Here's the latest member of the "old-time jimmy-pipers" club. It's a fine likeness of John E. Bach, 101 years old, of Newark, N. J. He has been a pipe smoker for 80 years. Mr. Bach, who enjoys his smokes every day, gives this idea of a long life: "Smoke all you want, eat all you want, sleep all you want—and don't worry!"

P. A. is sold everywhere in tippy red bags (handy for cigarette smokers), 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and that classy crystal-glass pound humidor with the sponge-moistener top that keeps P. A. bang up.

Splendid Laxative for Elderly People

Has Been Prescribed by Well Known Physician for Many Years

The infirmities of age are especially manifest in a tendency to constipation, and call for treatment that will afford relief in an easy, natural manner. The rapid action of cathartic remedies and purgatives that shock the system should be avoided, more especially as the relief they offer is only temporary and is usually more than offset by disturbance to the vital organs caused by their violent action.

Nearly thirty years ago Dr. W. B. Caldwell, Monticello, Ill., prescribed a compound of simple laxative herbs that has since become the standard household remedy in thousands of homes. It acts easily and gently, yet with positive effect, without griping or other pain or discomfort. Mrs. Rachel Allen, Galesburg, Kans., is seventy-one years old, and after using a bottle of Dr. Caldwell's Syrup Pepsin, wrote that it had done her a world of good and that she intends to keep it in the house always. NEWS NOTES AND COMMENT

Interesting Services at Smyrna—Let Every One Contribute to Orphanages—Death of Mrs. Mary Eliza West

Correspondence of The Robesonian, Lumberton, R. F. D. 5, Nov. 18.—Fine weather and a large congregation are two of the leading features making up an interesting religious service. Such was the case on our Smyrna appointment days—the second Sunday and day before. That appointment marked the beginning of our second year as pastor of this good church and we start the New Year with much brighter prospects than the old year offered. However, it was good to us and the latter end was far better than the beginning.

This autumn weather has never been surpassed. The farmers have great cause for rejoicing and thanksgiving. Everyone seems to have plenty and to spare. North Carolina's crop this year is said to be \$76,000,000 in excess of the crop of six years ago. To be sure the orphans' appeal for a day's wage will not be in vain. There are twenty-seven orphanages in the State in which are housed 2,400 children and the Baptists alone have nearly one-fourth of this number. They have 500, which is 200 more than any other. They not only have the biggest orphanage but decidedly the biggest debt. Let Robeson's 7,000 Baptists show their colors on Thanksgiving Day and do big things in the way of a special thanksgiving for the Lord's poor; and if perchance some desire to see the football games in other parts let them duplicate their railroad fare as an orphanage gift.

We deplore the tragic death of Edith Cavell at the hands of the German Governor General of Belgium; but many other cruelties in connection with the awful European war are deplorable. In the military court which tried the brave lady, she admitted the charge to be true and the sentence just. But she refused to sign a request for the Kaiser's pardon and would not allow her eyes to be bandaged before she was shot to death. Mrs. Mary Eliza West, wife of Mr. Archibald H. West, who had been a great sufferer for the last several years of her life, died at her home Monday morning, which was not unexpected. The remains were laid to rest in the family cemetery near Singletary's X Roads church at 2:30 p. m. Tuesday. The funeral services were held from the church being conducted by Rev. P. T. Britt of Mt. Eliam, assisted by Rev. W. L. Brisson of rural route No. 1 from Richardson and the writer, which had been deceased's request. She was born April 4, 1850 and was therefore 65 years, 7 months and 11 days old. Besides an aged and afflicted husband she leaves three sons—Messrs. S. W., A. A., and P. J. West—one daughter—Mrs. Earle Ivey—and thirteen grand-children to mourn her departure. The funeral services were largely attended which attested the esteem in which deceased was held, and the floral offerings were beautiful. She had planned her own funeral program which consisted of a Scripture text—Psalms 126:6—two songs—Nos. 930 and 947 in The Baptist Hymn Book—and this program was rendered in keeping with her desire and request. Statistics of Western North Carolina Conference—Gains Are Shown

Statistical reports of the Western North Carolina Conference, which closed its sessions in Reidsville Monday, show that the Church membership now reaches 106,503. The year has been marked by a great revival interest, 7,793 persons having been received into the Church on profession of faith and the net gain for the year is 6,071, the largest since the Conference was organized. There are now 834 Sunday schools, 6,380 Sunday school officers and teachers, 87,882 Sunday school scholars. Fifty-two thousand seven hundred and forty-nine dollars has been contributed for missions, \$9,171 for Church extension, \$12,692 for education, \$13,392 for superannuate preachers, \$21,791 for pastors and presiding elders and the total amount contributed for all purposes this year reaches the liberal sum of \$576,905, being an average per capita contribution of nearly \$5.50. There are 857 churches valued at \$2,573,505 and 199 parsonages valued at \$494,655.

The Conscripted Candidate

Charlotte Observer. Justice Hughes of the United States Supreme Court went before a notary public in Washington and made oath that he is not a candidate for President of the United States. This extraordinary proceeding was considered necessary by reason of the fact that his name had been filed with the Secretary of State of Nebraska on the official ballot as a candidate for President in the primary election to be held in Nebraska on April 18, 1916. Justice Hughes feared that an ordinary notification that he declined the honor would not be sufficient under the Nebraska law, so he made oath and had the oath forwarded to the Secretary of State. Even with that, there is a question if he can escape. The Nebraska officials claim that Mr. Hughes cannot withdraw his name from the ballot and that even his oath cannot save him.

New High Records in Foreign Trade of U. S.

Washington Dispatch, Nov. 22. New high records in the foreign trade of the United States continue to pile up in the greatest favorable trade balance the country has ever known. The movement of merchandise and gold shown in figures made public today by the Department of Commerce discloses how decidedly the United States has been converted from a debtor nation to a creditor nation. During the 12 months ending with October the foreign trade exceeded \$5,000,000,000. Imports were \$1,691,748,013 and exports \$3,318,634,636, as compared with imports of \$1,880,414,501 and exports of \$2,140,847,829 during the same 12 months previous.

SKIN DISEASES OBSTINATE

But they can be cleared away by purifying the blood and building up the system with Mrs. Joe Person's Remedy. N. W. Winton, Ashokia, N. C., has a child severely affected with skin disease. Doctors' medicines failed to do any good, but two bottles of the Remedy made a perfect cure. "I cannot say too much in praise of Mrs. Joe Person's Remedy," he writes.

Mrs. Joe Person's Remedy is pronounced by many the best blood medicine in the world. By purifying the blood and renewing the health and strength of the body, it drives away rheumatism, indigestion, nervous dyspepsia, scrofula, eczema and other ill that come from bad blood. STATE NEWS

David Lentz of Rowan county was fatally injured near Salisbury Saturday when his auto ran into a ditch and turned upon its side.

Two unmasked white men drove up to the Bank of Dover, 9 miles from Kinston, Monday in broad daylight, entered the bank, drew pistols on the cashier and demanded all the cash in the bank. A customer entered the bank at that time and the would-be robbers got frightened and fled to their auto waiting on the outside and lost no time in getting out of town. The men abandoned the auto a short distance away and took to the woods. A searching party went after them immediately.
