NUMBER 76

YOUNG MAN MYSTERIOUSLY DISAPPEARS

Joseph P. Smith Disappeared Last Night From Home of His Father J. W. Smith, 2 Miles East of Town—Relatives and Friends Mystified and Uneasy.

Mr. Joseph P. Smith disappeared mysteriously from the home of his father, Mr. J. W. Smith, who lives 2 miles east of town on rural route No. 5, last night about 6:30 o'clock and his relatives and friends are uneasy about him. They are at a loss to explain his disappearance.

After helping his brother Mr. Croston Smith hitch up his horse preparatory to starting to church, Joseph entered the front door of the house, walked through and went out the back door, saying nothing to anybody, and none of his family or friends has seen or heard of him since. Mr. Croston Smith told Joseph to see that the chickens were fastened up, and he evidently performed that duty before disappearing. He had on his everyday clothes and had in his pockets not more than \$2, it is thought. He is a young man who is not at all given to being out at night, which makes his disappearance all the more strange to his people. He is 20 years old, 5 feet 4 inches tall, and has black hair and brown eyes.

SUPERIOR COURT

Judge Whedbee Instructs Grand Jury to Indict Road Trustees Who Have Not Filed Proper Reports—Also After Those Who Have Failed to List Taxes.

Superior Court, a one-week term, convened this morning at 10 o'clock for the trial of criminal cases. Judge H. W. Whedbee of Greenville presiding and Solicitor S. B. McLean of Maxton, representing the State. The grand jury was duly empaneled and Mr. E. L. Hamilton was chosen foreman. Mr. Geo. Barnes was chosen officer. The following out-of-town attorneys are attending court today: Solicitor S. B. McLean, Messrs. G. B. Patterson, J. P. Wiggins, H. A. McKinnon, B. F. McLean, Maxton; Messrs. J. A. McLean, Q. K. Nimocks, Fayetteville; J. S. Butler, St. Pauls.

Aside from the usual charge to the grand jury, Judge H. W. Whedbee, in his charge this morning requested the jury to examine the records and bring indictment against all the county road trustees who had not filed the proper required reports with the county auditor. He also requested that they examine the list books and bring suit against all who failed to list their taxes. There are a number of the road trustees in the various townships who have not filed their reports as required by law, also there are a large number of citizens who have failed to list their property. No doubt there will be something doing after the records have been gone over by the grand jury.

Y. M. C. A. COMMITTEES

Old Baptist Church to be Put in Order and Equipped at Once for Y. M. C. A.

The following committees were appointed by the Baraca class of the First Baptist Sunday school yesterday to put the Y. M. C. A. into working order: to look after cleaning the building and putting it in shape, Messrs. Ed Pons, Jasper Rowan, H. E. Hood, G. T. Page; to buy fixtures and equip gymnasium, Messrs. E. J. Britt, Earl Thompson, C. Guy Townsend; to prepare and equip reading room, L. R. Varsar, E. M. Johnson, F. Grover Britt.

As has been mentioned in The Robesonian, the Y. M. C. A. will use the old Baptist church building, Fifth and Walnut, for the present. While the building and affairs of the association will be in charge of a board of officers appointed by the Baraca class, the association will be open to all denominations and those who do not belong to any church. Definite details as to how the affairs will be handled will be worked out later.

The committees will go right to work and it will now be only a short time before the young men of Lumberton will have a place where they can spend their evenings in a profitable and pleasant manner.

Breeders' Sale Wednesday

Maj. A. J. McKinnon of Maxton has nearly 100 head of stock ready in pens for the breeders' sale which he will conduct at his place near Raemon Wednesday of this week. All that is needed to guarantee success is good weather and good attendance. The object is to distribute breeding stock by auction sale and incidentally to have a good time. This no doubt will be a profitable and pleasant occasion for all who attend.

Bumper Potato Crop

While it had been expected that the potato crop in Robeson was a bumper one, the farmers, most of whom have been digging for the last week, say they never saw so many and they so large. That sounds good.

The cornerstone of the \$65,000 building of the Woman's Club of Raleigh was laid last week.

