ADDITIONAL PREMIUMS

FARM PRODUCTS EXHIBITS

State Fair Association Will Give \$50 in Premiums for Exhibits at Farm Products, Poultry and Live Stock Exhibit in Lumberton December 2, 3 and 4—This Amount in Addition to Prizes Named in Premium List Already Published

Fifty dollars in premiums in addition to the premium list already published will be given by the State Fair Association for exhibits at the Robeson Farm Products, Poultry and Live Stock Exhibit which will be held in Lumberton December 2, 3 and 4. County Farm Demonstrator L. E. Blanchard was authorized to make this announcement by Mr. W. N. Hutt in a long-distance phone conversation Tuesday afternoon. This is a welcome additional incentive to all who have products worthy to be exhibited to bring them in and compete for prizes.

That this additional sum for prizes was secured is due to the efforts of Mr. Blanchard. Such an appropriation is ordinarily conditioned upon a like amount being appropriated by the local fair management, but Mr. Blanchard explained that the premium list had already been published and it was agreed upon his urgent request that the usual condition would be waived and that the appropriation would be made without any conditions. Mr. Blanchard is preparing this additional list of prizes and it will be published in The Robesonian as it is received.

Mr. Blanchard is very much interested in making the exhibit a success and is going to endeavor to line up the Robeson Corn Club boys for exhibits. Each member of the club will be requested to bring ten of his best ears of corn for exhibition.

Quite a number have already called for the premium list and have indicated their intention of making exhibits. A premium list may be secured for the asking, without charge, at either The Robesonian Printing Co. or the office of the Freeman Printing Co. It is hoped that as many as can do so will fall in line and help to make this an exhibit in all respects creditable to the great county of Robeson. There is no charge for entering exhibits. Come along with exhibits, meet people from all over the county and see what others are doing. It will do you good and you will do good to others.

Meet your friends in Lumberton December 2, 3 and 4 at the Robeson Farm Products, Poultry and Live Stock Exhibit.

Annual Exhibit and Rally of Corn Club Boys Dec. 4 in Lumberton

Correspondence of The Robesonian. The annual exhibit and rally of the Robeson County Corn Club will occur in Lumberton on Saturday, Dec. 4th. This will be in connection with the county Teachers Association meeting and the Robeson Poultry Association and Farm Exhibit. Attractive premiums are offered for all kinds of farm products, particularly corn, as the State Department of Agriculture has offered a good sum in addition to the premiums previously published by the fair association. Each member of the corn club is required to exhibit ten ears of corn which were grown on his contest acre. Officials from Raleigh will be here to speak to the boys and to judge the exhibits. Write for a premium list if you have not seen one and bring some farm produce to the fair.

Among the Sick
Mr. Geo. B. Boggs, who had been critically ill for several days at the home of Mr. and Mrs. W. S. Wishart, was removed to the Thompson hospital last night. While there is no hope of his recovery he was reported this morning as being resting fairly well. Mr. Boggs is suffering with cancer of the liver.

Mrs. Belle McMillan suffered a slight stroke of paralysis a week ago and has since been confined to bed at her home on Cedar street. Her condition seems somewhat improved today.

Dr. N. A. Thompson has been sick for the past two weeks and for the past ten days has been in Charlotte under the care of a specialist. While it is not thought that he is critically ill, his illness is of a painful nature. Mrs. Thompson went to Charlotte Monday night to be with her husband. In a letter received by Dr. T. C. Johnson this morning, written yesterday, Dr. Thompson writes that he is "somewhat better but not well yet."

U. S. Page Sues Lenoir Constable for \$5,000
Kinston Special, 17th, to Wilmington Star.

U. S. Page, a LaGrange policeman frequently in the news since the battle of Vera Cruz, in which he was an active participant as a member of the landing force from the American fleet, is again in the limelight as plaintiff in a suit against George Warters, a LaGrange man. Page who asks \$5,000 damages, alleges that Warters, a constable, locked him up, following the arrest by Page of Raymond Warters, a constable, charging that the policeman assaulted Joyner in the arrest. The plaintiff also states that Warters refused him bail until pressure was brought to bear on the constable or another officer released him.

