SUPERIOR COURT

Carlyle Will Case Continued to December—Two Divorces Granted—2-Weeks' Civil Term Begins.

A two-weeks' term of court for the trial of civil cases convened this morning at 10 o'clock with Judge H.W. Whedbee of Greenville presiding. The following out of town attorneys are attending court today: Messrs. B. F. and S. B. McLean and G. B. Patterson of Maxton, Ex-Governor W. W. Kitchen of Raleigh, Bland and Bland of Burgaw. Mr. Wm. E. Lynch of South Carolina, who has located at Rowland, was sworn in as an attorney this morning. He was presented to the court by Attorney R. A. McLean of Lumberton.

Only two cases were tried at the morning session—G. W. Locklear vs M. M. Locklear and W. A. McShaw vs Lonie McShaw, both divorce cases in which divorce was granted. It was expected that a most interesting case would come up for a hearing today. This is one in which an effort will be made to break the will of the late Miss Thesia Carlyle, sister of the late Jno. B. Carlyle. The amount involved is said to be about \$70,000. Mr. K. M. Biggs is the executor and will be represented in the case by the law firms of McIntyre, Lawrence & Proctor and McLean, Varsar & McLean of Lumberton. The caveators are represented by Messrs. Britt & Britt of Lumberton, Bland & Bland of Burgaw, and Ex-Gov. W. W. Kitchen of Raleigh. The case has been continued till December 13 on account of the fact that some of the heirs had not been made parties to the suit.

TOOK SHOT AT HEAD

Frank Lowrey Charged with Taking Pot Shot at Jno. Oxendine—In Jail.

Frank Lowrey, Indian, charged with taking a shot at Jno. R. Oxendine, also Indian, some two weeks ago, was arrested in Hoke county last night and is now resting in jail here. Lowrey had been evading officers since the alleged shooting took place at the home of Oxendine in Howellsville township. It is said that Oxendine had his head out of a window at his home and that Lowrey took a shot at it, the ball entering a post right near Oxendine's head. Sheriff R. E. Lewis, Deputy A. H. Prevatt and Rural Policemen L. H. Townsend brought Lowrey to jail.

Germany Fails to Satisfy U. S. in Arabic Case.

Washington Dispatch, Oct. 3. Germany has failed to satisfy the request of the United States that the sinking of the Arabic with a loss of American lives be disavowed and liability for the act assumed by the imperial government. This became known after a conference tonight between President Wilson and Secretary Lansing at which the latter submitted a note given him yesterday by New York by Count von Bernstorff, the German Ambassador. No announcement was made after the White House conference. Secretary Lansing declined to say what the next step would be, but it was learned later the German Ambassador would be asked to come to Washington soon to receive the view which the American government takes of the last German note. Count von Bernstorff is fully authorized by his government to conduct the submarine negotiations.

May Teach Saturdays—425 Pupils in Graded School.

Superintendent R. E. Sentelle of the graded schools says that recently the teachers have been grading the work done by the pupils on Monday and the work done on the other four school days and comparing same, and says that Monday's work will not anything like compare with the work of the other days. He expects in the near future to try the plan in use in high schools and colleges—that is, teach on Saturday and observe Monday as a holiday. There are now 425 pupils enrolled and everything is moving along in good order.

W. Lennon of Lumberton Appointed Referee in Bankruptcy.

Hon. H. G. Connor, judge of the Eastern District of North Carolina, last week appointed Woodberry Lennon of Lumberton, as referee in bankruptcy for the fifth division of the Eastern District, which comprises the counties of Robeson, Scotland, Richmond, and possibly others. This position has heretofore been held by Mr. Geo. H. Howell of Wilmington. This appointment adds greatly to the convenience of the bar of this District by having referee in bankruptcy nearer the home of the practitioners.

Naval Officers Believe Hesperian Wrecked by Mine.

Washington Dispatch, Oct. 3. Naval officers assigned to examine pieces of metal said to have been found aboard the Allan liner Hesperian before she sank off the Irish coast, September 4, are virtually convinced that the vessel was wrecked by a mine. Their findings will be submitted to Secretary Daniels this week.

J. M. Powers, engineer, was run over and killed by his own train near Mount Olive Saturday, according to a dispatch from that place. With his engine going at slow speed Powers left his cab to remove a log on the track ahead. His death was discovered when his engine ran wild into the camp of a lumber firm by which Powers was employed.

