J. I. STONE, SR., PASSES

Mt. Eliam's Foremost Man and Church Worker Goes to His Reward—Funeral Tuesday Attended by Large Crowd.

Mr. J. I. Stone, Sr., 72 years old, died at his home, near Mt. Eliam, Monday at 3:15 p. m. of heart trouble. Mr. Stone's health had not been good for some time, but he was attending to his duties until Sunday night, when he was taken seriously ill, and but little hope was entertained for his recovery. The funeral services were conducted from the residence Tuesday afternoon at 3 o'clock by Rev. I. P. Hedgpeth of Lumberton. Revs. M. A. Stephens and Paul T. Britt and Mr. Frank Gough also made remarks, paying high tribute to the deceased, and the remains were laid to rest in the family burying ground near the home. There were hundreds of people in attendance at the funeral, people from all sections of Robson county. The floral offerings were many and beautiful.

Deceased was a princely man, a man who was first in everything that was right and good. As somebody remarked, "the section in which he lived has never known many like him." He was the life of the community. He was a man who had his God, his church and his country at heart. He was for more than half a century clerk of the Mt. Eliam church and during the entire time was never absent from his monthly conference but twice. He loved the church and Sunday school and put his life into it. He was a deacon of the church, and was for many years superintendent of the Sunday school and at the time of his death was teacher of the Bible class in the Sunday school. He is dead but his influence will live in the community in which he lived and labored for good, for years to come. He was a father to the whole community. Deceased is survived by his wife and five children.

Miss Winifred Mason, a graduate of the Post-Graduate hospital, New York, is superintendent of nurses, having been in charge since January 1 this year. The number in the school at this time is 12, but will at an early date be increased to 15. Miss Maude Watts graduated Tuesday and will leave Sunday for Durham where she will stand examination in the Watts hospital for a registered nurse, and will at an early date take a special course in the New York Post-Graduate hospital.

The Thompson hospital was organized in the year 1906 and has had a steady growth since that time. Dr. N. A. Thompson is president and general manager of the hospital. It is modern in every respect and is an institution of which the people of Lumberton and surrounding country are proud.
