

### GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT, GLOSSY, WAVY

25-Cent Bottle Destroys Dandruff and Doubles Beauty of Your Hair

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy, and wavy, and have an appearance of abundance, an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured, by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

#### Robeson County Club Organized at Wake Forest College

Correspondence of The Robesonian.

Wake Forest, Nov. 6.—The young men from Robeson county who are students in Wake Forest College this year met on October 26th and organized under the title of Robeson County Club. The following young men became members of the club: F. K. Biggs, T. C. Britt, M. Hester, W. Y. Floyd, L. J. Britt, W. B. Ivey, J. S. Johnson, J. C. Pace, J. L. Powers, J. G. Proctor, E. S. Thompson, B. V. Williams, P. H. Wilson and J. C. Nye. The following were elected: J. M. Hester, president; F. K. Biggs, vice president; B. V. Williams, Sec'y; E. S. Thompson, Treas. and financial Sec'y; J. L. Powers, chaplain; T. C. Britt, reporter. The following committees were appointed: Social, J. S. Johnson, E. S. Thompson and P. H. Wilson.

It is the purpose of this club to make it a prominent and permanent organization at Wake Forest College. The club will meet monthly. In this way the Robeson county fellows, students at Wake Forest, will be brought into close relationship with each other. It is to be hoped that this club will be a stimulus to other Robeson county boys to come to Wake Forest College.

Since the club was organized Mr. F. M. Barnes, a fellow-Robesonian, has joined us. We have now a total of fifteen members, the greatest number of Robesonian students here in the history of the college.

Washington dispatch, 5th: Secretary Daniels today transmitted the first naval order ever sent by wireless telephone. It was to Rear Admiral Usher at the New York navy yard. From his desk in the Navy Department the Secretary talked to the commandant of the New York yard by way of the big government radio towers at Arlington and ordered a report on repairs to the dreadnought New York. Navy officials say the achievement brings closer the days when a secretary of the navy may sit at his desk here and talk to the fleet commanders all over the world.

#### WHAT LUMBERTON PEOPLE SEEK

Found by a Cedar Street Man, Who Tells His Experience

What the anxious sufferer from kidney and bladder trouble seeks is not temporary relief—though that would be welcome enough; what is sought for is a lasting effect. Mr. McNeill of Lumberton tells us here how he has found lasting good from Doan's Kidney Pills after long suffering.

J. D. McNeill, prop, blacksmith shop, 100 Cedar St., Lumberton, says: "I had attacks of kidney trouble two or three times a week and my back often felt as though it would break. My kidneys were disordered and the secretions were scanty. Sometimes I passed small particles of gravel and the pain was terrible. I had taken but a few doses of Doan's Kidney Pills when I was relieved of that awful misery in my back. One box of Doan's Kidney Pills fixed me up in good shape."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McNeill had. Foster-Milburn Co., Props., Buffalo, N. Y.

#### CORN AND AGRICULTURAL SHOW

Preparations Being Made for Biggest Thing of Kind Ever Held in Wilmington—Will Be Held November 16-19

Wilmington, Nov. 9.—Rapid progress is being made in the completion of preparations for the third Corn and Agricultural Show for New Hanover and adjoining counties which is to be held in Wilmington November 16, 17, 18 and 19, and from present indications it will be the biggest thing of its kind ever held in this city. One of the big features will be the "March in Wilmington" parade on November 17 when the 70 manufacturing concerns in Wilmington and vicinity will have floats, representing the varied industries of this section.

Seeded rates for the show will be given on an all-railroads and it is expected that there will be many visitors from other counties and towns. There will be attractive exhibits of all kinds that will interest as well as instruct. The exhibits in past years have been the equal of those seen at the leading fairs in the State and it is believed that this year they will be ever better than in the past.

The show will be distinctly novel in that it will be shown under canvas. The promoters of the undertaking are planning it along the lines of the fairs given in recent years in San Diego, Cal., where the varied products of that region are shown in tents, in the heart of the city. City council has granted permission for one of the main business streets to be used for this purpose and in connection with the street, the site for the new custom house, which was recently cleared of all buildings, preparatory to the erection of a new structure, will be used for the show. The site for the show will command a splendid view of the Cape Fear river and the harbor for this port. The use of the street for the tents will make it possible to have the fair in the main business section which is easily accessible and at the same time have plenty of room. It would not be possible to have large buildings except in the suburbs and it is believed that the tents in the central part of the city will make the show much more attractive.

One of the prime movers in the preparations for the show is North Carolina Sorosis, an organization of women, which has for many years played an important part in the development of civic enterprises and undertakings in this city. The fine arts exhibit under the auspices of the organization will be one of the best to be seen anywhere.

The Corn and Agricultural Show this year is backed not only by the farmers of New Hanover and adjoining counties but also by the Wilmington Chamber of Commerce, the Rotary Club, the Housewives' League and North Carolina Sorosis.

