

LUMBER BRIDGE LOCALS.

Intelligent Farmers—Good Campaign Advice—Other Items.

Correspondence of The Robesonian.

Lumber Bridge, July 16—Not having seen any communications from Lumber Bridge since the "Busy Bees" ceased to work, I send you these lines to let you know we still exist, and from appearance some of our citizens are very much alive and are following their vocations with the necessary energy to bring results. The farms in this section for the most part show ample and intelligent cultivation, and bid fair to yield a bountiful harvest. The recent rains have retarded the work some, but as yet there is very little grass.

News is scarce. Our people are industrious and law-abiding, and sensations are of rare occurrence.

As the farmers will soon be done laying by their crops they will naturally have more time to spend in the interest of the candidates of their choice. By the way, it looks as if everybody could be suited, there are so many to select from.

We have candidates young and candidates old,
Candidates timid and candidates bold,
Candidates fat and candidates lean—
The like of candidates never was seen.

In discussing candidates, it is to be regretted that almost the first question asked about a candidate is, "To which faction does he belong?" We ought to be united and present a solid front to the enemy instead of fighting in our own household. I take it for granted that all who have announced their candidacy are good men. Would it not be more manly to extol the virtues of the men of your choice and let the rest alone? It seems that some people are not in their proper element unless they are slinging mud at their opponents, trying to damage and cripple their influence. I hope such a spirit will not manifest itself during the coming campaign in this grand old county. Observe the golden rule, and if you can't say something helpful leave what you feel like saying unsaid. Then you will come out of the contest with a clear conscience.

Company L, 2nd Infantry, N. C. National Guards, returned from Camp Glenn on the 12th ult. from their annual encampment. They report a good time, and say that the soldier boys acquitted themselves most honorably.

Quite a number from here are at Wrightsville enjoying the surf, while some are at Jackson Springs and others are going to Montreat and perhaps to other pleasure resorts. Time and space forbid my giving the names of those who come and go, as is the custom of most correspondents. That can be of only local interest.

Jawbone.
["Jawbone" is a new one but he writes most interestingly and intelligently and we hope to hear from him often.—Editor].

Baraca-Philathea Union Organized for Robeson County.

Correspondence of The Robesonian.

St. Paul, July 18.—On Sunday afternoon, June 14, representatives from quite a number of the Baraca and Philathea Sunday school classes over Robeson county, met in the Baptist church at St. Paul's for the purpose of organizing a county union of these classes of all denominations.

"Take Time to Be Holy" was sung and prayer offered. Mr. Lacy Weston stated the object of the meeting, then "Throw Out the Lifeline" was sung by St. Paul's Baracas and Philatheas. Mr. R. L. Brown of Rennert gave an interesting and very helpful talk on "Why be a Sunday School Worker." "Along the River of Time" was given by a mixed quartet, after which Mr. James Hester was chosen chairman of the meeting and unanimous vote to organize the union was taken. Resolutions were adopted and the following officers were elected: President, J. M. Hester, St. Paul's; vice presidents, W. Lennon, Lumberton; John Jones, Ten Mile; C. W. Flack, Maxton; N. H. Perry, Parkton; Misses Cora Britt, Ten Mile; Ethel Cashwell, Parkton; Lillie Varner, Lumberton; Velle Johnson, St. Paul's; secretary and treasurer of Baracas, J. A. Coley, St. Paul's;

secretary and treasurer of Philatheas, Cora Page, Lumberton; press reporter, Lattie Rhodes, St. Paul's; constitution and by-laws committee, Frank Gough, W. Lennon, Lumberton; D. M. Johnson, St. Paul's; membership committee, Misses Ashley of Maxton, Bertha Johnson, Lumber Bridge, Jessie Butler, St. Paul's.

The meeting closed with an invitation for the union to hold its first business meeting in August with Ten Mile. "Onward Christian Soldiers" was the closing hymn and Rev. E. L. Weston dismissed with prayer.

HAVE YOU EVER TAKEN CALOMEL?
Next Time Don't Do It, It's Dangerous. Try Dodson's Liver-Tone Instead—It's Safe.

You ought to know what a dangerous and uncertain drug the chemical, calomel, is. Perhaps you know several people who have been salivated by what they thought was a very light dose of calomel.

Next time you have an attack of biliousness, or when your liver has gotten sluggish, come to J. D. McMillan & Son's drug store and ask for a bottle of Dodson's Liver-Tone. You will find it a pleasant tasted liquid and a perfect substitute for calomel in every respect and without the dangerous after-effects of calomel.

Dodson's Liver-Tone gives the liver just the amount of gentle stimulation it needs to induce it to do its work properly and thoroughly. J. D. McMillan & Son's drug store will give you your money back any time Dodson's Liver-Tone fails to prove itself a perfect substitute for calomel.

"Had dyspepsia or indigestion for years. No appetite, and what I did eat distressed me terribly. Burdock Blood Bitters reached the cause."—J. H. Walker, Sunbury, Ohio.
