

## UP ST. PAUL WAY.

## Woman's Missionary Union of Cumberland—A High Priced Farm—Personal.

Correspondence of The Robesonian.

St. Paul, R. F. D., October 3—We are having some cool cloudy weather now, looks as if the farmers were going to get some of their cotton wet.

Rev. E. L. Weston and Mr. W. J. McDonald were in this section last Thursday p. m. hunting and fishing. They killed 6 squirrels and caught 4 nice fish which they gave to Mr. Jas. Johnson.—Messrs. L. H. Townsend and Turner Webb of St. Paul were through here Friday hunting.

Misses Jane and Maggie Johnson attended the Cumberland county Woman's Missionary Union which met at Bladen-Union church Sunday and report a good time. The ladies held the church and did some good talking and reading until about 3:30 o'clock, when the men who had been attending to the babies all day were called in and Mr. Olive, a young minister from Hope Mills, gave a lecture which was greatly enjoyed by all. The good people of the community furnished a dinner that did credit to them, which was enjoyed by all present.

Rev. and Mrs. E. O. Johnson and three children spent Saturday in the Lumberton section visiting relatives and friends. Mr. Johnson also filled his regular appointment at Singletary's Cross Roads Saturday and Sunday.

Misses Maggie Ploomer, Lillian Clark and another lady from St. Paul were in this community Sunday—Mr. Tom Regan of Tar Heel, Bladen county, passed through here today en route to St. Paul.—Mr. E. L. Weston is in this section hunting today.—Mr. and Mrs. E. L. Thrower and little son Ira Clay spent Sunday at the home of Mr. C. D. Johnson.—The writer regrets very much that she can not attend the Missionary Union at Maxton Wednesday. She has been and is still suffering with her eyes and will not be able to attend.—Mr. Elizah Fisher took dinner at Mr. W. J. Johnson's Friday. He was in this section cutting hay.—Messrs. Tom McGill and Ellie Bethune of St. Paul spent Sunday with friends in the Bladen-Union section.

Mr. James Johnson had the offer of \$10,000 for his place one day last week, and had a little better offer than that some time ago and would not take it. He says the one that will give him \$25,000 will get the place.

## A. &amp; M. College News Notes.

Correspondence of The Robesonian.

West Raleigh, Oct. 3.—The college opened this year with the largest enrollment in the history of the college, the total enrollment to date being 524. This is a considerable increase over last year's enrollment of 475 at the same date.

A. & M. is not only growing in its number of students, but she is increasing in size as well. During the summer three buildings were under construction, these being: a dining hall, with a seating capacity of 600; an animal husbandry building for the agricultural department, and two wings of 24 rooms each, were added to the new dormitory which was erected in the summer of 1909. The latter of these buildings is one of the most handsome pieces of architecture on the campus. About the middle of October work will begin on the \$40,000 Y. M. C. A. building. All the students and faculty as well are looking forward to this building with very much interest. This building has long been needed at A. & M. to carry on the work of the Association, and to furnish a general meeting place for the students.

Football is progressing nicely. There are a squad of 45 sturdy "would-be" farmers on the athletic field every afternoon all fighting for a position on the varsity. The first game of the season comes off on next Saturday, October 7th, with the U. S. Ship Franklin, now stationed at Norfolk, Va. The entire ship of 600 men will accompany the team. The sailors will be entertained by the chamber of commerce of Raleigh while in the city. A. & M. played this team three years ago, the score being 5 to 0, A. & M. the victor. They are determined to reverse this result, but A. & M. will put up a stiff fight to win the game. The farmers have lost only two or three men from the team that conquered the South Atlantic championship last season, and

## A Cry for Cotton Pickers—Sunday School Anniversary—Personal.

Correspondence of The Robesonian.

Lumberton, R. F. D. 4, Oct. 4—Cotton picking is the order of the day in this burg and I never have heard such a cry for help.

Saturday morning good and early the people from every direction began to gather to celebrate the anniversary which was held with the Long Branch Baptist Sunday school, I must say that the speakers from every school did fine, also the singing was fine. At 12 o'clock dinner was spread and there was plenty left for supper. At 3 o'clock the crowd was called together with a song by the Long Branch choir. The school went another round, after which Mr. Jim Prevatt made a speech that was worth hearing, then Mr. E. J. Britt was called upon and he also made a good speech. I think every one present enjoyed the day.

Sunday morning Mr. S. L. Parker taught the Sunday school lesson, after which Prof. Sentele of Lumberton made one of the finest Sunday school talks ever made at Long Branch. The only thing that we regret is that more people did not hear it.

Mr. T. N. Higley and daughter, Miss Emma, of Lumberton, attended church here Sunday.

Mr. Willis Britt is all smiles: it's a girl.

Miss Leta Hedgpath of Orrum spent Saturday night and Sunday at the home of Miss Etchel Branch.

## HELPFUL HINTS ON HAIR HEALTH.

## Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how clean the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hat-band is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that we think that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Lumberton only at our store—The Rexall Store—J. D. McMillan & Son.

with the remaining old players, and the addition of several new strong men to the squad, we are looking forward to again carry off the same title this season.

A. & M. plays three colleges this year they have never played before in football, these being Bucknell, U. of Tenn., and the Naval Academy. The latter of these teams rank among the biggest eleven in the country, but A. & M. will give them a fight equal to any they have had before.

The Return From the Captivity.

Ezra. 1:1-11:11:64-70.

Golden Text—He retaineth not his anger forever, because he delighteth in mercy. Micah, vii:18.

(1.) Who was King Cyrus and what were his character and achievements?

(2.) Where were the Jews as a people at the opening of the Babylonian captivity, and what were the circumstances which took them there?

(3.) How do you account for it that Cyrus, immediately when he began to reign over Babylon decided to release the Jewish captives and to rebuild the Temple at Jerusalem?

(4.) What reason can you assign for a king, not a Jew, having such a direct message from God?

(5.) If the religious history of every nation from the beginning of time could be fully known, should we have in essence a repetition of Bible history?

(6.) Verses 3-4—What class of people do we depend on chiefly, to build churches and support missions?

(7.) What motive does Cyrus appeal to, for building the Temple at Jerusalem?

(8.) What good is accomplished by the vast sums of money spent in building and supporting churches?

(9.) If all people are obligated to give money to support the cause of religion, what is the least they should give?

(10.) Verses 5-6—Are ministers today under obligations to take the lead by precept and example in religious enterprises, without waiting for any special spiritual leading?

(11.) When persons willingly help in God's cause, are they without exception, "them whose spirit God had raised"?

(12.) When we undertake giving or doing for the cause of God, why is it safe to conclude that God specially appointed us thereto?

(13.) Verses 7-11—What in brief were the circumstances which brought the gold and silver vessels to Babylon from the first Temple at Jerusalem?

(14.) When a man gives lavishly of precious treasure to the cause of God is that always, or generally, a proof of his love for God?

(15.) Chap. II. Verses 64-70—What number of people returned to Jerusalem, and what was the number originally carried away to Babylon by Nebuchadnezzar? (See 2 Kings xxiv:14.)

(16.) What were the religious and financial conditions of the people when they were originally deported, and when they returned?

(17.) What general effect had their captivity had upon them?

(18.) Which ministers more to the character of the average man: prosperity or adversity? (This is one of the questions that may be answered in writing by members of the club.)
