CRAIG'S INAUGURATION BRILLIANT.

Governor Locke Takes Oath of Office and Pledges Service to People of State in Inaugural Address—Largest Crowds in History of Commonwealth on Like Occasion.

Raleigh Times, 15th. With the auditorium crowded to its utmost capacity and thousands on the outside, surrounded by a distinguished company of his fellow citizens, and cheered on every side by the multitudes, Hon. Locke Craig, formerly of Asheville, but now of North Carolina, pledged his service to the people of his State today in his inaugural address. The exercises in the auditorium followed a magnificent parade from the Yarbrough to the Governor's mansion and return. The procession was nearly a mile in length and was witnessed by thousands who lined the streets.

Never before in the history of this commonwealth has the inauguration of a Governor drawn such crowds

to the Capital city. In 1877 when Governor Vance was sworn in, a record was set for attendance that remained unbroken until today. The people were celebrating then the redemption of the State from reconstruction, and with hearts running over they literally poured into the Capital.

It remained for the city of Asheville to furnish the two Governors whose inaugurations set new records for attendance, both Vance and Craig being elected from that city. Governor Craig is the first Governor the mountain folks have had in many years and they showed their appreciation by coming to the Capital in large numbers. From every section of North Carolina the crowds poured in yesterday, last night and today, and by noon it was estimated that at least 20,000 people were in the city. Not half this number could begin to find space in the auditorium and thousands did not try.

IMPORTANT MEETING CITIZENS.

Proposition to Move LaFayette Mutual Life Insurance Company to Lumberton to Be Considered at Meeting to Be Held Tomorrow Night.

At the court house tomorrow night, presumably about eight o'clock, a meeting of citizens has been called to be held by the town commissioners to consider the proposition to move the home office of the LaFayette Mutual Life Insurance Co. from Fayetteville to Lumberton. The call was made at the instance of Mr. W. Lennon, secretary-treasurer of the Industrial and Commercial Club.

This is a successful company the coming of which to town would of course be welcomed. It is desired that as many as possible attend this meeting.

Miss Belle Smith of Shannon Becomes Bride of Mr. D. C. Downing of Fayetteville.

Special to The Robesonian. Shannon, Jan. 15.—This afternoon at 3:30 o'clock at the beautiful country home of Mrs. Rebecca J. Smith, near Shannon, was solemnized the marriage of her youngest daughter, Miss Belle, to Mr. Duncan Crawford Downing of Fayetteville. The bridal couple entered the parlor to the strains of Mendelssohn's Wedding March and were made one by Rev. T. B. Justice of Red Springs, only the immediate family and a few friends being present. The parlor was tastefully decorated with potted plants, ferns and cut flowers, which presented a lovely background. The bride wore a suit of Copenhagen blue with hat and gloves to match and carried a bouquet of bride's roses. Immediately after the ceremony the happy couple left over the Coast Line for Florida and other points South.

Could Shout for Joy.

"I want to thank you from the bottom of my heart," wrote C. B. Rader, of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism, Electric Bitters have no equal. Try them. Every bottle is guaranteed to satisfy. Only 50 cents at all druggists.

TOWN AFFAIRS.

Meeting of Citizens Called for Tomorrow Night—A Surprising Order—No License for Pool Rooms.

The town fathers were in session Tuesday night, the regular monthly meeting having been postponed to this date from first Tuesday night.

A meeting of the citizens of the town was ordered called to be held tomorrow evening at the court house to consider the proposition of moving the home office of the LaFayette Mutual Life Insurance Co. from Fayetteville to Lumberton.

Mr. E. M. Britt requested for a client license to operate a pool room in the old Columbia hotel building and the board made the positive record that it would not grant such a license to any person, firm or corporation.

R. E. Lee, town attorney, was instructed to look after the interest of the town in the case of the Carolina Portland Cement Co. vs. J. R. Steele et al. Mayor Caldwell was empowered to make settlement with Lee for services rendered the board prior to his appointment as town attorney. (A rather surprising order, seeing that during the time these services were rendered the town had a duly elected attorney, perfectly competent and ready to attend to duties for which the town now authorizes the mayor to settle with the present attorney.—Editor.)

