

No matter how symmetrical nature has made a man he cannot appear graceful unless he is properly dressed in good fitting clothing made of first quality materials. Poor fitting clothes make a man LOOK awkward; poor quality clothes make a man FEEL awkward, Why spoil the joy of living, when WE can clothe you neatly in garments that will make you both look, feel and BE graceful and prosperous.

Be Sure You Get a Pure Leather Shoe

OVER 90% of all shoes sold for less than \$4.00 contain substitutes for leather in the heels, counters and soles.

Why pay pure leather prices for such shoes when you never know they are adulterated until you wear them and find them unsatisfactory.

There is one way to be sure you are getting an honest leather shoe. Simply ask for "Star Brand" shoes with the star on the heel and the name on the sole.

"Star Brand" is the largest selling line of shoes in the world. Over seven million pairs sold during 1912. Every pair is honestly made of good leather. No substitutes for leather are ever used.

"Star Brand" shoes are made in over 750 styles—in all the different leathers—for men, women and children. A shoe to meet every demand, both as to style and grade. ASHEVILLE WHISKEY CASES.

Judge Carter Orders Arrest of Prominent Hotel and Drug Store Men on Charge of Retailing.

Some time ago, as noted at the time, Judge Frank Carter, holding court of Asheville directed the Buncombe county grand jury to investigate alleged whiskey sellers, and when the jury failed to make any indictment against those suspected Judge Carter declared that he would investigate the cases himself, acting as an investigating or committing magistrate. This he did and the second chapter was written Monday when Judge Carter ordered the immediate arrest of John H. Lange and Gay Green, owners and proprietors of the Langren hotel and the Century Drug Store; J. L. Alexander, proprietor of the Battery Park hotel, and J. Baylis Rector, manager of the Langren, together with one other man, Isadore Grant, colored, alleged agent of one of the first four named. The arrests followed immediately and the defendants were placed under heavy bonds.

These men are charged with selling whiskey directly or indirectly and a few of them with aiding and abetting in the traffic through their agents.

Three of the defendants, Messrs. Lange, Green and Alexander, were required by Judge Carter to furnish bond for their appearance from day to day in the sum of \$3,000 each. Mr. Rector was required to furnish bond in the sum of \$1,000, and a similar bond was named for the negro Grant. There was a warrant issued for Vance L. Wells, but he was reported by the officers to be out of the city. The charges against him are similar to those against Grant.

Against John H. Lange there are two indictments including three counts. The first of these counts is made under section two, chapter 44 of the Public Laws of 1913, and charges the defendant with "selling, exchanging, bartering, giving away for the purpose of direct or indirect gain and otherwise handling spirituous, vinous and malt liquors in the State of North Carolina."

The second and third counts charge that he "unlawfully, aided and abetted the sale for gain of spirituous vinous and malt liquors to John Doe, a person unknown to the affiant, thereby becoming a principal to said sale."

The same charges are made against Mr. Alexander, Gay Green and J. Baylis Rector, although there are only two counts against each of these included in one indictment. Vance L. Wells and Isadore Grant are charged with a direct sale to a person "unknown to the affiant."

At the same time that the order was issued for the arrest of these men Judge Carter issued capias ad testificandum for Pete Sevier, W. R. Messer, night watchman at the Battery Park hotel; Charles Nichols, a clerk at the hotel; George Albee, G. W. Tift and P. A. Hansom, clerks at the Langren hotel; O. E. Franklin, formerly manager of the Century Drug store, in whose name a license for the sale of liquor on prescription was held by the store, and Will W. Patton, formerly a bookkeeper at the Glen Rock hotel, of which J. H. Lange is owner.

Developments Wednesday were: the seizure of approximately 250 gallons of intoxicating liquors at the place of business of the Owl Drug Store, in the depot section, and the storing of the whiskey in the county jail, the placing of J. C. Moore, a South Main street furniture dealer, under a bond of \$1,000 to appear before Judge Carter to tell what he knows about alleged violations of the prohibition laws, the issuance of approximately 50 warrants for witnesses, whose testimony will be needed in the investigation now under way.

Governor Craig authorized a special criminal term of court, to begin December 15, to try the cases. This was opposed on the ground that Judge Carter having instituted the prosecutions some other judge should come on the scene to try the cases, so Gov. Craig has decided to allow a civil term, for which the criminal term was substituted, to stand, so that Judge Carter will not try the cases.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Bilious, Stomach Sour, Give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other of children's ailments, give a teaspoonful of "California Syrup of Figs," then don't worry because it is perfectly harmless and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough inside cleansing is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!

DOWN WHITE POND WAY

Oyster Supper Friday Night—Baraca Class Organized—Raising a "Paint Fund."

Correspondence of The Robesonian. Fairmont, Nov. 27—There will be an oyster and fruit supper at White Pond on Friday night, December 5th. The proceeds will go toward painting the school building. The public is cordially invited to attend.

Our school is progressing splendidly under the management of Miss Docia Watson and Miss Ora Pitman. Nearly all the children in the district are enrolled and all seem to be greatly interested in the work.

The Sunday school here is rapidly coming to the front. A Baraca class was organized last Sunday with eighteen members, and the membership committee has secured eight or ten new members this week. Mr. H. L. Britt was elected president of the class and Miss Docia Watson teacher. Miss Docia is a great help in the Sunday school, and we are glad indeed to have her with us. It was good of the Philathea class at Oakdale to agree to give her up for a while so she could help us. We appreciate it very much. Miss Dovie Britt is teaching the Oakdale Philathea class, and it is better than ever. The money for the library has been raised and the books are ordered. Come on folks and let's raise money to paint the building just as easily as we raised that.

Mr. Burnice Willoughby spent Saturday and Sunday with friends below Page's Mill.

Miss Ora Pitman spent Sunday in the Pleasant Grove section.

Mr. and Mrs. A. B. Horne visited relatives at Gaddy's Mill last Sunday.

Sunday and Day Schools Progressing Nicely—Death of Mrs. D. B. Lewis—Potato Crop Short.

Correspondence of The Robesonian.

Fairmont' R. 2, Nov. 27—Quite a number from this place are attending court at Laurinburg this week.

Our Sunday school is progressing nicely now under the supervision of our young superintendent, Mr. Margie Ivey.

Look out Barnesville! We are going to play a game of ball in the near future. You can come and spectate the game if you wish, as you do not care about playing yourselves.

The entire community was shocked by the sad and almost sudden death of Mrs. D. B. Lewis who died at the Thompson hospital Tuesday, November 25. She was a devoted Christian and a member of Barnesville First Baptist church, where she gave her heart to God. Several years ago and has trusted him as her only divine leader ever since. She leaves a husband and several children. The remains were interred in the cemetery beside Mr. Lewis' former wife who died in 1892. Funeral was conducted by Rev. D. P. Bridges, who delivered the sermon to a well filled church. Mrs. Lewis had been in failing health for a considerable time and returned to the hospital not many days ago for her last time. Although she had been in declining health, her death was unexpected.

Digging "taters" is a thing of the past in these parts and the crop seems to be on the short list this time.

The school here is making nice progress now under the leadership of Miss Bessie Johnson and Miss Dora King, our charming young teachers.

Coughs That Prevent Sleep.

"These coughs are wearing and if they hang on," can run one down physically and lower the vital resistance to disease. Mr. Bob Ferguson, 319 Pine street, Green Bay, Wisc., writes: "I was greatly troubled with a bad cough that kept me awake nights. Two small bottles of Foley's Honey & Tar Compound completely cured me." For sale by all dealers.