CRISIS IN BALKAN SITUATION

Russia's Ultimatum Gives Bulgaria 24 Hours to Break Off Relations With Central Powers—Paris Claims Capture of New Territory—Teutonic Allies Claim Progress in East—Nothing Decisive.

Press Summary. The crisis in the Balkan situation has been reached. Russia's ultimatum to Bulgaria has gone forth. King Ferdinand's Government, it says, must openly break off relations with the Central Powers, and dismiss the German and Austria officers with its army, or the Russian Minister and Consuls will be withdrawn from Bulgaria. The note sent by Russia to Bulgaria sets forth that the presence of German and Austrian officers in Bulgaria, the concentration of troops on the Serbian border and the acceptance of financial support by Bulgaria from the Teutonic Allies, leave no doubt as to the object of Bulgaria's military preparations and declares that Russia therefore cannot sanction by the presence in that country of her Minister "preparations for fratricidal aggression against a Slav and Allied people."

While the Bulgarian Premier is reported in a semi-official statement as saying that Bulgaria is not threatening any of her neighbors and still hopes for a pacific settlement "which will take her interests into account," an Athens dispatch reports that the Quadruple Entente Powers have withdrawn their professed concessions of Macedonian territory to Bulgaria and that an "Anglo-French expedition is about to be landed at Saloniki with the approval of Greece."

It is reported from Italy that the chief of the Italian general staff has conferred with the Italian Cabinet Ministers with reference to a possible Italian expedition to Balkans, sufficient troops for which are concentrated at Baidisi.

On the western front from the North Sea to the Vosges Mountains there have been artillery bombardments, infantry attacks, fighting by means of bombs and grenades and aerial raids by both sides.

The only claims of a capture of territory is made by Paris, which asserts that in Artois the French have taken a German blockhouse and entrenchment to the south of the Givenchy wood. Berlin acknowledges the loss of a few yards of trenches to the French near Neuville, but declares that a British attack north of Los was repulsed with heavy casualties and that the French offensives east of Sochez and in Champagne were beaten back.

Allied aeroplanes have bombarded the station, railroad bridge and military buildings at Luxembourg. Berlin says the French dirigible airship "Alsace" has been forced to make a landing near Retvel and that its crew was captured by the Germans.

Along the eastern the Germans and Austrians still claim that they are making progress against the Russians but no great engagements have occurred anywhere in this region.

Switzerland has ordered the assembling of several squadrons of cavalry which will be stationed along the German frontier.

VIOLENT EARTHQUAKE SHOCKS

Railroad Tanks Thrown Down in Nevada But Little Other Damage Done.

San Francisco Dispatch, Oct. 3. There were no further seismic disturbances today as a result yesterday of a series of earthquakes, believed to have originated in the Wasatch fault, underlying the Wasatch mountains in Utah. The severest shock was at 10:56 last night. The quakes were felt in Utah, Nevada, California, Oregon and Idaho. So violent were the tremors in Nevada that railroad water tanks along the Southern Pacific were thrown down. At Baker, Ore., and at Sacramento and Fresno, Cal., buildings swayed and residents rushed into the streets. The disturbances reached as far north as Victoria, B. C. In San Francisco the shocks were barely perceptible.

Although the vibrations were unusually strong and the duration of the shocks alarming, comparatively little damage was caused.

Nowhere except in Nevada was real damage, according to reports received tonight. Hot Springs at Gerlach, Nev., were dried up by the earthquake while similar springs at Galena, 200 miles east, rose six inches and the flow increased.

At Carson City, Nev., the canal was severely shaken and the night watchman fled to the street. The Federal building at Carson City was jarred and plaster was knocked down.

Woman Supervisor for Colored Schools.

Maggie Truman, colored, of Durham arrived last night to take up the work of supervising the colored schools in Robeson county. The duty of the supervisor will be to visit the colored schools, to spend a few days at each school giving instructions in sanitation and to help the teachers in grading and classifying the students. As has been mentioned in The Robesonian, the matter of employing the supervisor was taken up by the county board of education at its last monthly meeting and it was decided to employ Maggie Truman for the position. She seems to be well qualified for the position, having attended the A. & M. for colored at Greensboro, also the Hampton Institute, at Hampton, Va.