Raleigh News and Observer, 5th: With the Governor of North Carolina as presiding officer and with felicitations from educational institutions from this and other States, the State School for the Blind yesterday celebrated its seventieth anniversary. Exercises were held in the auditorium.

SUMMARY OF THE WAR NEWS

American Note to Great Britain Calls Blockade of Entente Allies "Ineffective, Illegal and Indefensible"—Further Teutonic Successes in Serbia—New Greek Cabinet Formed.

The American note to the British Government on Great Britain's interference with American trade has been made public. It calls the blockade of the Entente Allies "ineffective, illegal and indefensible", and declares that the United States cannot "with complacency suffer further subordination of its rights and interests."

It insists that the relations between the United States and Great Britain be governed "not by a policy of expediency but by those established rules of international conduct to which Great Britain in the past has held the United States to account when the latter nation was a belligerent in a struggle for national existence."

The Teutonic Allies have further bent back the Serbian line in the North. They have captured the important town of Kralievo, on the railway to the east of Cacak; are standing before the town of Krusevac, on the railway 32 miles northwest and have advanced past Slatina in the western Morava valley. The Bulgarians have forced a passage of the Timok river at Krivivier. In the South Paris reports that the French troops in the vicinity of Rastrovo have consolidated the positions they have taken and that near Krivolak violent attacks by the Bulgarians have been repulsed.

The Montenegrin official reports records the repulse of Teutonic invaders near Grahovo with heavy losses, but Vienna asserts that all Montenegrin attacks have failed. In the fighting in France in the region of the Somme and Oise rivers, the French have captured German posts near Andrechy and repulsed German attacks near Beuvraignes. There have been engagements in Champagne, in the Argonne forest and in the Vosges. Petrograd claims a successful attack by the Russians and the forcing of the Germans to evacuate Ohai, southwest of Riga; the occupation of a German position in the cemetery near Laour on the left bank of the Dvina and the capture of German second line trenches on Lake Sventin. Berlin in admitting the occupation of these trenches says the Russians later were expelled from them.

A new Greek Cabinet has been formed with M. Skouloudis as Prime Minister and Minister of Foreign Affairs, in which all the members of the Zaimis Ministry retain portfolios, except M. Zaimis. It is believed in Athens that the Chamber will be prorogued in 10 days which would make it possible to avoid a dissolution of Parliament and the calling of new elections.

Earl Kitchener, the British War Minister, visited Paris and conferred with Premier Briand, Minister of War Gallieni and General Joffre before he departed for the Near East.

Among the Sick

Miss Ida Mae Sessoms returned Friday from the Presbyterian hospital, Charlotte, where she spent five weeks under treatment. Her condition is greatly improved and her many friends are delighted to see her able to be out.

Mr. N. H. Jones, Jr., returned Friday from Wilmington, where he had been under treatment of Dr. Walker. Mr. Jones' many friends will be pleased to learn that his condition is improving.

Mrs. H. B. Jennings returned Friday from Columbia, S. C., where Elizabeth, her 9-year-old daughter, has been under treatment at the Columbia hospital for some time. She reports the condition of Elizabeth greatly improved. Mrs. Jennings will return to Columbia Wednesday to be with her daughter.

Kitchener Goes to Near East

Field Marshal Earl Kitchener, British Secretary of State for War, and the leading military figure in Great Britain today, is on his way to the scene of the fighting in the near east, where it is expected he will delve deeply into conditions an adopt measures by which the Allies hope to work the situation out of the tangle in which it appears to be involved at present.

London newspaper opinion generally seems to be that Earl Kitchener's chief activities from now on will be in the field or at least close to the scene of actual hostilities. In some quarters there is the positive expressed opinion that he will not again return to the War Office, acting possibly as chief or as a leading figure of a general staff for the Allied forces.

Mr. and Mrs. W. S. Britt returned yesterday morning from their bridal trip and are at home to their friends. Mr. and Mrs. Britt will board with Mr. and Mrs. A. F. Ward, who live in Mr. Britt's residence, Elm street. As has been mentioned in The Robesonian, Mr. and Mrs. Britt were married at the home of the bride in Kershaw, S. C., on October 20, since which time they have visited Richmond, Va., Washington, D. C., New York, Albany, Niagara Falls, Toronto, Canada, and other Northern cities.