Mr. Page is a son of Mr. E. E. Page of Lumberton.

AUCTION SALE OF TOWN LOTS

25 Residence Lots on North Water Street Sold Yesterday for Total of \$11,168.50—Former Negro Settlement Now Desirable Residential Section—Four New Streets Opened Up Across and Beside This Property—Sale Conducted by Lumbee Sales Co.

Thirty-five residence lots in the northern part of town bordering the recent extension of Water street from Tenth to Fifteenth, were sold at auction yesterday at an average of \$447 each, the total amount realized from the sale being \$11,168.50. All but four of the lots were carved out of the property formerly belonging to D. P. Allen, colored, including the lot on which old White Institute, for colored, stood. The lots into which the Allen property was cut sold for a total of \$9,600. Four of the lots were laid off by Mr. C. M. Barker from a piece of land, just off Tenth street on Water, which he purchased recently from Mr. E. D. McNeill for \$1,000. These lots brought a total of \$1,568.50.

The sale was conducted by the Lumbee Sales Co., Mr. C. M. Barker, manager. The auctioneers were the Messrs. Bodenheimer of Greensboro. A band from Laurinburg furnished music for the occasion. The lots brought pretty close to the figure Mr. Barker estimated they would bring before the sale. Land upon which there was no house sold well, but the houses did not add to the value of the lots upon which they stood because of the fact that they were occupied by colored people. The good house owned and recently built by Prof. Allen, through which the extension of Water street runs, and the lot upon which it stands were bought by Mr. E. D. McNeill for \$2,500, whereas the house alone was erected by Allen at a cost of \$2,800.

In developing this property Mr. Barker and his associates have cleared up what was a negro settlement and made it a desirable residential section. Water street, about the extension of which there was much controversy for a while, as duly noted in The Robesonian, first being extended crooked, has been extended straight to Fifteenth, parallel with Elm. Besides this, a new street, named Barker, has been opened from Fifteenth parallel with Elm and mid-way between Elm and Water, to the A. Weinstein property, about where Eleventh street would be if there were cross streets from Elm to Water between Tenth and Fifteenth, as there are not, owing to a short-sighted policy on the part of the town in former years of allowing property all along Elm from Fifteenth to be sold for residence lots without making provision for streets.

Another new street, named Johnson, runs from Barker street to the Carriage road, crossing the property of Mrs. Irvin Jenkins and Mr. H. H. Relfear and a narrow strip belonging to Mrs. Mary Barnes. Johnson street cuts into Barker street just a little north of the residence of Mr. T. L. Johnson, behind the residence of Mr. D. W. Biggs. Arrangements for opening up Johnson street were made with the property owners after the sale yesterday, and another improvement is at Fifteenth street will be extended from Elm across the property of Mrs. Irvin Jenkins and Mr. Ed McMillan. These new streets make this section easy of access and add greatly to the value of the property.

J. Sprunt Newton Arrested on Charge of Forgery

Fayetteville Special, 17th, to Wilmington Star.
On complaint of Col. W. S. Cook, J. Sprunt Newton, the central figure in the Newton-McArthur litigation which for more than a year has stirred the courts of North Carolina, was arrested here this afternoon on a charge of forgery. Colonel Cook holds a note of Mr. Newton's for \$1,000, endorsed by Mrs. Newton, nee McArthur, which endorsement is claimed to be a forgery. Mr. Newton gave bond in the sum of \$1,000 which was furnished by J. A. King. The preliminary hearing is set for Monday before Magistrate C. P. Overby. The McArthurs have been sued by several banks in North Carolina and Virginia on notes bearing their endorsements which they claim to be forgeries.

Burning of Bridge Near Wilmington Delays Trains

As a result of the partial burning of the bridge across Hood's Creek, about ten miles this side of Wilmington Monday night, all trains from that direction have been running late. Passenger trains were run over the Coast Line via New Berlin and Acme back onto the Seaboard. The bridge is the highest between Hamlet and Wilmington, composed of 54 benches, 11 of which were burned at the east end, the highest part of the structure. The damage was repaired so that trains passed over this morning. The passenger train from Wilmington, due at Lumberton at 7:15 a. m. was about 4 hours late Tuesday morning.