DEAD MAY EXCEED 300

Relief Vessels Searching Storm-Stricken District—Refugees Bring Stories of Hardship and Suffering New Orleans, Oct. 3.

Scores of relief vessels despatched from almost every point along the Louisiana and Mississippi gulf coasts today were searching the storm-stricken district where hundreds of persons were reported marooned and without food as a result of Wednesday's hurricane. The list of known dead still stood at 202 early tonight but it was believed that the total death list will be well above 300 as more than 100 persons are reported as missing.

Refugees were arriving on every boat, bringing with them stories of hardship and suffering. In nearly every instance they were being landed with no belongings other than the clothes they wore. Most of them were penniless.

Committees in charge of the rescue work were still sending out vessels with supplies as rapidly as boats could be obtained and it has been arranged to forward large quantities of food and clothing to central supply stations to be established throughout the stricken area.

Conditions in New Orleans were being improved rapidly. Telegraph and telephone companies today had succeeded in running nearly a score of wires into New Orleans from points where interrupted communication had been maintained through the storm. The cotton and other exchanges which ceased operations Wednesday when telegraphic communication with the outside world was interrupted will resume trading tomorrow, it was said.

New Orleans La., Dispatch, Oct. 1.—Reports from scattered sections of the storm swept area in Louisiana and along the Mississippi Gulf Coast tonight placed the number of known dead at 149; reported dead 106, and missing 103. The property damage will run into millions.

The known dead in Louisiana included: New Orleans and environs, 24; Rigolets, 21; Lake Catherine, 22; Near Frenier, 25; eight drowned in sinking packet Hazel, near Grand Isle.

Reported dead and missing in Louisiana: Shell Beach, St. Bernard Parish, 16; Island de la Croix, 22; Yaloshy, 15 (negroes).

Couriers by boat and train as well as mail advices brought in reports of tremendous property loss and rumors of many drowned along both sides of the Mississippi river south of here.

Boat passengers arriving today from Empire, about 50 miles down the Mississippi, reported that only four large houses still stood at Empire and that about 200 persons were marooned in them. The State Conservation Commission here started a rescue vessel for that point. Many inhabitants elsewhere were reported marooned and some were said to be clinging to tree tops. Relief vessels were sent to rescue them.

Bay St. Louis, Miss., on the Mississippi Gulf Coast, reported one dead and property loss heavy. Houma, La., and Burwood, the most southerly point on the Gulf Coast, reported no loss of life.

Twenty-one were known to be dead at Rigolets and 22 at Lake Catherine, both small places a few miles west of the Mississippi-Louisiana State line, according to W. O. Powell, one of 12 survivors who arrived here today. Fifteen negroes and one white man were reported dead at Shell Beach and 22 white persons at de LaCroix Island, both small settlements in St. Bernard Parish, south of here.

Reports of 25 dead between Frenier and Des Arc, on the west shore of Lake Ponchartrain, was confirmed today by a railroad man arriving at Hammond, La.

George Linden, engineer, the sole survivor of a party of nine passengers and crew of the Grand Isle Packet Hazel, who arrived here today, floated 15 miles on a piece of timber before being picked up by a passing vessel.

Of the 21 persons known to be dead at Rigolets, three were white persons and 18 negroes.

John Eads of Norfolk, Va., cabin boy, was among the white persons aboard the packet Hazel, when the steamer capsized near Grand Isle. Others aboard were: Mrs. Raoul Coulon and her child; Capt. Charles Mathis, master of the vessel; and three deck hands.

Advertising Fair at Fayetteville.

Mr. R. M. Jackson of Fayetteville was in Lumberton Friday in the interest of the 53rd annual fair of the Cape Fear Fair Association, of which association he is secretary. The fair will be held October 26 to 29, inclusive, and Mr. Jackson says it is expected that it will be the best fair yet held at Fayetteville. An attractive premium list has been arranged and Mr. Jackson says they want lots of exhibits from Robeson.

Farewell Party at Broad Ridge.

Special to The Robesonian. Broad Ridge (Orrum, R. 1), Oct. 4.—There will be a farewell party given by Mr. and Mrs. T. L. Bissell at their new home on Broad Ridge, Tuesday night in honor of E. C. Bissell and K. M. Britt, who will leave Wednesday for Illinois. Friends are invited to come.

—Mr. B. C. Smith of Wakulla is among the visitors in town today. Mr. Smith reports times "getting better" up his way.

