WITHIN THE STATE.

Minor Matters of News Gathered From All Over North Carolina.

William F. McCombs gave his reasons the other day for declining the appointment as Ambassador to France. The post entails the expenditure of about \$150,000 a year," he said. "It pays \$17,500. I could not afford to accept it. I am going back to the practice of law and I hope to make some money."

Washington, Dec. 18—House leaders admitted today that tentative preparations had been made for consideration at this session of government ownership of telephone and telegraph lines.

Washington, Dec. 18—President Wilson will take a three weeks' vacation immediately after he signs the currency bill, which is expected to be on Monday or Tuesday. Where he will go has not yet been announced, though it is said he and his family will select a quiet spot on the coast of the Gulf of Mexico near New Orleans. It is known however that Asheville, N. C. and several other places have been considered.

Washington, December 18—The first Cabinet dinner under the present administration was given by President and Mrs. Wilson at the White House tonight. Besides members of the Cabinet and their wives or daughters, the Vice President and Mrs. Marshall, Secretary Tumulty and some close friends of the Wilson family were invited. Covers were laid for fifty.

Governor Craig expects to be in the executive office at Raleigh tomorrow to resume his duties. He has been greatly improved through the special treatment for rheumatism received at Hot Springs, Ark. Lieutenant Governor Daughtridge, acting Governor while he was away, declined to consider general applications for pardons or to transact any business that could wait for the Governor's return.

Crocodile Tears.

Charity and Children.

At a meeting of cranks in Philadelphia last week an anti-visionist named Frank Stephens took occasion to attack Dr. von Ruck of the city of Asheville, N. C. by holding up the poor children of the Baptist Orphanage at Troutville as frightful examples of the brutality that is practiced for the sake of medical investigation.

We hold no brief for Dr. von Ruck or Dr. Julian the perpetrators of this diabolical deed. They are able to take good care of themselves and have already done so; but when a long haired dreamer of dreams steps out of his way to discredit this institution and throw out dark hints as to the incompetence of its management, it becomes time for us to submit a few feeble remarks.

If this man Stephens had wanted the truth he could have secured it. But the truth is what he did not want. A postal card to the general manager would have carried him all the information he needed, but he did not write the postal or ask for the information. Information was precisely what he did not want, for it would have spoiled his little plan.

Not a child of the 262 inoculated has suffered the least inconvenience. The serum may be a good thing or it may be a fraud but it has not hurt anybody. There has been no funerals and nobody has missed a meal on account of it. Mr. Stephens is shedding his tears in vain. His swelling heart has swelled for nothing. We

HOW TO TAKE GOOD CARE OF YOUR HAIR

Nothing spoils your good looks so much as homely hair—stringy, dull-colored, harsh. Nothing adds to good looks so much as beautiful hair—soft, silky, wavy and glossy. No matter how beautiful your hair is now, you can improve its good looks by using Harmony Hair Beautifier. If your hair is homely and ugly now, Harmony Hair Beautifier will make it softer, silkier, glossier, more beautiful in every way. It also makes it easier to put up and helps it "stay put." Its rich rose odor hides the unpleasant, oily smell of the hair. Harmony Hair Beautifier is rightly named; it beautifies the hair.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet smelling cleanliness.

Both preparations come in odd-shaped, ery ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony perfumes and toilet preparations are made.—J. D. McMillan & Son, Lumberton, N. C.

hope that he has not put crepe on his hat and that the vision of child corpses piled 5 feet high has not haunted his dreams.

This man simply wanted to strike a blow at another and he thought he could use the orphanage to carry out his unholy purpose.

The general manager has crushed his fond hopes and put him in a deep dark hole.