It was ordered that the electric light line be extended down Seventh street to R. T. Sanderson's, east of the Virginia & Carolina Southern Ry. The mayor and town clerk and treasurer were authorized to execute the town's note for \$603.55 to the Crane Co., of Baltimore, to be due March 15, 1913, in settlement of account for material furnished for fire pump at fire house. It is understood that this note will be paid by the town board of audit and finance when due.

The following accounts were approved for payment: L. H. Caldwell, account to Dec. 31, 1912, \$883.32; Frederick Disinfectant Co., disinfectant, \$121.20; General Fire Extinguisher Co., sewer pipe, \$103.07; Pomona Terra-Cotta Co., terra-cotta pipe, \$371.10; Jas. L. Stevens, building sewer line, \$48.60; S. A. L. Ry. Co., rebate, \$3.20; Henry R. Worthington, repairs for pumps, \$77.51; Q. T. Williams, fire insurance premiums, \$183.91; E. J. Wilkerson, rebate on \$300 real estate, \$4.38. Total, \$1796.29.

UPPER BLADEN NEWS.

Much Moving—Farmers in Good Shape—Potato Crop Good.

Correspondence of The Robesonian. Fayetteville, R. F. D. 8, Jan. 14.—Our people have put up their firearms and gone to work, which is a good idea as the new year is passing on and March will soon be here. There is no time for idlers. Let's get busy and help make the new year one of profit as well as pleasure.

Several cases of grip in this vicinity, otherwise our people are generally in good health.

There is much moving going on in this section and will be, no doubt, for some time. The farmers as a rule are in good shape to make another crop as cotton has been a fair price this season and the bulk of the crop has been saved. The potato crop hereabout was the best ever, and they are keeping well, too, which is better.

Mr. and Mrs. Z. V. Tolar and daughter Myrtle have returned from Florida. Mr. Tolar's health has improved very much and he has again taken up the mail service at Tar Heel. While away down South he visited Duncannon, Aurburdale, Lakeland, Ocala, Sanford and other places of interest and was well pleased with the country.—Mr. T. L. Allen who has been quite sick for the last 10 days, is not much improved.

To Happy Jack.

December winds are whispering chill, The snow is on the ground, We hear no more the whippoorwill Upon the distant mound: So, Happy Jack, take up your pack And hasten to the woods, For quiet, you know, delight in snow Ans sporting will be good.

UNCLE SANDY.

A Pleasant Social Affair Down Abbottsburg Way—Personal.

Correspondence of The Robesonian. Abbottsburg, R. F. D. 1, Jan. 13.—Saturday afternoon, although the weather was very gloomy, the school house at Mud Hole was a scene of much merriment from 4:30 to 6 in the afternoon. Miss Grace Ransom entertained. Several amusing games were played then Miss Grace Ransom and Miss Clara Evans gave all the boys dainty cards and pencils, with topics on the cards that all the girls must talk on 2 minutes. There was quite a noise for a while and lots of fun. When all the girls finished talking the boys voted for the girl that did the best talking. Miss Sallie Kelly won the prize, which was a dainty apron. Whipped cream and oranges were served after the contest. Those who had the privilege of enjoying Miss Ransom's hospitality were: Misses Sallie and Loula Kelly, Alice and Clara Evans, Eva and Rachel Lennon, Blanche and Madge Phillips, Clara Singletary, Lizzie Pait and Ila Davis; Messrs. Dwight Kelly, Claud Phillips, Oscar, Cade, Samuel and Duncan Lennon, Carey and Clyde Evans, Roy and Jarvis Davis, Henry Hilburn and Mr. and Mrs. Jesse Lennon. They all left at a late hour assuring their hostess that they had spent a most pleasant afternoon.

Mrs. John Evans returned last Sunday from Baltimore, her condition is much better. Mr. Ed Porits and family are moving to Bladenboro today.

The retiring Governor recommended that about \$70,000 be provided with which to paint the interior of the new fireproof State building and to furnish it.

These include a bill to give all municipalities power to adopt the commission form of government without an act of the General Assembly; bills to provide a 6 months' term in the public schools, to provide funds for public highways, to provide for an income tax, and to work State convicts on county public roads. MAY RESUME WAR.

Allies Have Determined to Take Up Arms a Second Time Unless Unexpected Happens—Next Peace Terms Will Be Different.

