MEXICAN FACTIONS MUST SET-TLE DIFFERENCES

President Wilson Calls on All Factions in Mexico to "Accommodate Their Differences" and Set Up a Government That Can be Recognized-Failure to Unite in Movement for Peace Will Constrain Means Should be Employed." Washington Dispatch, 2d.

President Wilson, in the name of publicly called on all factions in Mexico "to accommodate their differences" and set up a government that can be accorded recognition.

Failure to unite in a movement to bring peace to Mexico, "within a short time," it was announced in a statement telegraphed to Generals Carranza, Villa, Zapata and others, would constrain the United States will be arranged. to "decide what means should be employed" to save the people of the southern republic from further devastations of internal warfare.

Everywhere-in official and diplomatic quarters and among Mexicans of varied leaning-the statement was and find out if there will be a mill ucation, made addresses. Both and "At the Dawning", a vocal so- the sponsor of the South interpreted as meaning that the operated in the county. United States would bring pressure to bear first to unite the factions in the choice of a provisional president and failing to bring all elements together*would give its active support to those elements which did agree. day in July. 🏓

Ultimate intervention was considered possible but only if a hopless condition of anarchy followed with no remedy from within the republic.

Orders for the American troops along the border to co-operate with the Red Cross in getting food supplies to starving Mexicans probably will be issued at the War Department this week as a result of a conference late today between President Wilson and Miss Mabel Boardman. Beenuse of interruption to communication between Vera Cruz and Mexico City is it understood efforts will be made to get food to the capital from the northern border.

State Department advices today announced the issuance of a Villa decree establishing courts of justice in the Villa territory effective May 24.

Marked Change in Policy

The statement marks a departure and his cabinet and a study of the eign nations have been taken into the confidence of the United States and approval of the plan. In South American circles, it was declared today's statement was a logical development of the mediation conference at Niagara Falls when the United States with Argentenia, Brazil and Chile signed a protocol agreeing to recognize the government set up by agreement of the factions.
