You know these tires and know they outsell every other tire made today. You have heard of the sales doubling over and over until the output is now 100,000 per month.

### Save One-Half

No-Rim-Cut tires, with tens of thousands of users, have cut tire bills right in two. We can show you in five minutes why this thing is possible. You can see that the tires never rim-cut. You can see the 10 per cent. oversize. When you see these features you are bound to want them, like every one else who knows.

### We Sell Them

No-Rim-Cut tires are fast becoming the universal tires. That is why we sell them. We are ready at all times to help you to know them. From that time on your tire upkeep will be immensely less than now. We can prove this to you in five minutes. It will save you not less than \$10. A minute, and you'll be glad you came.

## BARNESVILLE BUDGET.

A Good Brass Band—Church and Sunday School—High School Will Give a Play.

Correspondence of The Robesonian.

Barnesville, Nov. 11—Barnesville has one of the best brass bands in Robeson county. It has been organized only a short time, but during the brief period of its existence it has made wonderful progress. On last Wednesday it received its first care. Mr. Major Rogers, near Marieta, had a land sale and secured the band to furnish music for the occasion. The band returned with many kind words for Mr. and Mrs. Rogers' hospitality. Above everything the enjoyed a rare good dinner. Following fast upon that came an invitation from the Bloomingdale school to furnish music for a Hallowe'en event. The reports brought back make one think that they had a very good time.

Mrs. R. R. Barnes has been unusually ill for several days.

Last week saw added to our church floor a new carpet. It adds a great deal to the appearance and attractiveness of the inside of the building.

Our Sunday school superintendent, Mr. R. K. Barnes, has seen a very successful Sunday school year pass by, and with the election of officers and teachers for the ensuing year the prospects are very hopeful for the continuance of last year's good auspices.

The high school here this year is the best in the history of the school. The literary societies, organized in the beginning of the year, have grown and developed wonderfully since their organization. The young men make the walls of the building re-echo their eloquence. They realize that the society is one of the most potent factors in the development of a symmetrical life. The Kaligarian promises us a lively public debate in the near future. The Philopocian already has plans on foot for giving us an enjoyable time at the beginning of the Yuletide. With Prof. Owens at the helm and Misses Keeter and Powers as assistants, the school is marching along with real life and healthful vitality.

This week Mr. Rowland Sealey entered school here after attending school at Orum.

The school promises a play in the very near future, a play which will be full of dashing life and unparalleled humor, not one line of dryness will be found. The audience will be entertained and amused. Prof. Owens has consented to give his most humorous selection, "How a young lady performs on the piano after returning from a conservatory of music." This always takes well, and will be one of the best numbers. Those who have seen it given have nothing but words of commendation, while those who have heard of it are anxious to see it.

Among those who made an exodus from our little town last week were F. C. L'Page, who visited in Fairmont today, and Mr. J. W. Barnes, who went to Lumberton on business; and our Reverend R. A. Hedgpeth, who is attending the association at St. Paul's this week.

### Clarkton News Notes.

Correspondence of The Robesonian.

Clarkton, Nov. 12—Quite a surprise marriage took place in our town two weeks ago when Miss Katie Cromartie became the bride of Mr. Helen of Mathews, Rev. R. A. Lapsley Jr., officiating.

The condition of Mr. D. A. McKee, who has been very sick for 4 or 5 weeks, is much improved.

Mr. J. H. Clark, who for the past year had been running a livery business at Page's Mill, S. C., have moved back and opened his livery here again.

Hurrah! for Wilson and the whole Democratic ticket.

Dinglefoot

Nineteen persons were killed and 54 injured in the wreck of an excursion train near Montz, La., Monday morning in collision with a freight train. The wreck was due to misunderstanding of orders.

### Flagged Train With Shirt.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes "my stomach, head back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all druggists.

## MALARIA

headache, biliousness, indigestion, rheumatism, pimples, blotches, yellow complexion, etc., are all signs of poisons in your blood. These poisons should be driven out, or serious illness may result. To get rid of them, use

## Thedford's Black-Draught

the old, reliable, purely vegetable, liver medicine.

Mrs. J. H. Easter, of Spartanburg, S. C., says: "I had sick headache, for years. I felt bad most of the time, I tried Thedford's Black-Draught, and now I feel better than when I was 16 years old." Your druggist sells it, in 25 cent packages.