Twelve men and girls lost their lives Saturday in Brooklyn, N. Y., in a fire that destroyed an old building. Search of the ruins is expected to uncover the bodies of other victims. Forty were injured and taken to hospitals and many of these are expected to die.

PREMIUM LIST READY

Premium List for Exhibit to be Held in Lumberton Next Month Will be Ready for Distribution Wednesday

The premium list for the Farm Products, Poultry and Live Stock Exhibit which will be held in Lumberton December 2, 3 and 4 is now ready for the press. Attractive premiums will be offered for exhibits of various kinds and no doubt the occasion will be a big affair. Any one desiring to get a copy of the list can get same by applying either at The Robesonian office or at the Freeman Printing Company's office after Wednesday of this week. Get a copy and prepare to have something on an exhibition.

MEDICAL SOCIETY MEETS

Page's Pellagra Theory Endorsed—Officers Elected.

At a called meeting of the Robeson Medical Society held in the court house here Wednesday of last week the following officers were elected for the ensuing year: president, Dr. T. L. Northrop, St. Pauls; vice president, Dr. R. G. Rozier, Lumberton; secretary-treasurer, Dr. W. L. Grantham, Lumberton, re-elected; censors, Drs. T. C. Johnson, A. B. Croom, R. D. McMillan, Dr. W. A. McPhaul was elected a delegate to the State Association, Dr. H. H. Hodgin, alternate. Dr. E. L. Bowman of McDonalds was admitted into the society.

The pellagra situation was thoroughly discussed and County Health Officer B. W. Page's theory was endorsed by the society. A committee was appointed to draw up resolutions in regard to pellagra. These resolutions, which disagree with the Goldberger theory, will be published in Thursday's Robesonian.

The next meeting of the society will be held in Lumberton the first Wednesday in January.

FIRE ALARM AND RUNAWAY

Excitement On Streets Friday Afternoon—Big Horse Answers Fire Alarm—No Damage.

Fire which started in a pile of corn with the shucks on it, which W. J. Hooper, colored, had placed in his kitchen at his home across the railroad from the Seaboard station, caused quite a bit of excitement Friday afternoon about 3:30 o'clock. The fire, however, had been extinguished by a bucket brigade before the fire company arrived on the scene and before any damage had been done.

To add to the excitement, "George", one of the town's big horses, decided it was his business, as usual, to go to the fire and he came down Elm street from Fifteenth to Second at full speed. George was hitched to the trash wagon and Mr. Murk Watts was in the wagon, but all he did was to stay in the wagon and ride. He stopped the horse, however, when he pulled him into the cemetery near the Seaboard station. The run, like the fire, only caused a little excitement and resulted in no material damage.

District Convention of Odd Fellows at Vineland Thursday of This Week

Addresses by Grand Master Thos. L. Green, of Waynesville, and Grand Secretary B. H. Woodell of Raleigh, at a public meeting on Thursday night will be one of the big features of the district convention of Odd Fellows which will be held at Vineland Thursday afternoon and evening. Representatives from Pender, Sampson, Duplin, Robeson, Columbus, Brunswick and New Hanover counties will attend the meeting. The public meeting will be of especial interest to the people of that progressive town.

The representatives who are expected to attend from Lumberton Lodge No. 245 are Messrs. P. P. Green, W. O. Edmund and J. H. Floyd.

Box Supper at Shannon Was a Success

Shannon, Nov. 6—The box supper held at the Shannon school house Friday night, October 29, was a success in every way. Miss McKinnon's and Mr. Thomson's aim to give every one a good time and make some money for the school must have been realized. In fact the proceeds netted nearly fifty dollars. The building was decorated in green and lighted with Japanese lanterns. The boxes were all very pretty and sold well. Miss Sudie Shook was voted to be the prettiest girl and therefore, received the \$18.50 cake. Several corners were decorated for such things as a candy booth, beauty exhibit, going fishing and U. S. postoffice. Then the Bounds string band pleased the crowd with their music. We hope to have other as enjoyable community gatherings.

