**Electric Power at Lumberton and Dresden Cotton Mills.**

Electric power from the Yadkin Power Co. was turned on this morning at the Lumberton and Dresden cotton mills and these mills, which have heretofore been run by steam, are humming on the first day's work with electric power. The change was made without a hitch, the machinery running smoothly with the new power this morning.  
 The sub-station on the edge of town, which was tested Tuesday of last week, got down to its knitting for continuous running Saturday night. Everything is in readiness now to furnish light and power for Lumberton as soon as satisfactory contracts can be made. It is expected that the power company will submit its proposition to the town fathers within a few days.

**CALOMEL GIVES ONLY TEMPORARY RELIEF.**

So Powerful It Shocks Liver and Leaves It Weaker Than Before.  
 Dodson's Liver-Tone a Perfect Substitute.

Nearly everybody who has ever tried calomel for constipation or a sluggish liver has found that it gives only a temporary relief. For calomel is such a powerful drug that it shocks and weakens the liver and makes it less able afterward to do its duty than in the first place.  
 This is one reason why J. D. McMillian & Son's drug store would rather sell Dodson's Liver-Tone to you than calomel. We know that Dodson's Liver-Tone is a pure vegetable liver tonic that will cure constipation quickly and gently without any danger of bad after effects. We guarantee it to do this with a guarantee that is simple and fair. If you buy a bottle of Dodson's Liver-Tone for yourself or children, and do not find that it is a perfect substitute for calomel, then come back to the store and get your money. If you don't get value for your money out of this tonic, it's your right to expect your money back, and we will gladly give it to you. adv.

We hope this great medicine will yet be sold in every drug store in Porto Rico. For throat and lung troubles it has no equal. A trial will convince you of its merit. 50c and \$1.00. Tea bottle free. Guaranteed by all druggists.

**NOTICE**

Dr. M. R. Gibson of Maxton, whose practice is now limited to the medical and surgical treatment of eye, ear, nose and throat, will be in Lumberton on Thursday and Friday of this week at Thompson's hospital for the purpose of treating diseases within the limits of his specialty. Adv.