PARKTON PARAGRAPHS

Church Notes—High Prices for Cotton and a Warning—Social and Personal.

Correspondence of The Robesonian. Parkton, Oct. 1.—Rev. H. B. Porter, pastor of the M. E. church here, left Monday for Carthage circuit, where he will be engaged in revival work. He will be away three or four weeks. He will assist in a meeting at Stedman and the following week at Rasford.

Rev. Mr. Wallace of Page's Mill, S. C., filled the pulpit at the Baptist church here Sunday and Rev. J. L. Jenkins filled the pulpit at Fason's in place of Rev. Fred Collins, Mr. Collins being engaged in revival at Pages Mill. There will be Rally Day at the Presbyterian church here Sunday morning, also State Mission Day at the Baptist church.

Tonight every car that could go has gone to Fayetteville to the big show. It is a strange thing to my mind that church members can spend so much money theatre-going and run their pastor on crop time, and some never pay at all.

Next week we all expect to take in the Chautauque at St. Pauls. St. Pauls is to be congratulated on such high-class attractions. If our town could afford a merry-go-round we would shout. But never mind, just wait a few weeks until our minstrel gets ready and then we will make things hum.

Mr. A. M. Culbreth left Wednesday evening for Tower, Ga., and his brother H. B. Culbreth left Monday for Davidson College. It will be remembered that their father Mr. D. C. Culbreth was buried last week.

Quite an extensive social affair at the elegant home of Mr. J. P. Watts tonight, a birthday party in honor of his sister-in-law Miss Ethel Johnson. Mrs. Justin McNeill and small daughter Helen Marie of Lumberton came over Sunday night and will spend several weeks visiting homefolks.—Mr. J. W. Williamson was a visitor to Fayetteville today, also Mr. P. H. Fisher.—Mr. Lentz and Miss Forest Lancaster of St. Pauls were visitors to our town Wednesday evening and of course extensively advertised the St. Pauls Chautauque. No doubt it is the most extensively advertised attraction ever came this way and a general patronage is predicted.—Miss Bessie Cashwell left today for High Point, where her school will begin Monday.

A new millinery establishment just opened up in the second floor of the Perry building, Miss Estella Byrne proprietor.

Mr. J. S. Birmingham, pharmacist of Rockingham, has a position with the Parkton Pharmacy, and is welcomed to our town; also Mr. Wilson Jones of Rockfish has accepted a position with Cobb & Johnson and is a hustling good jolly fellow. Mr. Jones formerly lived here when a school boy and he numbers his friends by his acquaintances.—Mr. A. B. Andrews of Fairmont has a position with Mr. T. W. Thompson, the parlor grocer and cotton buyer. Mr. Andrews is a promising young man and a braver fellow never trod shoe leather and undoubtedly can make a home run, just a little sooner than the other fellow.—Miss Pearl Stubbs holds the board at the central phone office, day operator, while Mr. Johnnie Ferguson speaks "Hello" at night and we have no complaint of the service, but it is getting better all the time.

The high price of cotton should not affect the acreage for another season, not at all, and the farmers everywhere should continue to make cotton only as a surplus crop.

Another baby to report, arrived at the home of Mr. and Mrs. J. J. Cobb on the 30th, a fine girl, as fine as silk, says J. J. We place them on the honor roll.

Our townsman Mr. J. B. McCormick has just finished filling his silo for the season.

Mr. D. H. McCormick has been honored with one of the most prominent positions of the Cumberland county fair, that of the live stock supervisor, and a more competent person could not be found, as he is some judge of live stock. Parkton may not have a fair in some years to come, but we promise to have one of the largest baby shows next Fourth July you ever saw, sure as you are born.

Mr. J. G. Hughes had the misfortune of losing a tobacco barn last week and its contents.

Sorry to report Mr. M. B. Hayward on the sick list yet.—Mr. G. W. Bullard made a flying trip down in Georgia this week.—Mr. J. D. McRaine, a progressive farmer of the St. Pauls section, was a business caller in town this afternoon.

Listen for the wedding bells, sure enough.

Elrod Echoes—Movements of the People.

Correspondence of The Robesonian. Elrod, Oct. 2.—Mr. D. A. McCall and daughter Miss Rubie, were in Maxton Saturday.—Mrs. George Lamm and children have returned to their home in Wanchula, Fla., after visiting relatives here.