Box and Oyster Supper at Back Swamp Friday Evening

There will be a box and oyster supper at Back Swamp school house Friday evening of this week at 7:30 o'clock. The proceeds will be used for the benefit of the school. The public is invited.

Fire at Hickory Saturday night caused property loss estimated at \$100,000. The plant of the Hickory Manufacturing Co. was completely destroyed. How the fire originated is matter for speculation. An entire city block was burned over and much lumber and finished mill work destroyed in addition to the mill.

NEWS AND OBSERVER BURNED OUT

Entire Plant of Raleigh Morning Paper Destroyed by Fire for Second Time in Less Than 3 Years—Uzzell Printery and Valuable State Records Also Destroyed.

Raleigh News and Observer, Nov. 7. Completely laying waste the printing plants of E. M. Uzzell & Co. and the News and Observer, flames, discovered at six o'clock yesterday morning wrought havoc to the amount of \$300,000 property loss on the block of West Martin street between Salisbury and McDowell. With the fire of the flames to these two buildings came additional destruction by fire and crumbling walls to the Wake Shoe Company, the Crystal theatre, H. S. Storr Company, Raleigh apartments, Baptist Book Store, J. L. O'Quinn, Wright's hotel and the Shepherd building. Falling walls injured firemen H. L. Peebles and D. C. Lloyd, who dropped three stories through the roof of the Crystal theatre and then came out unaided from the debris. They were sent to the hospital where Lloyd, more seriously injured, remains. Peebles, with his injuries attended to, came back to the scene of the fire. The only other injury of the day was that to Mr. W. H. Bagley, business manager of the News and Observer, who had his arm badly cut by glass when he was rescuing important records from the burning building.

Insurance played a large part yesterday in preventing complete loss. All buildings and stock damage save that of J. L. O'Quinn was insured to some extent. He allowed the policy to run out recently and neglected to renew. While there is little way of knowing the exact figures of losses and insurance, estimates have been made unofficially as follows:

E. M. Uzzell & Co., \$170,000, including damages to building, equipment and State property stored there, partially insured; News and Observer, \$100,000, partially insured; Wake Shoe Co., \$8,000, with \$5,500 insurance; Crystal theatre, \$5,000 with \$2,000 insurance; H. S. Storr Co., \$2,000, full insurance; Raleigh apartments, \$10,000, fully insured; Wright's hotel, \$500, fully insured; Shepherd building, \$500, fully insured; J. L. O'Quinn, \$500, no insurance; Baptist Book Store, \$3,500, partly insured.

In the Uzzell building much of the loss was incurred by the State in Supreme Court reports, records, books, and stock for State printing. According to statements by State officials the loss to the State will amount to \$60,000 and of this only \$19,000 is covered by insurance. The amount was limited on account of the apportionment of funds of the State for the purpose of insuring State property. None of the loss is regarded as entirely irreparable.

This is the second time that The News and Observer has been burned down. The other occasion was on April 24, 1913. The fire then started at 6 o'clock in the afternoon when a great crowd of people were on the streets returning from the Carolina League baseball opener. It was nine o'clock before the flames were subdued.

Then as on yesterday Mr. John A. Park, publisher of the Raleigh Times, promptly placed his plant at the disposal of The News and Observer and the tender was gratefully accepted. The paper appeared without missing an issue, though in somewhat reduced form.

Now Officially Named Flora MacDonald College

Raleigh News and Observer, 6th. Final steps were taken yesterday in changing the name of the Southern Presbyterian College and Conservatory of Music to the "Flora MacDonald College" when, following the action of the Presbyteries of Orange and Fayetteville in the Synod of North Carolina, certificates of change of name was filed with the Secretary of State. The Scottish Society of America of which Governor Locke Craig is now president is in the midst of a campaign to raise an endowment for the institution at Red Springs.

STATE NEWS

Whiteville News Reporter: A company has been organized at Cerro Gordo for the purpose of equipping an up-to-date flour mill. This mill is to be, in every particular, of the most modern make. Its capacity will be twenty-five barrels per day, and with a slight change in arrangement can be made to produce fifty barrels per day.

