**Crowed So Hard He Busted His Gall.**  
Mr. B. N. Parish, who lives in Wishart's township, was among the visitors in town Friday. Mr. Parish says a fine rooster, which he would not have sold for any reasonable price died in a rather peculiar manner one day recently. He said the rooster was enjoying the best of health apparently, and was out in the yard crowing, having crowed twice, and when he tried to crow the third time he fell dead. Mr. Parish, through curiosity, operated on the rooster and found that his gall had burst. Mr. Parish thinks it was caused by loud crowing.

**Delightful Porch Party Given by Mrs. Irvin Jenkins.**

Reported for The Robesonian. Delightfully informal was the porch party given by Mrs. Irvin Jenkins at her home on Caldwell street Tuesday evening from 9:30 to 11 o'clock, complimentary to the members of the Young Matrons' Club and their husbands.

The spacious porches, attractively arranged and lighted by Japanese lanterns, presented quite a festive air and it was indeed a gay company that greeted the hostess at the entrance. Mr. Jno S. McNeill and Mr. J. R. Poole led the way to the punch bowl, which was arranged at a charming angle of the porch and presided over by Mrs. McNeill and Mrs. Poole.

After the arrival of the guests, quotations were matched for partners in a progressive debating contest, such grave questions as "Resolved, That husbands shall spend all their evenings at home," and "Resolved, That wives no longer obey their husbands," being ably discussed, the ladies taking affirmative, the gentlemen, negative. At the conclusion of the game it was found that Dr. John Knox had proved himself the most gifted orator of the occasion and in recognition of this distinction was awarded the prize in a few happy remarks by Mr. W. K. Bethune. Refreshments, consisting of ice cream, cake and mints, were served by Misses Mildred Williams and Louise Townsend.

**How the Candidates Stand On Resolutions Adopted at Mass Meeting in Lumberton July 18.**

To the Editor of The Robesonian: As to the resolutions, I want to say:

I favor heartily any measure that offers relief to the taxpayers. I am willing, if the people desire to abolish the treasurer's office.

I do not favor abolishing the rural police but think some better central should be had of them and perhaps let them take the place of deputies. I am not a judge of what are adequate salaries, but think some of them higher than is necessary.

I am opposed to lobbyists and so declared myself in last campaign.

I believe we ought to inquire into the commission government, but time to adopt this is at a distant day.

I favor the repeal of the labor clause in the road law and opposed it in Raleigh.

I am in favor of a legalized primary.

H. C. MacNair, Maxton, N. C., July 23, 1914.

M. Shepherd.

To the Editor of The Robesonian: In reply to the committee on reform resolutions, will say, that as far as the resolutions relate to economy and honesty in the administration of our county government, I heartily concur.

Some of the methods by which the resolutions contemplate bringing about reform are questionable and as a whole, I can not endorse them.

I will say however, that I endorse a majority of them.

Ornum, N. C., July 23, 1914.

N. J. McRimmon.

To the Democratic Voters of Robeson County:

Being asked to express how I stood on the resolutions adopted by mass meeting held in Lumberton on Saturday, the 18th day of July, I submit the following answer:

As to resolution No. 1, I am in favor of it. As to resolution No. 2, I am in favor of with the exception of rural police, and believe them to be a benefit to some parts of the county, and think it should be left to the recorder's court districts as to whether they wish them or not. I am heartily in favor of recorder's courts.

As to resolution No. 3, I am in favor of the salaries of our county officers being placed at a fair and reasonable amount. As to No. 4, I am in favor of it. As to No. 5, I do believe that the commission and manager form of government is gaining in popular favor with the people and I am in favor of some change in the management of our county affairs that will lessen the taxes of our people. As to No. 6, I favor. As to No. 7, I am in favor of primaries. No. 8 I favor. No. 9 I favor.

Lastly, I am in favor of all legislation and laws as will tend to the best interest of the masses of the people of my county, both financially and morally, and especially as to such laws as will lessen the burdens of the taxpayers of Robeson county.

Maxton, N. C., July 22, 1914.
