The Appointment of the Twelve. Mark III:7-19; Matt. v:13-16.

Golden Text—Ye did not choose me, but I chose you and appointed you, that ye go and bear fruit. John xv:16.

(1.) Verse 7—Why, in view of what had just happened, did Jesus "withdraw himself and his disciples to the sea?"

(2.) When is it right to flee from our enemies, and when is it duty to stand our ground?

(3.) Verse 8—What proportion followed Jesus out of love for him, and his teaching, and what proportion through curiosity, and to see his wonderful works?

(4.) What proportion attend church to-day for worship, for the preaching, the music, or because it is the custom?

(5.) Verses 9-10—To what extent is it legitimate for a preacher in his public services to provide musical or other attractions in order to draw the crowd?

(6.) What would probably have been the size of the congregations of Jesus if he had not performed miracles as well as preached the gospel?

(7.) Verses 11-12—If in these days a preacher is not instrumental in casting unclean spirits out of men, what ought he to do?

(8.) Why did Jesus charge the demons who knew him not to make him known?

(9.) Verse 13—Why is it, or not, a part of a pastor's duty to frequently invite individual Christians to visit him, with a view to finding out, and then to influence them to take up the form of Christian work for which they are fitted?

(10.) Verses 14-15—Jesus had a large following at this time. What method, therefore, did he adopt in selecting his twelve apostles?

(11.) What important preparation had Jesus made during the previous night for selecting his apostles? (See Luke vi:12-13.)

(12.) Which, and why, is the better method when faced with an important crisis, to seek help from God in a few words, and in faith leave the matter with him or to discuss all the details with God in protracted prayer?

(13.) Back up your answer with reasons and say whether Christ intended the miraculous power conferred upon the original twelve apostles to be permanent in the Christian church. (This is one of the questions which may be answered in writing by members of the club.)

(14.) Verses 16-19—What particular charge did Jesus give to these twelve apostles? (See Matt. x:5-15.)

(15.) Which were the leaders among the Apostles, and what can you say concerning them?

(16.) Matt. x:13-16—What are the chief characteristics of salt?

(17.) In what sense are Christians like salt?

(18.) What elements in Christian character resemble light, and to what extent are we responsible to let our light shine?

A Word of Exhortation to the Farmers Union Members.

Mt. Eliam Correspondence of The Robesonian.

Farmers, don't forget your organization, the F. E. and C. U. of A., and don't drop out because it has not made you rich in a year's time. There is plenty of room and plenty of time yet to do something for yourself, something that nobody else can do for you, and something you can not do unless you belong to the God-given Union. Don't get out of heart because a few have backslidden. Remember it is always the faithful few that accomplish great things and not the great numbers. We are in better shape to do something than we have ever been before. You say why? Because it has been sifted. Meal is never pure or fit for use till it has been sifted. And I feel like the greater part of the husk has been sifted out of our organization. I am pleased to know that the Mt. Eliam local No. 626 is alive, with a good number of warm members. 'Tis true we had a few loafers who never have been and never will be any good to themselves or to anybody else. It's not the great number who won't stick we need but the few who will. In conclusion let me say, attend your meetings and learn what is best to do and then do that and it will be well in the end.

Happy Jack.

CONVALESCENTS

Those Recovering from Any Severe Illness

After a long wasting illness, convalescents require nourishing food that will not overtax the digestive functions—and in the way of a strength-restoring and vitality-making tonic, we know of nothing that equals Vinol, our delicious cod liver and iron tonic (without oil).

Vinol creates an appetite, re-establishes good digestion and helps the daily food to make rich blood, form flesh, strong muscles and impart new life and vitality to every organ in the body. We ask those who need a strength and flesh-building tonic restorative to call at our store and get a bottle of Vinol, with the understanding that if it does not help them we will refund their money without question.

PERUNA SAVED MY LIFE.

"I Recommend It Wherever I Am."

Mrs. John M. Stabler.

"I bought a bottle of Peruna and commenced taking it. I found I was getting some better, but thought I was not doing as well as I might. So I wrote The Peruna Medical Department, to see what they thought about me. They gave me special directions and medical advice. To our astonishment I improved and am to-day a well woman and weigh as much as I ever did in my life.

"I tell my friends that Peruna saved my life. I recommend it wherever I am, and when any of our folks are sick, I give them Peruna with success."

Glennwood Cleanings.

There is a goodly number of people who have already planted cotton.—At last the people are about done gathering their last year's cotton crops.—Lots of children had a fine time hunting eggs Saturday before Easter.—It is said that lots of colored people have small-pox around Pembroke.