Robeson Teachers' Association Will Meet in Lumberton December 4

The Robeson Teachers' Association will meet in Lumberton Saturday, December 4. Supt. J. R. Poole will send out a special letter to teachers. A good program is being arranged and every teacher in the county is expected to be present. This will be on the last day of the Robeson Farm Products, Poultry and Live Stock Exhibit and the teachers will have opportunity to visit the exhibit.

GRADED SCHOOL NOTES

Saturday Weekly Holiday Plan Will be Resumed After This Week for Further Comparisons—Monday Holiday Results Satisfactory—School Will Suspend for Thanksgiving From Next Wednesday Afternoon Till Following Monday—Supt. Sentele on Teachers' Assembly Program for Address

The graded school will suspend for Thanksgiving Wednesday afternoon of next week and will not resume class-room work until the following Monday. A change back to the Saturday weekly holiday will be made next week, so that two days will be given for Thanksgiving, which has been the custom heretofore. In order to make the change back to the Saturday holiday without loss of time school will be in session Saturday of this week and also Monday of next week.

Supt. R. E. Sentele says the change back to Saturday holidays will be made for the present in order to make further comparisons. The change to Monday holidays was made some weeks ago and that plan has worked excellently. Supt. Sentele says. The work of the pupils on Tuesday, the first day of the school week under the Monday holiday plan, has been very much better than the work formerly on Mondays. A number of citizens of the town, patrons of the school, have expressed their approval of the Monday holiday and no doubt that plan will be resumed later.

Supt. Sentele and Principal J. F. Love will attend the meeting of the Association of North Carolina Superintendents Thursday and Friday.

Supt. Sentele is on the program Thursday for an address on the teachers' examination and certification bill which was defeated at the last session of the Legislature.

THREE MILLIONS DESTITUTE

That Many Persons, Mostly Women and Children, in Belgium and Northern France Must be Clothed by Christmas

New York Dispatch, Nov. 16
Over 3,000,000 persons in Belgium and northern France mostly women and young children must be clothed and shod by Christmas. If the garments and shoes for these destitute people are not forthcoming at once, their sufferings during the winter will become desperate.

Such is the note of an urgent appeal issued to the people of the United States by the Commission for Relief in Belgium. The New York Committee have received from Mr. Herbert Hoover, chairman of the commission, the following statement: "It appears to me that it is necessary for us to go frankly to the American people and ask them to clothe the destitute in the occupied areas of Belgium and northern France during the coming winter.

There are 9,000,000 people in these areas and of these over one-third are now either wholly or partially destitute and are today receiving their food either wholly or partially without payment.

Colored School Building and Dormitory Burned Down This Morning

Fire this morning between 10 and 11 o'clock destroyed two buildings in the northeastern part of town between the Elizabeth road and the V. & C. S. railroad—a 3-story building used for a Presbyterian mission school for colored, and a 4-room dormitory nearby. The school library and furniture were burned. The loss is estimated at around \$3,500. There was some insurance, how much has not been learned. The fire started in a room on the third floor from a stove. School was in session at the time, on the lower floors, and Prof. Haywood, principal, found it impossible to break into the room where the fire started. The large building was in a blaze all over when the fire company reached it, and the fire was about 1,500 feet from a hydrant. The one who 'phoned in the alarm failed to give definite location of the fire which greatly delayed the fire company. It is always best to turn in the alarm from a box, if possible, but if the alarm is 'phoned in it is necessary to give the street location of the fire. If this had been done this morning it might have been possible to save these buildings.

Social Club Organized by Royal Arch Masons

Keystone Club is the name of a social club that has been organized by members of the local chapter of Royal Arch Masons. It has about 30 members. Following are the officers: C. V. Brown, president; G. E. Rancke, Jr., vice president; L. C. Parker, secretary-treasurer; board of governors, Alf. H. McLeod, E. J. Pope, W. G. Pittman, Jno. S. McNeill, Q. T. Williams, S. K. Nash. Committees have been appointed to look after furnishing a lodge room on the third floor of the John P. McNeill building on Elm street. It is the purpose to have this room ready by December 1st.

