News Notes From Southern Presbyterian College.

Correspondence of The Robesonian.
Red Springs, Feb. 5.—The second quarterly recital of the students of the Southern Presbyterian College and Conservatory of Music was given on Monday evening, February 2nd, at eight o'clock, a large audience being present.

Miss Ellen Robinson, pianist, opened the concert with *Mystere*, Op. 57, No. 4 by Grieg, which was given with delightful tenderness, the piece presenting plaintive longing and restlessness throughout the whole. Au Rousseau by Schutt, her second selection, was very playful and dainty, being well rendered and showing good technique.

The Violin Quartets by Misses Allison Pearsall, Annie Johnson, Dickson Vardell and Louise Dixon was a fine group of ensemble work, the first, *Lullaby* by C. Lechmund, very tender and sweet and played with much feeling, and the second, *National Airs*, being composed of all the national airs, among which were "America," "The Star Spangled banner," and "Dixie," the last being played with so much verve and feeling that the audience could not keep from keeping time with their feet, and the house came down with applause at the close of the piece.

Miss Julia Thompson with brilliant execution rendered *Prelude in B Flat Minor* by Rummel and *Libellules*, Op. 24, by Chaminade. These were given with a degree of finish and fine expression, the last a bright imitation of a music box.

Misses Dickson Vardell and Louise Dixon gave a violin duet *Salut d'Amour*, Op. 12, by E. Elgar, which was full of quiet beauty and rendered with delightful sympathy, with each other. Miss Frances Davidson was accompanist, who displayed fine musical feeling.

Prelude in D Flat by Chopin and *Bourree in G Minor* by Bach were presented by Miss Belle Doub. She gave the theme of the work of the prelude application of Chopin's thought in her conception of work. The Bourree was given with a dainty playfulness, broadening into the full brilliancy demanded by Bach's wonderful old-fashioned dance.

Miss Ellen Robinson again appeared on the stage and sang *Sapphic Ode* and *Thou'rt Like Unto A Flower* by Rubinstein, with great sympathy and tenderness. Miss Ingham is a fine accompanist and gives just the right amount of support and perfect sympathy.

In conclusion, *Perpetuo Mobile* by C. Bohm by the Violin Quartet was a bright little movement, given with such perfection of attack and a fine ensemble that the audience demanded an encore upon which they gave a repetition. Miss Margaret Dixon was accompanist and furnished ideal support.

On Wednesday evening, January 28th, Miss Lois Faires, gave echoes from the Student Volunteer Convention which was held in Kansas City, from December 31st, to January 4th. Miss Faires gave the students here a message from the students of America and other countries and brought out the feeling of responsibility that college students should feel in the evangelization of the world in our generation.

On Sunday evening, February 1st, Miss Lois Heel conducted Y. W. C. A. services. Miss Heel is the office secretary of the South Atlantic Y. W. C. A. Committee. In the morning, she conducted the opening Sunday school exercises and made a short but helpful talk on the theme of the lesson—"Prayer." In the evening she spoke most effectively at the Y. W. C. A. meeting on the subject "Do You Row or Do You Drift?" applying this question to the four relations of a college girl's life: Her association work, class room work, friendships and personality. She became the personal friend of the girls and we hope to have her visit us again.

On February 5th, Dr. Frederick B. Wright of Washington, D. C. will give an illustrated lecture in the college auditorium, his subject being "Pre-Columbian Americans"; on February 6th he will lecture on "Development of Writing and Printing"; on the 8th he will speak on "Greenland" and on Sunday will talk on "Going to Church Around the World."

The music faculty will give their second recital in the College auditorium on Monday evening, February 9th.

SICK, SOUR STOMACH INDIGESTION OR GAS

Take "Pape's Diapepsin" and in Five Minutes You'll Wonder What Became of Misery in Stomach
Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you'll wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated as they eat their favorite foods without fear.
If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

A bond issue of \$50,000 has been decided upon by the executive committee of the North Carolina State Fair for the erection of a more modern exhibit building in Raleigh to take the place of the old agricultural building, erected in 1884, and a new and modern grandstand. There also is to be another extension of the grounds eastward.