Dixon, small son of Mr. and Mrs. R. D. Jones, who have been quite sick, is improving.

Mr. D. D. McCall has gone to Tampa, Fla., on a pleasure trip.—Miss Gussie Mitchell of Fairmont was in Elrod last Monday.—Miss Della Mae Smith of Rowland spent Sunday in Elrod.—Mr. M. L. Adams of Rocky Mount is spending a few days with his parents here.—Mr. R. H. Poole was in Rowland Tuesday.

SUNDAY SCHOOL INSTITUTE

Annual Meeting of Mt. Eham Institute—Large Crowd and Delightful Occasion—A Strong Organization—Officers—Next With Broad Ridge School.

The weather was ideal for the occasion and several hundred people attended the annual meeting of the Mt. Eham Sunday School Institute held at Center Saturday.

The exercises, which were held in the grove, were opened with song service at 10:30 a. m. A Scripture lesson was read by E. J. Britt of Lumberton, president of the institute and Mr. W. J. Wilkerson offered the opening prayer. The roll of the schools was called and the following were represented: Mt. Eham, Long Branch, Center, Hog Swamp, Smyrna, Barnesville, and Oak Dale, the only two not being represented being the East and West Lumberton schools. Two songs and two speeches by children from the various schools were offered before the noon hour.

At 12:30 the crowd was dismissed and partook of a sumptuous dinner, which was spread on the grounds. After everybody had feasted to his or her satisfaction and a while had been spent in recreation, the crowd reassembled and two more songs and speeches were presented from each school represented. Quite a number of songs by children, also beautiful speeches, supplemented the program. Both the music and the speeches furnished were ideal, refreshing and highly entertaining.

This organization, which is perhaps one of the strongest Sunday school organizations of its kind in the world, is now more than thirty years old, and though most of the lamented Sunday school workers, such as Jno. W. Ward, J. J. Britt, J. I. Stone, Sr., Amos Britt and many, many others, have gone to their reward, the organization still lives and is sowing good seed that will mean much to the future generations.

The following officers were elected for the ensuing year: president, E. J. Britt of Lumberton, re-elected; vice-president, R. R. Barnes of Barnesville, re-elected; secretary-treasurer, I. F. Britt, re-elected; assistant secretary-treasurer, S. Thad Stone of Mt. Eham. The following were elected as the executive board: E. B. Stone of Mt. Eham, W. J. Wilkerson of Center, W. H. Lamb of Long Branch, S. F. Britt of Hog Swamp, R. R. Barnes of Barnesville.

The order of the crowd was praiseworthy and everything moved along like clock work.

Saturday was indeed a good day for the hundreds of Sunday school people who gathered at Center.

The next annual meeting will be held with the Broad Ridge school Saturday before the first Sunday in October, 1916.

Married After Many Trials and Disappointments.

After trying in vain for many hours and riding many miles, Mr. Rowland C. Stone and Miss Flora Lawson, both of the Broad Ridge section, were happily married at a late hour Saturday night. Mr. Stone first tried to get license here, but being refused on account of the fact that the bride-to-be was under age, he hired an auto and made his way to Whiteville, taking the girl along, but was refused in the same manner at Whiteville. However, where there is a will there is a way, and where there is true love there is a will, so the bridal party and the auto driver made a cross-country drive to Dillon, S. C., and it was there that the license was secured and the few words that made two hearts happy were spoken. The party arrived back here about 11 o'clock Saturday night. It was of course, a runaway affair.

Notices of New Advertisements.

75 acres land for sale near Orrum. Man wanted to help at dairy.

Notice of sheriff's sale under execution.

Notice of dissolution of firm of Edmunds & Barnes.

Farm for sale. More extensive service is assured for Ford owners—Robeson Auto Co.

Notice of sale of land for town. Cottage for rent. Reward for return of hound dog.

"Chain Tread" tires—People's Garage. Program at Pastime.

Among the Sick.

Mr. P. P. Green, who underwent an operation for head trouble at the Cumberland General hospital in Fayetteville two weeks ago, returned this morning to Fayetteville for a second operation. Mr. Green has been getting along nicely since the first operation and hopes to be completely and permanently relieved by the second operation.