Moonlight Schools at St. Pauls and Fairmont

Moonlight schools for adult illiterates are being taught at St. Pauls and Fairmont. Twenty-four persons have been enrolled in the school at St. Pauls. County Superintendent J. R. Poole expects that other moonlight schools will be started up in the county in the near future.

Mr. J. M. Russell left this morning for the Indiantown, S. C., section where he expects to spend a week.

WHITE POND NEWS ITEMS

Supper on Evening of Nov. 26 to Raise Money for School Building Fund—Present Home Outgrowth—Sunbeam Rally—Personal

Correspondence of The Robesonian. White Pond (Fairmont, R. F. D.), Nov. 17—There will be an oyster, fruit and box supper given at the school house Friday night, Nov. 26th, to which the public is cordially invited. The proceeds will be added to the building fund. A movement was started here year before last to build a new school house, and when the hard times came last year it was dropped. But now since times have brightened up the matter is being taken up again. In fact, something will have to be done. Two years ago the number of children in the district between the ages of 6 and 21 was 15 and now it is 93. At this rate, in a few years there would hardly be standing-room in the school building as it is now. However, the board of education has promised to put out school at the head of the list of needs to have new buildings next year, and our people are preparing to come across with their part of the money, so the children are looking forward to having a new school building, with better arrangements next year. Our school opened only a little over two weeks ago, but about two-thirds of the children in the district are enrolled.

White Pond was glad indeed to have the Sunbeam bands of the different churches meet here the first Sunday afternoon. It was an inspiring gathering, working for one cause. Mrs. Bobbitt, leader of the Fairmont band, and in charge of all the bands that compose the circle, is a born leader. She delights in the work, and is an inspiration to the leaders in her circle. White Pond is anxious to have the Sunbeams come and brighten it up again.

The many friends of Mrs. N. J. Page sympathize with her in the death of her father, Mr. Levi Miller. Mr. and Mrs. G. F. Huggins of Lumberton visited home folks last week. Mrs. F. F. Townsend of Back Swamp visited her brothers Messrs. N. J. and M. E. Page last week. Mr. and Mrs. Joe Townsend of Page's Mill, S. C., were visitors at Mr. Noel Townsend's last Sunday. Miss Vallie Page is visiting friends near Fairmont this week. Mrs. Irene Williams of Waycross, Ga., is spending a few weeks with home folks. The Sunbeam band is to have a "cotton-picking" next Saturday. The little folks have pledged themselves to raise \$15 this year and they are losing no time in earning the money.

Don't forget the oyster supper, please. Come prepared to have a good supper and a nice time.

GLENWOOD LEAFLETS

Want Rev. N. L. Seabolt Returned—School Begins—Mr. W. K. Culbreth Improving—Social and Personal

Correspondence of The Robesonian. Pembroke, Nov. 17—Rev. N. L. Seabolt filled regular appointment at Moss Neck last Sunday and preached one of his able sermons. He has only one more sermon to preach before conference, which is the 4th Sunday in this month. Hope he will be sent back to us another year, as we all like him fine.

Misses Ruby Stubbs and Stella McNeill and sister Ola spent Saturday in Lumberton on business. A crowd of young folks went on a hayride to Philadelphia school house last Thursday night to an entertainment. All reported a fine time. Mr. and Mrs. Albert Paul of the Barker's section spent Sunday with home-folks. Mr. Mitchell Smith and Mr. Henry Howell of Back Swamp visited at the home of Mr. W. A. McNeill one day this week.

All those who attended the "tacky" party at Cook's hotel at Pembroke on Tuesday night reported a fine time. Mrs. Neal got to prize for the "tackiest" girl.

There is quite a change in the weather now as it was a few days ago. The cold weather has reached us at last. Jack Frost pays us a visit about every night.

Miss Ruby Stubbs of Parkton arrived on the 9th and began teaching on the 10th. She is assistant in our school. Prof. Edgar Bundy of Wilmington is principal. Hope this year will be the most successful term in its history.