A 2-weeks' term of Federal Court will convene in Wilmington tomorrow, Judge H. G. Connor presiding.

Prof. N. W. Walker, supervisor of the State high schools, spent Wednesday of last week in Robeson county. Prof. J. R. Poole, county superintendent of schools, accompanied Prof. Walker to the Philadelphia farm life and high school, where Miss Lillian A. Ferguson of Lumberton made pictures of the school building, the barns and other buildings about the farm from which slides will be used by Prof. Walker in illustrated lectures which he proposes to make in different parts of the State.

Three trainmen were killed in a rear-end collision of freight trains near Charlottesville, Va., on the night of the 2d.

Mr. J. B. McCormick of Parkton is a Lumberton visitor today.

COTTON MARKET

Moved Last Week Within Comparatively Narrow Range.

The cotton market last week moved within a comparatively narrow range—34 to 40 points—and closed at a net loss of 61 to 65 points. Liquidation was the main depressing influence, but toward the close the bulls claimed the long interest had been well cleaned out.

Late in the week trading was somewhat restricted because the census bureau report on ginning was to be issued Monday. Continued good weather over the belt, absence of any special spot demand and the small export movement were factors against the market, but at no time after Tuesday was important selling power developed. On Tuesday prices fell about \$2 a bale, chiefly in sympathy with the break in New York.

A supporting influence was firmness of interior spot holders and many traders expected this to increase in importance this week. It was contended that producers were in a better position than spinners to remain out of the market. Money is plentiful and holders can get the funds to carry their cotton for an indefinite period, while manufacturers must, before long, make arrangements for their season's supply.

The one great bear argument was that eventually spot cotton must be pressed for sale and with the approach of the holiday season many traders of this persuasion expect to see offerings increase, with a consequent lowering of values.

COTTON AND COTTON SEED

Middling cotton is selling on the local market today for 10 5-8 cents the pound; strict middling 10 7-8. Seed, 53 cents the bushel.

THE DEATH RECORD

Jane Locklear
Jane Locklear, aged 20 years, died yesterday afternoon at her home about four miles from town on the Carthage road. She had been suffering for some time with tuberculosis.

Infant Son of Mr. and Mrs. David Britt
Van Rexford, the 10-months-old son of Mr. and Mrs. David Britt died at the home of his parents, near Long Branch, Saturday afternoon after suffering for some time with colitis.

Notice of New Advertisements

Legal notice of sale of real estate—T. A. McNeill, commissioner.

Legal notice of re-sale of real estate—James D. Proctor, commissioner.

Complete line of merchandise of late J. P. McNeill to be sold at give-away prices.

The L. E. Tyner jack.

Breeders' sale near Raemon November 10.

Program at Star theatre.

Program at Pastime theatre.

Townsend Bros. can suit you with shoes and hose.

Potatoes Linked Together—A Curiosity

Mr. J. L. Prevatt brought Saturday to the Robesonian office from his farm near Buie two sweet potatoes which grew each of them through a separate link of a piece of trace chain containing two links. The potatoes were naturally chained fast together and the only way to get them apart would be to break or cut them. While something just like it may have happened in the past, it is right much of a curiosity.

As a result of "snagging" an automobile as it was backing to make a turn near the graded school building Friday morning, David Shooter, small son of Mrs. Ed Shooter, fell off and one of the rear wheels passing over his body. While he was somewhat shaken up, he is able to be out on the streets today. The boy seems to be the only one upon whom any blame can be attached as neither the driver nor the others in the car saw the boy until they heard him cry out.

Dr. T. B. Ayers of Proctorville is among the visitors in town today. Dr. Ayers says that Mrs. Joe Bullard and Mrs. E. V. Britt of route 1 from Orrum gave birth to a fine girl each this morning. Mr. Britt was with Dr. Ayers and of course was wearing a broad smile.

Mr. and Mrs. A. W. McLean returned Saturday night from Baltimore, Md., where about a month ago Mrs. McLean gave birth to a fine girl. Mr. McLean went to Baltimore last week to accompany Mrs. McLean and children home.

Benjamin Spivey, a fireman, was killed and 8,000 bales of cotton were killed and badly damaged or destroyed in a fire that consumed a compress at Augusta, Ga., on the 3d. The loss is estimated at near \$500,000.

