

## Eats Freely But Has No Dispepsia

A Little Pepsin in a Mild Laxative Promptly Corrected a Bad Indigestion.

Fortunate is the one who can eat anything without suffering the tortures of dyspepsia, but as few are so fortunate, care should be taken in the matter of diet. Eating slowly, masticating the food thoroughly and taking a short walk after the heavy meal of the day will do much towards assisting digestion. Any grown-up person ought to know the peculiar foods that do not agree, and these should be avoided.

When these common-sense aids fail, the next thing to do is to take a mild digestive tonic with laxative properties that there is none better than Dr. Caldwell's Syrup Pepsin. It contains the greatest of all aids to digestion, good pepsin. It has other ingredients that act mildly on the bowels, which together form a combination for the relief of dyspepsia or indigestion that is unsurpassed.

Its action is to tone and strengthen the stomach and bowel muscles so that they can again do their work naturally without outside aid, and when that happy moment comes all medicine can be dispensed with. It is the best remedy obtainable for any disorder of the stomach, liver and bowels for dyspepsia, constipation, biliousness, headaches, drowsiness after eating, gas on the stomach, etc. Thousands of users will testify to this, among them Mr. J. W. Goucher.

MR. J. W. GOUCHER.

er, Stites, Idaho, who for several years had the worst symptoms of chronic dyspepsia. Since taking Dr. Caldwell's Syrup Pepsin these have all gone, and although Mr. Goucher says he is 64, he does not look more than 40.

Syrup Pepsin is sure in its results, and a vast improvement over chewing or swallowing tablets and mints, or taking cathartics, salts, etc., all of which are harsh and nauseous and at best do but temporary good. You can obtain Syrup Pepsin at any drug store for fifty cents or one dollar a bottle. Results are always guaranteed or money will be refunded.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

### UNVEIL MOUMENT JUNE 10.

Memorial to Confederate Women Given by Col. Ashley Horne—Date 53d Anniversary Battle Big Bethel. The Horne Monument Committee which has been making preparation for the unveiling of the monument given by Colonel Ashley Horne to the State as a memorial to the Confederate women, has named June 10, 1914, as the date of the exercises.

The date is the fifty-third anniversary of the Battle of Big Bethel, the first great engagement of the war between the two sections of the country. In that battle fell Henry Lawson Wyatt, June 10, 1861. A monument to young Wyatt, one of the finest on the Capitol Square, was erected two years ago.

In this great fight, Col. D. H. Hill, afterward General Hill, was in command. Of the twelve hundred soldiers in that engagement eight hundred were North Carolinians. Dr. D. H. Hill, president of A. & M. College, a son of General Hill, has been asked to deliver the address and has consented, as have all others, who have been asked to take part in the exercises.

Colonel Long will present the monument and Governor Craig will accept it. Rev. E. A. Osborne, late Colonel of the Fourth North Carolina regiment, will make the invocation, and Rev. Dr. R. H. March, chaplain of the 26th North Carolina, will give the benediction. Prof. Henry Jerome Stockard will read the poem.

#### Invite Veterans.

The committee issued a cordial invitation to the Confederate soldiers of North Carolina to attend these exercises. The United Daughters of the Confederacy were also invited in the same way, and the hope is to have as many of both patriotic organizations as possible.

The committee issued these invitations of its own initiative and did not make request that city organizations invite the veterans to meet in Raleigh this year. But individuals in Raleigh will take this matter up. It has been some years since the soldiers came here, and the event, which is to be celebrated June 10th, is one that addresses an appeal to all North Carolinians.

Colds, constipation and headache are three common afflictions and relieving the constipation helps the cold and stops the headache. Use Foley Cathartic Tablets because they are prompt and thoroughly cleansing, with absolutely no unpleasant effects. A whole bottle full for 25 cents. All dealers.

### Must Send The Best.

Salisbury Post.

The Post said the other day that there is a likelihood of Governor Jarvis being in the next Assembly and the suggestion brought forth expressions of delight from other papers, notably The Charlotte Observer and The Greensboro News, each asserting, that the next Assembly, by all means should be made up of good strong men, and our suggestion that every county send its best men will be echoed from one boundary of the State to the other. A machinery bill will be passed this year that will be of perhaps more importance than any of recent years. We are voting on a constitutional amendment that revises our entire system of taxation and the law to put this section into action will be of wide significance and every community owes it to the State to send its best men of brain and experience in such affairs.

A stubborn, annoying, depressing cough hangs on, racks the body, weakens lungs, and often leads to serious results. The first dose of Dr. King's New Discovery gives relief. Henry D. Sanders, of Cavendish, Vt., was threatened with consumption after having pneumonia. He writes: "Dr. King's New Discovery ought to be in every family; it is certainly the best of all medicines for coughs, colds or lung trouble. Good for children's coughs. Money back if not satisfied. Price 50c and \$1.00. At all druggists. H. E. Bucklen & Co., Philadelphia or St. Louis."

And what he greatly thought, he nobly dared.—Homer.
