MOTHER! IS CHILD'S STOMACH SOUR, SICK?

If Tongue is Coated or if Cross, Feverish, Constipated Give "California Syrup of Figs." Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has "stomachache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet. Keep it handy, mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages; and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig-syrup.

CALOMEL IS MERCURY, IT SICKENS! CLEAN LIVER AND BOWELS GENTLY

You're Bilious! Your liver is sluggish! You feel lazy, dizzy and all knocked out. Your head is dull, your tongue is coated; breath bad; stomach sour and bowels constipated. But don't take salivating calomel. It makes you sick, you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will cleanse your sluggish liver better than a dose of nasty calomel and that it won't make you sick. Dodson's Liver Tone is a real liver medicine. You'll know it next morning because you will wake up feeling fine your liver will be working; your headache and dizziness gone, your stomach will be sweet and your bowels regular; You will feel like working; you'll be cheerful; full of vigor and ambition. Dodson's Liver Tone is entirely vegetable, therefore harmless and cannot salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

'Pape's Diapepsin Ends Indigestion, Gas, Dyspepsia and Stomach Misery in Five Minutes

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs, or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what please you most, is that you will feel that your stomach and intestines are clean and fresh and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's diapepsin" cranks as some people will call them, but you will be enthusiastic about this splendid stomach preparation, for you even take it for indigestion, gas, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

SUCCESSFUL MEN

LELAND STANFORD Digging horsehush out of the home garden, starting it miles to the nearest market and making money out of it was the first financial deal of Leland Stanford. He was a "man" six years old at the time. After he got through the district school he wanted to study law, but had no money. He chopped his way to the bar by clearing a piece of woodland for his father. Here is the cue to his success. He was a first class "clear the way" man. After being admitted to the bar he went to Fort Washington, Mich., where a fire destroyed his all. He then went to California where he became a merchant. His business acumen foresaw the mighty power of a Pacific railroad binding the nation. He engineered it and became its first President. Although a colossal in railroad, business and politics, he loved his ranch and vineyard at Palo Alto, and besides all this he never forgot the power of education as shown by the magnificent university he founded in life he never summed his childhood's trait of facing things manfully better than in his death. Passing away peacefully, he left all in perfect order. A "man" at six, he was a giant at 69.

Clearing The Way

Beginning early in life and preparing the way for the next step is what made Leland Stanford so successful. Every Man and Boy in this community can be prepared for the good things that cross his pathway by simply starting a bank account and identifying himself with The Farmers and Merchants Bank, "The Home of Savings"