BRIEF ITEMS OF LOCAL NEWS

License has been issued for the marriage of Geo. Lane and Donnie Urevatt; Wilbur Britt and Cora Hardin.

Special meeting Lumberton chapter R. A. M. this evening at 7:30 o'clock. Work in R. A. degree.

A special meeting of St. Alban's Lodge No. 114, A. F. & A. M., will be held tomorrow evening at 7:30 o'clock. Work in the third degree.

Mr. A. Weinstein returned Friday night from a business trip to Baltimore and New York to purchase goods for his large department store.

The Civic Association will meet Wednesday afternoon at 4 o'clock at the graded school building. All ladies of the town are invited to attend.

Mrs. R. W. Wallace, who had been a guest at the home of her brother-in-law and sister, Mr. and Mrs. C. V. Brown, since Friday returned to her home in Wilmington yesterday.

Mr. K. S. Monroe of Maxton has accepted a position in the dry goods department of Messrs. White & Gough's department store. He began work Wednesday of last week.

Mr. W. C. Prevatt, who lives out Buie way and who was in town Saturday, says he found a 7-pound potato on his place the other day and that he never saw the like of potatoes before in all his life.

Mr. J. A. Brown of Chadbourn, candidate for Congress, is a Lumberton visitor today. Mr. Brown looks the picture of health, fit for any sort of race, and seems well pleased with prospects concerning his candidacy throughout the sixth district.

Mr. and Mrs. E. I. Poole returned Friday night from Fairmont, where they attended the marriage of Miss Bettlin Floyd and Mr. James Galloway, an account of which wedding is given elsewhere in this paper. The groom is a nephew of Mrs. Poole.

Attention is called again to the fact that dinner will be served at the court house, in the commissioners' room, every day during court this week by ladies of Chestnut Street Methodist church. By getting your dinner at the court house you will get your money's worth and will be helping a good cause.

Mr. and Mrs. Emory Prevatt went to Carthage Friday to see Mrs. Prevatt's mother, Mrs. Mary Black, who, with her daughter Miss Mina Black, returned to Lumberton with Mr. and Mrs. Prevatt Saturday. Mrs. Black's many friends here will be glad to learn that the condition of her health has improved.

Mr. B. Tolar of Rennett, who is attending court today, says they had a successful box supper at the Rennett school house Thursday evening of last week and thereby raised \$53 for the school piano fund. Mr. Tolar is one of the committeemen of a school and takes great interest in everything pertaining to its success.

St. Pauls Messenger: Mr. and Mrs. John S. Butler returned Monday night to St. Pauls after spending several days in Washington and other Northern points. We are glad to welcome Mrs. Butler to our town. They will make their home at Mr. Butler's residence on Fourth street, formerly occupied by Rev. J. A. Snow.

Robt. McNeill, colored, who owned one of the houses burned last Thursday, says that he had no insurance on the building at the time of the fire and that his loss amounted to between \$400 and \$500. He says that he had been carrying insurance for 10 years but that owing to a misunderstanding it had been allowed to lapse.

Mr. T. P. Monroe, who lives near Elrod, was in Lumberton Friday on his way home from his farm in Wishart's township, where he had been sowing wheat and rye. Mr. Monroe recently purchased from Mr. G. T. Pate the farm known as the Moore place in Wishart's and will move with his family to that place about the first of next month.

Master Bailey Crofts, 12-year-old son of Mr. S. F. Crofts, who lives about five miles from town on the Carthage road, brought an okra tree to town Friday. The stalk of okra only one season old, was about 15 feet high and had furnished any amount of okra for eating purposes during the summer months. It was one of the largest okra stalks ever seen here.

Fire Chief J. P. Townsend asks The Robesonian to give the second and last warning about people who are not members of the fire department riding on the truck to and from fires. He says the next one that tries this out will be arrested and given the extent of the law for such acts. So many people who are not members of the fire company usually crowd upon the truck that members of the company cannot find room to ride. To "hook on" to the truck is a violation of the town ordinance and Mr. Townsend is exactly right in having it enforced.
