How Fairmont Has Grown.
During the past two and one-half years Fairmont has made remarkable progress. Here is some of it. The handsome Jones building containing two large store rooms, bank and post-office on the first floor. Several offices and large theater on second floor. Masonic temple on third. Mr. Jones deserves credit for building such a house. Messrs. E. G. Floyd and Marvin Floyd have added a handsome 2-story building, which is a credit to the city. Dr. Brown has built four other store rooms. Dr. F. H. Pitman has recently completed a nice two-story building and Messrs. Claud Floyd and W. A. Griffin have contributed each a store house. W. B. Brice & Son have added another brick addition to their business house. Mr. E. G. Floyd has erected a brick building which he uses as a picture show theatre. Then the two stores partially and wholly destroyed by fire have been rebuilt and improvement made on store houses by Messrs. Sam Dunie and E. V. McDaniel. Then a handsome brick church has been erected by the Baptists and practically a new building made out of the Presbyterian church. A large tobacco warehouse built and another in course of erection. A two-story concrete building erected by the Wilson Printing Co., for their business. Then we will not stop to tell about the long stretches of concrete pavement, electric lights, numerous residences, etc. Fairmont grows.

A Willin' Barkis.
Maxton Scottish Chief.
The Robesonian of yesterday refers to our townsman Representative H. C. McNair's condition of mind toward another term of the General Assembly. So far as we have been able to judge, he is ready to do whatever the people of the county want him to do about it. He does not regard it as a personal matter, but one entirely for the interests of the people. If they want him we believe "Barkis is willin'." He made a good record in the last Legislature—especially in the establishment of the recorder's courts, and we are sure that he is willing to stand upon it and defend it.

Health Work Has Been Successful.
Rowland Sun.
A few years ago when Robeson county began to spend money for health work and employed a superintendent of health for all his time, there were plenty of people who said that this was a needless expenditure of the public funds. But the health work has been so successful, and the public health in the county is so much better that it was before this work was started, that it would be hard to find a man who would be willing to stop making appropriation for this purpose.

Rebuilding Novelty Works.
St. Paul's Messenger.
Mr. Joe M. McNeill is rebuilding the Robeson Novelty Works on the lot adjoining his blacksmith shop. Mr. R. B. Humphrey will be connected with the business.

Drag the Roads.
Fairmont Messenger.
Roads are getting in very bad fix. A drag would not cost much, would not be expensive to operate and would insure good roads if used at proper time.

Four Americans Reported Killed in Mexico City.
Vera Cruz Dispatch, 25th.
El Dictamen, a Vera Cruz newspaper today said four Americans had been killed by mobs in Mexico City. It declared it had received this information from the Federal capital. Three of the American victims were taken out of the street cars and killed on the streets, while the fourth was killed in the Young Men's Christian Association building by members of the baseball team of which he was a member, according to newspapers. The information as to the massacre of Americans was not confirmed from any other source and was considered doubtful in many quarters.

The American May Magazine.
One of the most important contributions to the May American Magazine is a remarkable character sketch of Woodrow Wilson written by Ray Stannard Baker, who has been called "the greatest reporter in the world." Other highly interesting articles are: "Experiences of an Airman," by Augustus Post; "They Who Knock at Our Gates," a splendid article on immigration by Mary Antin, a brilliant young Russian Jewess; "The Auto Game in Homeburg," a humorous piece about automobiling by George Fitch, the famous Illinois comic writer; "The Business of being a Burglar," an actual thief's account of his adventures; and a "Husband's Story," in which a man who has been married 25 years begins an account of the trials and perils and successes of marriage. Fiction is contributed by Marjorie Benton Cooke, Hugh S. Fullerton, Elmer E. Ferris, and Gene Harrison. Humorous sketches are contributed by Kin Hubbard, Stephen Leacock, James Montgomery Flagg, and E. W. Howe. The Theatrical and interesting "People" departments are full of good things, and the prize-winning letters are published in the contest entitled "The Person Who Looks Like Me." In these letters remarkable cases of double identity are reported.

When baby suffers with eczema or some itching skin trouble, use Doan's Ointment. A little of it goes a long way and it is safe for children. 50c a box at all stores.

RUN-DOWN WOMEN

Find Health in a Simple Tonic.
How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and devitalized. Women are so active nowadays, and so much is expected of them, that they constantly overdo and suffer from headache, backache, nervousness and kindred ills. Such women need Vinol, our delicious cod liver and iron tonic without oil which will create an appetite, tone up the digestive organs, make pure blood and create strength. Mrs. Walter Price, Biloxi, Miss., says: "I was in a run-down condition for months, I had taken several medicines but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I began to improve until I am strong and well as ever." Try a bottle of Vinol with the understanding that your money will be returned if it does not help you DR. J. D. M'MILLAN & SON.

Corns Go, Sure Pop, If You Use "Gets-It"

Simple As A B-C. The New Way of Curing Corns and Calluses.
If you have corns now, the chances are you have never used "GETS-IT," the biggest seller among corn cures ever known. It is the new way, does away with all trouble, pain and fussing in treating corns. Thousands who have pattered with old corns for years, have gotten rid of them right off, with a few drops of "GETS-IT," applied as quick as you can spell your name. Corns just love to be cut, picked, filed, gouged and pulled. Quit it. You've tried cotton rings that cause shooting corn pains, greasy salves that spread over the toe and make it raw and tape that sticks to the stocking—now try "GETS-IT." It has none of the drawbacks of the old style corn cures, causes pain and never falls on any corn or callus. "GETS-IT" is sold by all druggists, 25c a bottle, or sent direct, by E. Lawrence & Co., Chicago. "GETS-IT" is sold in Lumberton by POPE DRUG COMPANY.
