

IT is not necessary to wear glasses that are freakish in appearance just because you are obliged to wear double-vision lenses.

KRYPTOK LENSES

have all the good qualities of the old-fashioned double-vision lenses and none of their faults. They look exactly like regular single-vision lenses, yet afford perfect vision for both far and near.

Everybody Wants to Help Celebrate Fourth at Lumberton.

Rowland Sun.

There is usually a big Fourth of July celebration at Alfordville, but we suppose there will be none this year, as everybody will want to help celebrate at Lumberton on that day. Alfordville is a great place for a picnic and we hope one will be held there later on when the watermelons get ripe and spring chickens grow a little more.
