BLOOMINGDALE BATCH

Excellent Christmas Trees and Entertainment—School Opens Today—Personal.

Correspondence of The Robesonian.

Bloomington, Dec. 26—Rev R. A. Hedgpeth filled his regular appointment here last Saturday and Sunday and as usual delivered two excellent sermons.

It can truly be said that the Christmas trees and exercises last night were the best that have ever been here during the history of the church, and the honor is all due to the skill of Misses Powell and Edwards and Mrs. Cary, who trained the children and arranged the program. The trees were two dandy cedar trees in each corner of the church and the exercises were rendered on the stage. "Grandfather Popper" and the jolly Kris Kringle seemed to have a good time, and our pastor made some remarks—judging by his remarks, he would make an excellent orphanage manager.

Mr. Hiram Johnson of Alley, Ga., is spending the holidays with relatives in these parts.—Mr. N. S. Barnes, our former superintendent, but lately of Atlanta, Ga., is spending Christmas with Mrs. E. McQ Surles.

School will open again Monday, January 1. A full attendance is desired.

Sharp Snipe.

William F. Lopp, in charge of the government reindeer service, who has just returned from a 14 000 mile tour of inspection through Alaska, thinks that reindeer meat from Alaska may be a food common to the American table in the near future to supplement the dwindling beef supply.

Lightning Kills Few.

In 1906 lightning killed only 163 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c at all druggists.

\$7.50 VACUUM CLEANER AND THE ROBESONIAN ONE YEAR ONLY \$5.00

An opportunity to get a high grade Vacuum Cleaner which never sells at retail at less than \$7.50 cash and a yearly subscription to The Robesonian, the regular price of which is \$1.50---total value \$9.00 for only \$5.00, is a real bargain and one which every family ought to take advantage of.

The National Vacuum Cleaner is the most perfect Hand Vacuum Cleaner on the market and does the work as effectively as an Electric Vacuum Cleaner.

You cannot get the dust and dirt out of your carpets through the ordinary method of sweeping with a broom; you simply remove it in spots and deposit it somewhere else, besides a broom causes the dust to rise and resettle, requiring as much time to dust as it does to sweep. Do not continue to sweep the dust in the air and all over everything; use a Vacuum Cleaner which sucks in all dirt and dust.

A Vacuum Cleaner is Indispensible in the Home.

Guarantee

This Vacuum Cleaner is guaranteed to be free from mechanical defects and any part proving defective in material or workmanship will be replaced without charge within a year from time secured.

A good Vacuum Cleaner insures absolute cleanliness by removing all disease germs from the carpets that are brought into the house on the shoes; it will save wear and tear on your furniture and curtains by not having dust in your carpets and it will save an endless amount of the hardest kind of work.

The National Vacuum Cleaner weighs only 4 1/2 pounds and is so light and easily worked that a child can operate it. It has a flexible nozzle so that it may be held at any height, and can be operated with either right or left hand. This Vacuum Cleaner has a stronger suction than any other similar Vacuum Cleaner and gets not only the surface dirt but also the dirt that is in and beneath the floor covering. Without a good Vacuum Cleaner it is impossible to have a clean and sanitary home.