Washington, Oct. 3.—The War Department tonight announced that there was little prospect of reopening the Panama Canal before November 1. Since the channel was blocked by a slide from the east bank north of Gold Hill September 20, the movement has continued steadily, pouring earth and rock into the water while the dredges worked away in a vain effort to keep it open.

COTTON AND COTTON SEED

Middling cotton is worth 11 1-4 cents the pound on the local market today; strict middling 11 1-2 cents. Cotton seed are bringing 52 cents the bushel.

BRIEF ITEMS OF LOCAL NEWS

—An additional room is being built at the Baptist parsonage, Sixth and Walnut streets.

—The regular meeting of St. Alban's Lodge No. 114 will be held tomorrow evening at 7:30.

—A fine baby, a girl, was born to Mr. and Mrs. H. H. Anderson at their home, Sixth and Pine, last night.

—The board of county commissioners and the county board of education are in session today and quite a number of people are in town.

—The Robeson Auto Co. has installed a 600 gallon Wayne self-measuring gasoline tank on Chestnut street, near the office and storage rooms occupied by the company.

—Mr. R. D. Caldwell left Friday for New York and Baltimore, where he will spend several days buying goods for the large department store of R. D. Caldwell & Son.

—Dr. W. O. Edmund and Mr. J. C. Barnes, who had been conducting a grocery store on West Fourth street, have dissolved partnership and Dr. Edmund will continue the business alone.

—Mr. D. R. Britt and family, formerly of Robeson, but who have been living at Bolton for some time, passed through town today en route to Dunn, where Mr. Britt has accepted a position.

—Tax Collector H. H. Redfearn is advertising in this issue land to be sold on November 1 for town taxes. It is not a long list, which would seem to indicate that people have been paying taxes, despite the late lamented hard times.

—Mr. J. H. Felts, Jr., manager of the Robeson Auto Co., left Saturday for Charlotte where he will make arrangements for another shipment of Ford autos, for which this company is the agent. Mr. Felts says he could sell any quantity of Fords if he was able to get them as fast as orders come in.

—A small blaze which started in the dust house at the plant of the Kingsdale Lumber Company Friday night about 11 o'clock was put out by the members of the mill fire company before any damage had been done. The first whistle at the mill gave the alarm and many from town hurried out to the mill, but found on their arrival that the fire had been extinguished.

—License has been issued for the marriage of Harvey Taylor and Cora Britt; Willie Edwards and Dollie Edmonds; Pete Miller and Mittie Grimsley. License was issued during last month for 36 couples and a number were turned away with sad and aching hearts because of the fact that their beloved ones were under age and the parents would not arrange the proper credentials.

—Messdames Irving Jenkins, N. A. Thompson and L. T. Townsend will go tomorrow to Charlotte to attend the nineteenth annual convention of the United Daughters of the Confederacy, which will be held in that city four days, beginning tomorrow. Messdames Jenkins and Thompson are delegates from the Robeson Chapter, U. D. C., and Mrs. Townsend goes as manager of the children's chapter.

—Mrs. R. E. Sentelle and daughter, Miss Helen, arrived last week from Prof. Sentelle's country home in the mountains near Waynesville, where Mr. Sentelle and family spent the summer. Mrs. Sentelle brought some most delicious apples from Mr. Sentelle's orchard, some that are equal in taste and appearance to any to be found anywhere. This reporter was presented with some of the apples—that's why he is in position to know so much about them.

—Mr. Grover Williamson, who lives with his father, Mr. S. G. Williamson, on route 4 from Lumberton, brought in even one dozen sweet potatoes that grew on his father's farm Friday that made a nice bushel. Mr. Williamson walked off with the prize offered for the largest potato when the exhibit was held in Lumberton last fall and will no doubt have some extra large ones on exhibition at the Farm Products and Poultry Exhibit to be held in Lumberton Wednesday, Thursday and Friday, November 10, 11 and 12.

—Mr. E. S. McNeill, who has been at work for the Du Pont Powder Co. at the plant at Hopewell, Va., near Petersburg, came home Friday night and left again last night for Petersburg. Mrs. McNeill will join him at Petersburg in a few days.

—Mr. McNeill said he had a sample of gun cotton along and was going to bring a piece around to The Robesonian office to show it and illustrate how it explodes—not that he has anything against anybody in the office but just to show how. But he did not do it and maybe if he had everybody in the office would have treated a hasty retreat.
