POLITICS IN HOKE

Robeson's New County Agitation Playing a Part—County Primary August 24—Personal Mention.

Correspondence of The Robesonian.

Antioch, Aug. 7.—Politics in Hoke, following the example of our two mother counties, seems to be waxing warm, and, strange to say, Robeson's new-county agitation is playing its part here. It seems to be an open secret that a good many of our neighbors on the border line wish to come into Hoke. Even Red Springs, Madam Rumor says, would like to join the forces of Hoke. Many Hokeites are anxious and willing to welcome their former countymen into the new county, while some are opposed to any more territory; and so it seems that the legislative candidates especially will have to squarely declare themselves before the people will pledge them their support. This county will have a legalized primary on August 24, when each candidate will know his doom.

Rev. Chas. E. Hodgkin and wife, also two sons, Charles and Nelson, of Greensboro, have been spending several days at Antioch, guests of Mr. J. A. Hodgkin and other relatives. Mr. Hodgkin preached for the Antioch congregation here on last Sabbath. Everybody is always glad to hear "Charles" Hodgkin, as he is still known here. Mr. Hodgkin has been for several years the popular pastor of West Minister Presbyterian church, Greensboro.

Messrs. Henry Elliot of Linden and Albert McCormick of McDonalds and Misses Hallie Currie and Pearl Council of Red Springs have been most pleasant guests of Mr. Ernest McPhaul and sister, Miss Jessie, for several days. Many receptions have been given by various ones at Antioch in honor of the visitors.

Broad Ridge Breezes.

Correspondence of The Robesonian.

Lumberton, R. F. D. 4, Aug 6—Preaching services are being conducted this week at the Broad Ridge school house.

Messrs. Archie and Boyd Walters of Barnesville have returned home after a few days visiting relatives here.

Mrs. Susan Britt has returned home from Page's Mills, where she spent the latter part of the week visiting relatives.

Children's day exercises were carried out Sunday despite the inclement weather.

Mrs. J. A. Britt spent Friday and Saturday near Fairmont. The people are about done curing tobacco in this section. "Rose"

Charles Heath, a well-known young farmer of Greene county, was shot and painfully, though not seriously, wounded by his younger brother the other day. The young man became enraged at the manner in which his brother asked him to perform some work about the tobacco barn on the farm on which they live and went into the house and secured his revolver and began firing.

"General debility for years. Had sick headache, lacked ambition, was worn out and all run down. Burdock Blood Bitters made me a well woman."—Mrs. Chas. Freitoy, Moosup, Conn.

BETTER MEDICINE THAN CALOMEL.

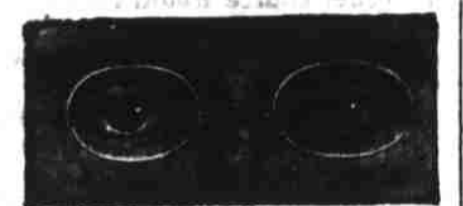

Dodson's Liver Tonic, a Safe Vegetable Liquid, Now Takes the Place of Calomel, the Powerful Mineral Drug.

Many people know the danger of calomel, yet they take it because they know of nothing better. Other people are not afraid of calomel because they do not understand what a dangerous drug it is.

Nobody needs to take dangerous calomel (which is made from mercury) if they live near a store where Dodson's Liver Tonic is sold. J. D. McMillan & Son sells Dodson's Liver Tonic, and guarantees it to be a perfect substitute for calomel. It is a pleasant tasting vegetable tonic, that livens up the liver without causing any restriction of habit or diet. It has none of the bad after-effects of calomel and is safe for children as well as grown-ups.
