

No matter how symmetrical nature has made a man he cannot appear graceful unless he is properly dressed in good fitting clothing made of first quality materials. Poor fitting clothes make a man LOOK awkward; poor quality clothes make a man FEEL awkward. Why spoil the joy of living, when WE can clothe you neatly in garments that will make you both look, feel and BE graceful and prosperous.

Be Sure You Get a Better Shoe

OVER \$4.00 less than the heels, counters and soles.

Why pay pure leather prices for such shoes when you never know they are adulterated until you wear them and find them unsatisfactory.

There is one way to be sure you are getting an honest leather shoe. Look for the "Star Brand" shoes with the star on the heel and the name on the sole.

"Star Brand" is the largest selling line of shoes in the world. Over seven million pairs sold during 1912. Every pair is honestly made of good leather. No substitutes for leather are ever used.

"Star Brand" shoes are made in over 750 styles—in all the different leathers—for men, women and children. A shoe to meet every demand, both as to style and grade.

Don't pay leather prices for paper shoes. Always ask for and insist upon "Star Brand" shoes. Only good merchants sell them. Don't just go into ANY store, but come direct to us. We are special agents for these well-known shoes.

THE ANSWER TO THE HEADACHE

BPO-Mal-Gine

"Cured"

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die, I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."

TAKE Cardui The Woman's Tonic

Cardui helps women in time of greatest need, because it contains ingredients which act specifically, yet gently, on the weakened womanly organs. So, if you feel discouraged, blue, out-of-sorts, unable to do your household work, on account of your condition, stop worrying and give Cardui a trial. It has helped thousands of women,—why not you? Try Cardui. E-71

SMITH'S BRIDGE ITEMS

No Money for Road Work.—About Through Gathering Crops—Other Items.

Correspondence of The Robesonian.

Smith's Bridge, Dec. 1.—The people generally are about through harvesting for this season; cotton picking is about a thing of the past.

Hunting is nearly a dead note on the swamp this season as the squirrels are only one in a place and they are too far apart.

A new entertainment is on the go-round in the community by the young people which they call "cotton picking."

Possom hunting seems to be good sport this season as some of the boys catch as many as six or eight in one night.

The weather for the last two weeks has been fine for gathering.

I would like for some one to explain how we are to get our roads worked. They are very badly in need. Bridges are in bad shape. If we ask the question why the roads are not worked the reply comes quick, "We haven't any money and our township is badly in debt." We think that a few more changes in the road law will put the whole shootingmatch on starvation and then.—Rev. A. J. Groves filled his regular appointment at Smith's church yesterday at 11 a. m.

Mr. C. F. Mitchell and Miss Lizzie Hamilton, teachers of the public school of this district, spent Saturday in Lumberton on business, Miss Hamilton remaining over to attend the Robeson Union Sunday.

Messrs. Grover Britt, G. W. Mercer and N. C. Long of Lumberton were visitors in the community Thanksgiving.

We are sorry to hear that Mr. Jas. G. Smith of this community is talking of moving to Lumberton.

From the looks of the place and the number of blocks, we guess that Messrs. White & Gough are getting ready to build another tenant house on the Smith farm.

CORTRIGHT METAL SHINGLE ROOFING.

Advertisements of the Cortright Metal Roofing Company have appeared in The Robesonian regularly since early this year, and any one interested in high grade, substantial roofing should get in touch with the company's local agents, the McAllister Hardware Co.

Cortright Metal Shingles have been in use for more than a quarter of a century and are said to be giving splendid satisfaction everywhere.

Clarkton News Notes—Sunday School Raises Money Picking Cotton.

Correspondence of The Robesonian.

Clarkton, Dec. 2.—Mr. and Mrs. S. Singletary, Jr., and little daughter spent Thanksgiving with Mrs. Singletary's mother, Mrs. Mary Stevens, near Councils.—Mr. William Monroe of Tar Heel attended Union at Shady Grove Saturday.—Mr. John W. Ward spent yesterday in Elizabethtown on business.

The Clarkton Presbyterian Sunday school gathered last Friday for a useful and enjoyable day and went to a near-by cotton field and spent the day, and the business firms responded very nicely and the day netted the Sunday school \$22, which will be used for some useful cause.

Miss Jennie M. Monroe of Tar Heel returned home yesterday after spending a few days with relatives here. Rev. N. L. Seabolt filled his last regular appointment here Sunday p. m. before the conference.

Coughs That Prevent Sleep.

"These coughs are wearing and if they hang on," can run one down physically and lower the vital resistance to disease. Two small bottles of Foley's Honey & Tar Compound completely cured me." For sale by all dealers.

Guarding Against Croup.