London Dispatch, 14th. Unless unforeseen events should change the current of affairs, the Turkish-Balkan war in the near East will be resumed within a week and Europe will witness the horrors of a winter campaign.

The Allies have firmly made up their minds to take up arms a second time. The Turks last week were threatening to leave London and let matters take whatever course they might. Now the Balkan delegates are convinced the Turks are merely drifting without a fixed policy, and they have decided to end the seemingly fruitless debates and wire pulling and begin battles anew, where they left off more than a month ago.

The Allies say it is easy to predict the course of events. After they have stormed Tchatalja, they prophesy, Turkey will be ready to cede Adrianople, just as after the Italians landed in Tripoli she offered to make concessions which previously she had strenuously refused and as after the victories of the Balkan States, she consented to grant reforms they had vainly asked for 34 years.

After their second resort to arms, the Balkan delegates assert their peace terms will be different from those Turkey is now rejecting. They declare that Bulgaria will not be satisfied with a frontier line from Rodosto to Midia, but will draw it just before the gates of Constantinople and they suggest a war indemnity of \$200,000,000 or more.

MT. ELIAM MATTERS.

Many Changes—An Old Lady With a Cigar.

Correspondence of The Robesonian. Mt. Eliam, Jan. 13.—We spent yesterday up on the "Mount." Many changes in numerous ways were brought to our observation. Moving both off and on has been going on to some extent, and two or three very young visitors have arrived since our last home-going, one at the home of Mr. Evander Stone, and one at the home of Mr. Charley Lamb.

From the appearance of all things we shouldn't be surprised if some lucky man gets a "Mount" grown wife some time in the not-distant future.

The folks have been killing hogs, both large and small, my father killed one Monday that tipped the scales at 412 after he was dressed. We hear of much meat spoiling, owing to the hot weather of the past weeks.

The Sunday school was very good and well worth attending. Why is it that some people who live in reach of a good Sunday school never go, is one of the many mysteries.

One of our cousins, Mr. Archer Graham of Tolarville, was in town Friday, and while here he asked us to go with him to get license to marry Miss Lena Humphrey of the same place. They were to get happy yesterday.

They get better. What? The motion picture. A right amusing thing it was, when an old lady asked us for a cigar and a match and then asked us which end she should light. We told her right, but some of the boys told her we were fooling her. She said yes, "lit up" the mouth end and went off down the street smoking as big as any man. But the wrong end was on fire.

HAPPY JACK.

ARCHBALD FOUND GUILTY.

Federal Judge Stripped of Office by Senate and Forever Disqualified from Holding Public Office—Used Office for Private Gain.

Washington Dispatch, 13th. Robert W. Archbald, of Scranton, Pa., for 29 years an occupant of judicial positions upon the Pennsylvania bench, the Federal district bench and the United States Commerce Court, today was adjudged guilty by the United States Senate of "high crimes and misdemeanors"; was stripped of office and forever disqualified from holding positions of public honor or trust.

The conviction of the jurist came as the conclusion of the impeachment trial that has been pending in the Senate since last summer, on charges that Judge Archbald had been guilty of misconduct and misbehavior as a judge and that he had corruptly used his judicial power to further his private interests of himself and his friends, in the acquisition of coal land properties in Pennsylvania.

Upon five of the 13 separate charges brought against him by the House of Representatives, Judge Archbald was found guilty.

Upon the other eight the Senate voted him not guilty, the majority in some cases being against him, but failing of the two-thirds necessary for conviction. Any one of the five verdicts of guilty was enough to bring about the punishment inflicted upon him.

The end of the long fought struggle in the Senate came early in the afternoon, when the vote was taken on the first article of impeachment. With gallery doors locked to prevent the movement of spectators, and an unaccustomed hush prevailing throughout the chamber, 68 Senators rose in their places as their names were called and pronounced the word "guilty" in almost inaudible tones. The vote on the first charge that Judge Archbald had corruptly influenced officials of the Erie Railroad to sell him the Katydid culm dump at Scranton, resulted in his conviction by a vote of 68 to 5. Nineteen Senators were absent or not voting.

Of the 10 men who have been impeached before the Senate since the organization of the government, Judge Archbald is the third to be convicted and the only one convicted who appeared to make a personal defense against charges.
