## ANNUAL REUNION CONFEDERATE VETERANS

ST. PAULS MAKING PREPARATIONS TO ENTERTAIN OLD SOLDIERS ON A GRAND SCALE JULY 30—MASON'S WILL LAY CORNER STONE OF GRADED SCHOOL BUILDING SAME DAY.—PROGRAMME.

The annual reunion of the Confederate veterans of the county will be held at St. Pauls Thursday and the folks in and about this section are making great preparations for the occasion. On the same day the Grand Lodge of Masons of North Carolina will lay the corner stone of St. Pauls' new graded school building. There will be a baseball game and other attractions, beside a big public dinner to which everybody is cordially invited. All in all, this is expected to be by far the biggest occasion ever in the history of St. Pauls. The good people of this section of Robeson county have always had a reputation for entertaining on a high order and for this occasion they are trying themselves. This is the first time that St. Pauls has ever had the old soldiers and the town is making every effort possible to make it pleasant for the "boys of the 60's." Preparations are being made for the entertainment of from 3,000 to 10,000 people. The public is cordially invited to come and as many as will are asked to bring baskets. A very long table is being erected.

Mr. H. E. Stacy of Lumberton will be the speaker of the day and he needs no introduction to a Robeson county audience.

Following is the programme:

10:30—Parade. Form at depot, Procession march up Broad street to Stage road, down Armfield to Fourth street; thence to graded school building. Order of procession: Mounted marshals, Mr. James A. Johnson, chief; floats, carrying girls; automobiles, carrying veterans.

Formation of ranks by officer of the day, Gen. F. A. Bond.

Prayer—Rev. J. A. Snow.

Address of welcome, Mr. John S. Buller.

Response, Maj. T. J. Wooten.

Introduction of speaker, Rev. J. M. Wicker.

Address by Mr. H. E. Stacy of Lumberton.

1 p. m.—Dinner.

2:30 p. m.—Laying of corner stone of graded school building by Grand Lodge of Masons of North Carolina.

4:00 p. m.—Baseball game: Fairmont vs. Raeford.

As may be observed from the above program, there will be much doing in the hustling and wide-awake town of St. Pauls Thursday.

The town of St. Pauls is making ready for entertainment and the command of its people is "come and participate in the joys of the occasion."

### Physician Shot by a Blease Sympathizer.

Dr. J. H. McIntosh was shot and painfully wounded at Columbia, S. C., Thursday by an unknown assailant. Dr. McIntosh's name recently was brought into the sensational campaign in South Carolina by an interview he issued stating that a man paroled by Governor Blease had been feigning paralysis. Gov. Blease had stated that he would call Dr. McIntosh to the stand when the Senatorial candidates spoke in Columbia on the 23d and answer a question asked at Greenville as to his statement regarding the paroled man. Dr. McIntosh stated that his assailant shouted as he fled, "Now you won't bother Colie tomorrow." A reward of \$5,000 has been offered for the arrest and conviction of the man who shot Dr. McIntosh by J. W. Norwood, a Greenville, S. C., banker.

### Libel Suit for \$50,000 Against Roosevelt.

Oyster Bay, N. Y., Dispatch, 24th. Theodore Roosevelt after renewing his attack on Wm. Barnes, Republican state chairman, begun to day the work of preparing his legal defense in the \$50,000 libel suit begun against him by Mr. Barnes. The action was a result of the Colonel's recent statement alluding to the chairman and Chas. F. Murphy, leader of Tammany Hall. In that statement the former president attacked so-called "boss rule" in state politics and favored the candidacy of former State Senator Harvey D. Hinman for governor. Colonel Roosevelt today engaged to defend him the New York law firm, Bowers and Sands, which acted for him in the trial last year of his libel suit against the Michigan publisher, who charged him with being an inebriate.

## To the Tobacco Growers of Robeson and Adjoining Counties:

### GENTLEMEN:

On our opening sale of Tobacco July 23rd, we were delighted with the showing made. We had on the floor very near 25,000 pounds, this being considerable more tobacco than any other house in this section had at their openings. Our people realize that for the past several years they have had little competition in the way of markets. We will make this market one of the very best in this section, no matter what others may say.

There was some dissatisfaction created entirely by some of our competitors on our opening sale. This was done not only by warehousemen from other markets but with the assistance of many hired men to try and destroy this market in the beginning, as they realized that we were getting too good a start, better than others, right at once. Ordinarily we would pay little or no attention to such treatment, but this being done by our competitors, as an assault in the dark, we are forced to tell you what we know. For several hours before our sale many warehousemen were stationed on the roads leading to and from Lumberton who made it their business to try to displease and dissatisfy every farmer who had a load of tobacco for our market. They were not satisfied with doing this dirty work before the sale but had the nerve to go on our floor during the sale and whisper in confidence to the farmers "It's selling too cheap," then after the sale for several hours these same parties were stationed at the same points at the road crossings and tried to continue their assault. These men were Paid men, warehousemen, men who had only one aim in view, that was to destroy so they could reap the harvest. Better watch such men.

We attended to her opening sales in this section and are prepared to say—for we know—that tobacco of the same grades brought as much and in some cases more than other markets paid for the same grades. We will always GUARANTEE YOU FULL PRICE for your tobacco, no matter whether you come or send we will treat you right.

On and after the 28th of July we will have a full corps of buyers from the American, Imperial, Export and Leggett & Myers, also many other buyers from the independent dealers, who will have as high prices as can be gotten on any market. They all buy for the same companies and have the same prices. Bring us some good tobacco any day after the 28th, and let us show you what we can and will do. We will get the price for you (trash never was worth anything.) We will treat you right and satisfy you if anybody can.

Don't be fooled by some man who is connected with some other warehouse (he gets pay to have you go some where else). Come to see us and see if we don't always work for your interest. Bring us a load of tobacco on the 28th, or any day thereafter, except Sunday.

Thanking you for the confidence you had in me heretofore and assuring you I will always do for each and every man my very best (I have no pets), I am, Yours for fair treatment, honest weights and high prices,

## H. T. Beasley, Manager Lumberton Tobacco Market
