. 5, taught by Mrs. W. N. Townsend, gave a public entertainment which was enjoyed by a very large audience. The young folks of this exercise were badly disappointed by the absence of Miss Eunice Britt.

Lots of people from here attended the picnic at Raft Swamp and report a nice time.

Mr. and Mrs. G. L. Thompson and children spent a part of this week at Bennettsville, S. C., visiting relatives.

Mr. and Mrs. James Prevatt and daughter, Miss Emma, returned last Monday from Mullens, S. C., where they had been spending some time at the home of Mr. and Mrs. J. D. Prevatt.

Misses Mary Lee Johnson and Mary King of St. Paul are visiting at the home of Mr. and Mrs. E. D. Pittman.

Mr. J. T. Prevatt returned home last Saturday, accompanied by his aunt Mrs. Berry Spivy and friend Miss Marie Scott of Kingsree, S. C.

Miss Nellie Kinlaw is spending a part of this week at Lumberton.

Miss Ruth Thompson and little sister Julia are visiting at the home of Mr. and Mrs. W. N. Townsend.

I have read so many good crop reports I think some of the people want the merchants, to open the doors a little larger. Corn crops in this section have fired up mighty bad for the last week or two. Old cotton is doing well, young cotton is now able to commence blooming. You can all guess what you think it will make.

Old Black Joe.

Mrs. Sam L. Pursley committed suicide at her home near Bethany, S. C., Monday night by slaying her throat with a razor. Bad health.

Loss of Time Means Loss of Pay

Kidney trouble and the ills it breeds means lost time and lost pay to many a working man. M. Balent, 1214 Little Penna St., Stretator, Ill., was so bad from kidney and bladder trouble that he could not work, but he says: "I took Foley Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley Kidney Pills are tonic in action, quick in results—a good friend to the working man or woman who suffers from kidney ills. J. D. McMillan & Son.

STAFFORD-KEITH.

A Beautiful Home Wedding.

Correspondence of The Robesonian.

Raeform, R. F. D. 1, July 31.—A beautiful morning wedding took place at the home of Mrs. Mary A. Keith Tuesday, July 25, when Miss Mattie Keith became the bride of Mr. J. Stafford.

Rev. W. C. Brown performing the ceremony. Only a few relatives and close friends were present. The attendants were: Mr. Angus Keith with Miss Belle Graham; Mr. Stafford, brother of the groom, with Miss Kate McLean.

After hearty congratulations, Mr. and Mrs. Stafford, accompanied by a few guests, left in motor cars for Aberdeen, from which point they went North.

Many handsome and beautiful gifts bore testimony to the popularity of the young couple.

Personals From a Page's Mill Route.

Correspondence of The Robesonian.

Page's Mill, S. C., R. F. D. 2, July 27.—Mrs. Hannah Ford, widow of the late John Ford, fell off the porch one night recently and was hurt very badly. She went on the porch to get a drink of water and in the darkness could not see and walked too close to the edge and fell off.

Mr. Geo. Powell of Dublin, Ga., was a guest at the home of Mr. D. M. Rogers Monday.

Mr. Joe Spivey of Marietta was a guest at the home of Mr. D. C. McQueen Sunday p. m.

A large number of our folks tended the quarterly at Barnesville.

Mr. G. F. Watson went to Fairmont today on business.

Mr. Henry Sanderson is all smiles: it's a boy.

Mr. Pet Gringer of Page's Mill spent Friday night at the home of Mr. R. S. Page.

Mr. and Mrs. C. W. Evans visited Mr. and Mrs. B. N. Evans at Kingstree last week.

A New Democratic Presidential Boom.

Concord Times.

A new Democratic presidential boom has appeared in Washington. It envelops the graceful form of Representative Oscar W. Underwood, of Alabama, chairman of the committee on ways and means. This boom has the backing of the Alabama delegation in Congress, each and every man of whom has declared that it will grow to formidable proportions before many days have passed. Speaking of this announcement the Baltimore Sun says:

"Half a year ago this announcement would have appeared absurd, but so able has Mr. Underwood shown himself as a leader, so courageously has he battled for Democratic principles and so successfully worked to put through the House Democratic measures that he is now recognized as one of the big men of the party and the country, and one to be reckoned with by other Presidential aspirants, if he shall seriously consider the nomination for himself. The argument that he lives too far south to be available is without weight. The country has reached that state of union—has been so closely drawn together by railroad and telegraph—that Alabama is brought to the door of New York, Massachusetts and Texas are near neighbors, and even the two Portlands of Maine and Oregon, stand within easy hailing distance of each other. So far as any feeling of sectionalism is concerned, or any prejudice against the selection of a Southern man for the Presidency, Underwood is, like Lincoln, a native of Kentucky, and therefore as much Northern as Southern, was born during the Civil War, and grew to manhood after the old bitterness between North and South had died out."

The House of Congress refused Tuesday to concur in the amendments made in the Senate to the wool bill passed by the House. A conference was asked for and it is thought that the result will be a "splitting of the difference," making the rate on raw wool 27 1/2 per cent.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found. They make rich, red blood, strong nerves and build up your health. Try them. 50c, at all druggists.

"AFTER 15 YEARS I AM WELL."

Mrs. Mary Amanda Nash, of Lumberton, N. C., writes: "For years I was a sufferer from chronic dysentery, brought on by acute indigestion. It also brought on catarrhal headache which debilitated me so I had to lie down three or four hours each day. My general health was greatly impaired, and I was weak and nervous. One day I had one of those terrific headaches, and my daughter-in-law suggested that I try Mrs. Joe Person's Remedy. I did so, and the very first dose relieved that headache. I continued to use it, and for the first time in fifteen years I am well. It is the best medicine compound in this world."

Most people regard stomach troubles (and these include Indigestion, Dyspepsia, Sour Stomach, Nervousness, etc.) as of little consequence in their early stages. Never was a more serious mistake made.

When the appetite is gone, the nerves shattered, the temper ruined, the body emaciated, spasms of pain frequent, sound sleep impossible, refreshing rest unknown, they wake up to the fact that stomach trouble is a serious matter. When this stage is reached, the only thing in the world that will cure you is

MRS. JOE PERSON'S REMEDY. It restores energy to the jaded, digestive organs, stimulates a healthy flow of gastric juice, and brings every portion of the stomach back to normal health. It is a strictly vegetable compound, and contains no harmful mineral ingredients whatever. As a Tonic, Alterative, Blood Purifier and Nerveine it has no equal.

Don't permit any disease of the stomach to go untreated. As soon as you feel the slightest effects of indigestion or any other ailments directly attributable to a derangement of the digestive organs, begin at once the use of Mrs. Joe Person's Remedy and a complete cure will be an easy matter. If your trouble is of long standing, this Remedy will still cure you—but it will, of course, take longer.

We want you to write us for testimonials from people who once suffered the tortures of Indigestion, Dyspepsia and other stomach ailments, but who are now sound and well, and ext what they want without a sign of distress.

In cases of external trouble, inflammation, ulceration or itching humor, our Wash should be used with the Remedy.

For sale by druggists, or supplied direct on receipt of price, \$1.00 per bottle; 6 bottles for \$5.00; 1 dozen by express prepaid for \$10.00, by

Mrs. Joe Person's Remedy Co. Kittrell, N. C.
