

**COUNTY ROAD WORK.**

**Business Transacted at Regular Monthly Meeting of Road Commissioners.**

The county road commissioners held their regular monthly session Monday. The following business was transacted:

A request that work be done on the public roads near the "seven bridges", made in a communication by W. H. McCallum, was referred to Supt. J. C. Parish with the recommendation that the work be done as soon as sufficient funds are in hand. An order was passed allowing district No. 1 to execute a note to A. L. Greenburg Co. for \$576, payable 12 months from date, at 6 per cent interest. A report made by A. L. Stone on laying out road in Britt's township was accepted and Supt. Parish was instructed to survey same. The commitments of Wm. Rowell, Ed. Clark, Wash Maltby and Berry Hunt were turned over to the board, these having served their sentences on chain-gang and having been discharged. A petition of W. H. Thompson, J. A. Kitchin and others for a new road in Alfordville township was granted, route recommended by Supt. Parish to be adopted and all work to be done at cost of petitioners. Supt. Parish recommended that cart-way requested by J. C. McLean of Lumber Bridge township be allowed and he was instructed to take steps necessary to lay out said cart-way according to law. A. T. Parmele, county purchasing agent, was instructed to purchase blankets for the chain-gang. D. A. Jones, superintendent for district No. 2, tendered his resignation, which was accepted. It was ordered that R. E. Lewis be paid \$50 for damage to farm land in district No. 1. J. D. Locklear and Jane Deese were allowed \$10 and \$2.50, respectively, for damage to crops, and amounts charged to district No. 4 and like amounts credited to chain-gang account. It was ordered that district No. 6 take the chain-gang for 30 days. Bills of varying amounts for the several districts and funds were ordered paid, the totals being as follows: Districts No. 1, \$398.76; No. 2, \$85.89; No. 3, \$448.66; No. 4, \$484.80; No. 5, \$50.50; No. 6, \$18.25; general fund, \$4.50; chain-gang, \$832.29; bridges, \$325.

**Barnesville News Batch.**

Barnesville, Oct. 4—A meeting is going on at the Methodist church this week. The pastor, Rev. Mr. Moyle, has no one helping him, but he is preaching some mighty good sermons.

We are proud of our young men who compose the band of our village. They are doing well under the leadership of Mr. Nelson. They and the young ladies of this place are preparing to give a concert Wednesday night, and after the concert there will be sold some refreshments. They are expecting a large crowd as they seem to be preparing every thing on an extensive plan.

The new patent desks for the Barnesville high school have come, and are being installed. We are also proud that we can boast of having one of the best schools in old Robeson. Mr. Ammons, the principal, is conducting the school in a way that makes a person think he is in some college. He is assisted by Miss Keetter of Buie's Creek and Miss Powers of Boardman.

Rev. R. A. Hedgpath married a young couple Monday. They seemed to be in quite a hurry but no one happened to come in time to prevent the happy event. The couple was Mr. Max Davis and Miss Ethel Warrick.

Mrs. Darcus Leggett of Lumberton is visiting friends here this week.

Mrs. Helen Powers is spending a few days with her son near Boardman.

Mr. Bobbie Ford of Page's Mill has been the guest of Prof. Nelson for the past few days.

The State Fair in Raleigh Next Week.

The great State fair, under the auspices of the North Carolina Agricultural Society, of which Col. E. F. McRae of Maxton is president, will be in Raleigh next week, the 15th, 16th, 17th and 18th inst. It is claimed that there is the best programme of free attractions in the 52 years' history of the fair.

**Fortunes in Faces**

There's often much truth in the saying "her face is her fortune," but it's never said where pimples, skin eruptions, blotches, or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them. 25 cents at all druggists.

**Good For 9 to 18 Months Hard Wear**

YOU'LL save money on your shoes when you buy "Star Brand" shoes, because they are at least 25 per cent better than shoes you have formerly bought at the same price. There's a "Star Brand" shoe made especially for farmers, prospectors and others who work outdoors. It is made in both regular height and high cuts and is known as the "Soft & Good" Shoe. The "Soft & Good" stands alone in its class, unequaled in look, comfort and service. The uppers are made of the finest glove-tanned elk skin leather, and the soles, heels and counters are of the best oak tanned sole leather. They are soft, flexible, tough and strong. You'll find the well-known "Star" on every heel. This is your guarantee that no substitutes for leather are ever used. The prices are reasonable considering the service you get. Try a pair. "Star Brand Shoes Are Better"
