

A Great Stock of Goods

To be Thrown on the Market in a 20
Days Year End Sale : : :

Beginning Saturday, December 7, 1912, at 10 o'clock

"On the Great Clock of Time There's but one word—NOW. Let's take the instant by the forward top."—Shakespeare.

TIME IS SO SHORT and so much to be done---only 20 more selling days in which to sell the \$60,000.00 worth of select merchandise now in our store and warehouses. To accomplish this great feat of business we are going to make strenuous efforts. We do not believe in undertaking the impossible---but we know that many hun-

dreds, yea thousands of people who trade at our store have not yet supplied themselves with wearing apparel, and household goods, necessary to give comfort and health during the chilling winter winds, and frost and ice and snow.

A Year End Sale will be started by us on Saturday, December 7th, 1912 at 10 o'clock in the morning. There is a reason for this Special Sale---we have such an immense stock of heavy winter goods yet on hand, great attractions must be made to dispose of them before the season ends. We know the greatest trade producer is lower prices. We have made the lower prices. The request we make is "call and examine the goods and if satisfactory bargains are not found we do not ask any one to buy."