Strong committees have been appointed to look after the different features and they are actively at work. The finance committee has already secured the necessary funds with which to promote the show. A small admission charge will be made to defray a part of the expenses but by far the greater part will be borne by Wilmington citizens who are interested in the development of the agricultural and industrial life of this section.

Fairmont Messenger, 5th: Mr. C. C. Pridgen, one of the most influential citizens of the Tabor section of Columbus county, died suddenly at his home at that place Wednesday at 1:30 p. m. He had been in the best of health and appeared to be cheerful all the morning. The news of his death came as a profound shock to his numerous friends in Robeson county.

#### Successful Meeting at Baptist Church at St. Pauls

Rev. Fred Collins returned to his home at Clinton, N. C., on Tuesday morning. Rev. Mr. Collins and the pastor, Rev. J. A. Snow, has just closed a most successful series of protracted services at the Baptist church here. Twenty-nine members were taken into the church 21 of which were taken in by baptism. During the past year the Baptist church here has received into the fellowship of the church 52 persons.

#### Fairmont News Items

Fairmont Messenger, 5th.

Dr. J. P. Brown and Dr. L. E. Ricks were in Lumberton Wednesday attending a meeting of the Robeson County Medical Association. The former is president of the organization.

The Fairmont public school will begin Monday, Nov. 8. All pupils are urged to begin at the beginning of the free school. By a decision of the school committee no beginner will be allowed to enter the first grade after the first two weeks of free school.

While examining a bale of cotton last Thursday morning, Mr. J. D. McLean slipped from the hub of the wagon wheel on which he stood, falling against the freight platform in such a way as to cause rather painful injuries which laid him up for two or three days. He is all right again now his many friends will be glad to know.

Geo. Little, the negro who was injured in the shooting scrape in North Fairmont last week, got ten months on the roads. The testimony showed that Little started the trouble by shooting at Wilson the other negro, several times before the latter retaliated by going after him with a shotgun. Wilson is still among the missing.

A house in the southwestern part of town belonging to Mr. Frank Davis was totally destroyed by fire this (Thursday) morning at about ten o'clock. The place was occupied by Joe Oxendine, an Indian tenant, and his family, who lost all their possessions except one trunk. The origin of the fire is unknown, only the children being at home when it started and it is said that some of them had narrow escapes, the dress of one being on fire when neighbors reached the scene. The loss of the house was partially covered by an insurance policy of \$150.

Last week Mr. J. M. Ashley showed us a sweet potato grown by him that was as large as ye editor's head when it is normal, but last Sunday evening Mr. D. G. Rouse was walking through his patch and accidentally stumbled over one that was almost as large as said head ever feels. It weighed 7 3-4 pounds. It, too, was of the yam variety.

Distress in the Stomach . . . There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padghan, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." Obtainable everywhere.

#### PIG CLUB MEMBERS 750

Results of First Year's Work Gratifying

Raleigh News and Observer. Beginning with not a single member on September 1, 1914, and ending up the first of September, 1915, the boys pig clubs enrolled 750 members, which represents every part of North Carolina. The movement was launched in conjunction with the animal husbandry department of the agricultural experiment station in West Raleigh, and has been carried on under Mr. J. D. McVean, who is also stationed in West Raleigh.

The results of the first year's work has been gratifying to the office, which reports that the goal set for members during the first year has been far passed. The members speak well, but the principal progress which counts for most is the introduction of a much larger number of high grade breeding animals to the State. The fundamental movement in raising high quality meat, as stated by Mr. McVean, is first get a good quality of breeding stock. The improvement during this year has been a noticeable fact wherever the clubs have been organized.

It is planned by the West Raleigh office not to try to get the heaviest weight, but the best quality. After the breeding hogs have been put on

## Red Devil Lye EATS UP FILTH

Stop the Fly Route

FILTH MAKES FLIES, AND OUT-HOUSES ARE FLY FACTORIES Make Your Out-House Sanitary

The odors arising from privies are sickening and unbearable, particularly in summer. They are also the breeding place for flies and other vermin. Flies carry disease germs direct from such places to the baby's milk, the meats, vegetables, pies and other foodstuffs. Typhoid fever is invariably transmitted from germs that originated in out-houses and such breeding places, and these germs are usually carried to the house and kitchen by flies that take an air route.

RED DEVIL LYE, plentifully sprinkled in prices every two or three days, will eat up the filth deposits, keep such places sanitary, and wipe out the pestiferous fly. The cost is trifling, while the benefits can not be measured in dollars and cents. Use Red Devil Lye for this important purpose, you will be amazed to find how it actually eats up the filth. Do it at once, and get rid of the filth, flies and odors.

RED DEVIL LYE is Death to the Fly
