COULD NOT STAND ON FEET

Mrs. Baker So Weak—Could Not Do Her Work—Found Relief In Novel Way.

Adrian, Mich.—"I suffered terribly with female weakness and backache and got so weak that I could hardly do my work. When I washed my dishes I had to sit down and when I would sweep the floor I would get so weak that I would have to get a drink every few minutes, and before I did my dusting I would have to lie down. I got so poorly that my folks thought I was going into consumption. One day I found a piece of paper blowing around the yard and I picked it up and read it. It said 'Saved from the Grave,' and told what Lydia E. Pinkham's Vegetable Compound has done for women. I showed it to my husband and he said, 'Why don't you try it?' So I did, and after I had taken two bottles I felt better and I said to my husband, 'I don't need any more,' and he said 'You had better take it a little longer anyway.' So I took it for three months and got well and strong."—Mrs. ALONZO E. BAKER, 9 Tecumseh St., Adrian, Mich.

Not Well Enough to Work. In these words is hidden the tragedy of many a woman, housekeeper or wage earner who supports herself and is often helping to support a family, on meagre wages. Whether in house, office, factory, shop, store or kitchen, woman should remember that there is one tried and true remedy for the ills to which all women are prone, and that is Lydia E. Pinkham's Vegetable Compound. It promotes that vigor which makes work easy. The Lydia E. Pinkham Medicine Co., Lynn, Mass.

Constitutionalists Win Important Victory.

General Carranza was officially advised late today of the fall of Guadalupe before the Constitutional forces Wednesday at noon. The news was received with the utmost elation at Constitutional headquarters, where it was regarded as preliminary to the occupation of Mexico City itself.

General Alvaro Obregon, Constitutional commander in his dispatch to General Carranza, reported that the Federals had been completely routed and that he was in control of the entire city, including the Federal Palace. Five thousand Federals had been taken prisoners, according to Obregon's report and the retreat toward Mexico City of those who escaped had been cut off by troops of the Command of General Blanco, de-toured from Ameca to destroy the Federal lines of communication. Much ammunition, arms and supplies was captured.

Martin County Woman Admits Killing Her Husband.

Mrs. Elizabeth Early Johnson, who was arrested and placed in jail at Williamston last Wednesday on the charge of killing her husband, Joe Johnson, on the night of July 4 in Martin county, admitted Thursday that she killed him. She said that he made life unbearable by continually accusing her of infidelity; that they had been separated several times but that each time he begged her to return and live with him and she consented; that when they started to church on the night of the killing she wrapped a pistol up in a bundle with her 15-month-old baby and when on the way to church he began to talk about her she could stand it no longer and took out the pistol and shot him. She at first claimed that some unknown man shot from ambush. She maintains that she was true to her husband and that he had no grounds for his accusations.
