MOUNT ELIAM MATTERS.

A Time With a "Gater"—Excursion Suggested—Cotton Seed Good for Many Things—Lumberton Kicked Around—McKenzie and Higley—Personal Mention.

Correspondence of The Robesonian.

Mt. Eliam, June 10—Rain and grass, we are having plenty of both at this time.

Mr. Tom Britt says he had a sure-enough "hair-raising" excitement with an alligator in Lumber river one day recently.

Wouldn't it be nice for Mr. Frank Gough, our much-liked general Sunday school superintendent to arrange to run a Sunday school excursion to the Baptist Orphanage at Thomasville some time this summer?

We said it once, and we'll say it again, if Sidney of Howellsville does raise Cain; For treasurer, we all know that McKenzie is best.

Miss Katie Stone left today for Greenville, where she will enter the Greenville Training School for teachers.

Mr. and Mrs. I. V. Britt spent Sunday at Stephen's crossing.

We received a letter from State Senator W. S. Cobb, of Lumber Bridge, last week in which he said he was shipping from six to eight hundred barrels of Irish potatoes every day, and that's "taters" some.

Mrs. E. H. Surles of Bloomingdale is spending this week with her mother Mrs. R. S. Britt.

Mr. J. M. Sellers of Orrum spent Sunday on the "Mount."

Sorry to report the illness of Ruth, infant daughter of Mr. and Mrs. J. Z. Stone.

There is an alligator in the canal near here that is as much as eight feet long, and broad in proportion, several have seen him. Things will stay on the "Mount."

We feel like we imagine Jona felt when swallowed by the whale. Any way, we know how it feels to be swallowed, as Sidney has swallowed us all up completely as the whale swallowed Jona. Now Sidney, do you really think you are the only one who has a right to his opinion? and haven't I as much right to speak up for the man I think is best for treasurer as you have to speak up for the one you think is best? I should say yes. I haven't got a word to say against Mr. Kinlaw, as we believe he is a gentleman living in a good section of Robeson, but he can be a gentleman, as he is, and still not be the man for county treasurer.

What do you say brother Sidney? Sidney don't you really think my hands would be as clean after going into politics, so far as politics are concerned, as yours would be, if so why did you score me for wading in a little and then jump in head first yourself? The rain may fall and Sidney may blow, but McKenzie is on a solid rock.

For register Higley's as good for he has stood the test.

"Happy Jack."

SUGGESTIVE QUESTIONS

On the Sunday School Lesson by Rev. Dr. Linscott for the International Press Bible Question Club.

June 16, 1912.

[Copyright, 1911, by Rev. T. E. Linscott, D. D.]

Christ's Witness to John the Baptist. Matt. xi:2-10.

Golden Text—Among them that are born of women there is none greater than John, yet he that is but little in the kingdom of God is greater than he. Luke vii:28.

(1) Verse 2—What had John done to be in prison?

(2) Verse 3—What do you think had produced doubt in the mind of John concerning the Messiahship of Christ?

(3) What, if anything, was there in Christ's manner of life that would be liable to make John doubt?

(4) What are the causes which often produce doubt in the minds of good men on matters of which at other times they have been certain, as in the cases of Elijah and John?

(5) Verses 4-6—At what point did John need most to be strengthened?

(6) What did Jesus consider to be the supreme proof of his mission?

(7) What today are the proofs for the divinity of Christ's mission and gospel?

(8) Verses 7-8—What special scenes or demonstrations had attended John's preaching in the wilderness?

(9) In what respect was John unlike "a reed shaken with the wind"?

(10) What sort of clothing did John wear?

(11) What significance is there in the fact that Jesus and John were not alike in their manner of dress?

(12) Verses 9-10—In what respect was John more than a prophet? (This is one of the questions which may be answered in writing by members of the club.)

(13) What is the evidence that Mal. iii:1, from which Jesus quotes, refers to John and Jesus?

(14) As a matter of fact how did John prepare the way for Jesus?

(15) Verse 11—What did Jesus mean by saying that there had not arisen one greater than John the Baptist, but that the least in the kingdom of heaven was greater than he?

(16) Verses 12-13—How did the great revival produced by John's preaching resemble soldiers storming a city?

(17) Why can no power in heaven or earth or hell keep a really determined man out of heaven?

(18) Verse 14—John no doubt had the spirit and power of Elijah and was planned by God to be the forerunner of Christ. What, if any, evidence is there that God plans every man for a specific work and gives him the power to do it?

(19) Verse 15—What qualities are necessary to understand spiritual truth?

(20) Why are spiritual hearing and sight—to hear God and see him—possible for all?

(21) Verses 16-19—Why does God direct or allow equally good men to adopt such different outward modes of life?

(22) What was the real reason which caused so many to reject the preaching of both John and Jesus?