Mr. Lucy Beasley of Pembroke was a visitor in this section one day this week.

Hunting is the order of the day in this section. A crowd of young folks are anticipating going 'possum hunting one night this week.

Among those on the sick list is little Flora Buie, daughter of Mr. Arch Buie. We are glad to report that Mr. W. K. Culbreth, who stood an operation at the Johns Hopkins hospital in Baltimore, is improving. Mr. W. A. McNeill has purchased a new buggy. Mr. Dougall McNeill is home on a vacation. His place as chain gang guard is being filled by his brother Sandy McNeill.

PROCTORVILLE POINTS

Through Gathering Crops—New Residence, Store and Blacksmith Shop—Personal

Correspondence of The Robesonian. Proctorville, Nov. 17—Farmers are through gathering their crops in this section, some are killing hogs. This means that we are going to eat hog and hominy for a while. The mills are busy today ginning. Most all the farmers say that it is their last bale for the season. Quite a number of the young people attended the entertainment at Orrum last Wednesday night which was given by the Philathea class of that place.

Mr. Geo. T. Graham has gone to Tolarville today and will be away a few days looking after his farm at that place. Dr. T. B. Ayres and Mr. C. C. McCullen of Orrum is a business visitor here today.

Mr. R. H. Byrd is placing material on his lot here. He expects to build and move here the first of the year.

Mr. W. J. Walters, whose store building was destroyed by fire last fall, has erected a new building on the same lot and has recently opened business.

Mr. N. G. Callahan has completed his blacksmith shop and is ready for business.

Misses Hattie and Bonnie Graham spent the week-end with relatives and friends at Tolarville. Dr. and Mrs. T. B. Ayres visited at the home of Dr. Ayres' father near Rowland Tuesday.

TAR HEEL TOPICS

Death of Mr. Bennie Monroe—Personal

Correspondence of The Robesonian. Tar Heel, Nov. 17—On Wednesday, Nov. 10th Bennie Webb, 17-year-old son of Mr. and Mrs. J. E. Monroe, died at their home at St. Pauls after suffering for several weeks with complications. The remains were brought on the morning train the 11th. He was laid to rest in the family burying ground. He leaves a father, mother and one brother, who have our deepest sympathy in their sad bereavement.

Rev. Jas. I. Kindrick of Wake Forest preached at the Baptist church here last Tuesday night on his way to White Oak to the Association. Rev. A. H. Porter of near Whiteville attended the association at White Oak and preached at the Baptist church here on Thursday night last. Messrs. Hartwell Monroe and W. D. Melvin visited near Clarke on Saturday night and Sunday. Mrs. A. H. Porter spent several days last week here visiting her aunt Mrs. Bella Munn.

GADDYSVILLE GRIST

Harvesting Large Crop of Corn—Sowing Small Grain—School Work Progressing—Personal

Correspondence of The Robesonian. Gaddysville (Fairmont, R. 1.), Nov. 15—The children of Mr. and Mrs. Lonnie Pittman, who have been very ill with diphtheria, are very much improved. Everybody is almost through picking cotton and are harvesting a large crop of corn. Your correspondent enjoyed a large cornshucking Friday night for the first time in his life. We had a plenty of corn to shuck and plenty to eat and plenty of fun.

A large majorities of our farmers are sowing a large acreage in small grain, wheat especially. A large delegation attended the show at Rowland Saturday p. m. and report a large time and crowd. School is progressing nicely under the skillful management of Mr. and Mrs. Livingstone, and new students are coming in every Monday.

A large crowd attended church at Baltimore, Pleasant Hill and Centenary Sunday.

How to Prevent Croup

It may be a surprise to you to learn that in many cases croup can be prevented. Mrs. H. M. Johns, Elida, Ohio, relates her experience as follows: "My little boy is subject to croup. During the past winter I kept a bottle of Chamberlain's Cough Remedy in the house, and when he began having that croupy cough I would give him one or two doses of it and it would break the attack. I like it better for children than any other cough medicine because children take it willingly, and it is safe and reliable." Obtainable everywhere.
