

### How The Body Kills Germs.

Germs that get into the body are killed in two ways—by the white corpuscles of the blood, and by a germ-killing substance that is in the blood. Just what this substance is, we do not know. The blood of a healthy person always has some germ-killing substance in it to ward off the attack of disease. The fountain head of life is the stomach. A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished. To put the body in healthy condition, to feed the system on rich, red blood and throw out the poisons from the body, nothing in the past forty years has excelled Dr. Pierce's Golden Medical Discovery, a pure glyceric extract (without alcohol), of bloodroot, golden seal and Oregon grape root, stone root, mandrake and queen's root with black cherrybark.

J. H. MARTIN, Esq.

"My husband was a sufferer from stomach trouble and impure blood," writes Mrs. JAMES H. MARTIN, of Frankfort, Ky. "He had a sore on his face that would form a scab which would dry and drop off in about a month, then another would immediately form. It continued this way for a long time. He tried every remedy that any one would suggest but found no relief. He then tried Dr. Pierce's Golden Medical Discovery which completely cured him. He has stayed cured now for two years, and I recommend this valuable medicine for impurities of the blood."

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.

#### LYDIA NEWS NOTES.

**A Series of Meetings Closes at Methodist Church—Meeting to Begin at Baptist Church—Personal.**

Lydia, S. C. (Lamer, R. 1), Aug. 8—A very interesting and helpful series of meetings closed at Wesley Chapel Methodist church here last Friday night. During these meetings eleven candidates for membership were received into the church, and a great many old members were drawn nearer to Christ.

On account of the serious illness of Mrs. Rogers, the Baptist minister's wife of this place, the series of meetings at Mt. Elon Baptist church has been delayed. However, she is very much improved at this writing, and the meeting is expected to begin Thursday night, August 8.

Miss Fanny V. Josey returned home last week after spending some time with friends in New York. The friends of Miss Josey were pleased to have her return.

We are glad to report the return of Mr. J. E. McBride, the efficient mail carrier on route 1, after a short vacation.

Mr. B. S. Josey is erecting a large ginney at Lydia for the purpose of ginning long staple cotton. Several other buildings are also being erected.

Miss Eva Best has returned home after spending several months at Pageland, S. C. She was accompanied home by her sister Mrs. Lewis Watford.

Miss Effie Wilson, accompanied by her father, Mr. Charlie Wilson, spent a few days last week at the home of Mr. L. W. Redick and attended the meeting.

Prof. and Mrs. Wm. Duncan of this place are spending some time at Lancaster, S. C., guests of relative and friends. They are expected to return in a few days.

**An Up-to-Date and Successful Robeson County Farmer.**

Whiteville News Reporter.

Last Thursday we had a call from Mr. N. T. McLean, who is an up-to-date and successful farmer near Rowland, in Robeson county. Mr. McLean has purchased the Spivey farm, near Whiteville, which he gave to one of his sons. He says that lands around him sell for \$100 or more per acre, but our Columbus land is just as good if opened up and improved. He thinks there is a fine future for our county and is particularly impressed with the educational advantages of Whiteville. It was because of our school that he located his son and grand children here.

Mr. McLean has 500 acres of fine land and says the crop outlook is promising. He is also a raiser of fine stock, and has a cross between a Poland China and Berkshire, having imported his brood hogs.

In speaking of the truck business, Mr. McLean says he does not grow any crop that must be sold right away, at any price offered. He grows corn and cotton and crops that will keep. He says any farmer who depends on truck crops to the neglect of staples, will sooner or later find himself broke. He says that this year some of his neighbors went into the canteloupe business and about 50 acres were planted. But it took all they received for their melons to pay for crates and freight bills, and they came out behind. He says that the canteloupe business has been overdone in Robeson, just as was the strawberry business in Columbus. He says he has never bought corn or meat since he began farming, but always tries and have some to sell, that no farmer can succeed who raises cotton to buy supplies.

#### Church and College Notes.

Raleigh Christian Advocate.

Rev. R. L. Carraway, Lumberton circuit, writes: "We have just closed a fine meeting at Pine Grove church. Dr. Nash was with us one week and rendered fine service. The church was greatly revived, and there were nine accessions. Total added this year thirty."

Major A. J. McKinnon, Maxton, N. C., has the honor of being the first to found a scholarship in Carolina College. The interest derived from this \$1,000 pays the tuition of some worthy young woman who is not able to pay her own, giving the preference to Robeson county.

Rev. J. W. Hoyle, Roseboro, writes: "We have had a good meeting here in our church. Bro. J. W. Bradley, of Lumberton, was with me from Monday night till Friday night, and preached the Word with power in the old time way. My people and the whole town and community around were delighted and edified. May the Lord use him a long time to call men into the ways of righteousness!"
