## \$250 FOR RELIEF OF JEWS

That Amount Raised in Few Minutes Among Small Number Who Attended Meeting at Opera House Yesterday—It is Confidently Expected That at Least \$500 Will be Raised for Destitute Jews in War Zone in Lumberton

The hundred and fifty dollars were contributed in a few minutes yesterday afternoon for relief of suffering among Jews in the European war zone by members of a very small crowd which attended a mass meeting at the opera house, the meeting having been called for the purpose of raising funds for this purpose in accordance with the recent proclamation of the President of the United States calling upon Americans to contribute to relieve the untold suffering of the nine millions of Jews in the war zone.

A committee was appointed to wait upon others who will want to contribute to this worthy cause and it is confidently expected that as a result of this meeting at least \$500 will be secured. This committee is composed of the following: Mesdames A. Weinstein, R. D. Caldwell, J. P. Russell, W. B. North, C. L. Greaves, J. F. Gorrell; Messrs. A. W. McLean, H. J. Singleton, J. P. Russell, R. D. Caldwell, L. E. Whaley, A. Weinstein, H. Dunie.

One contribution was made yesterday of \$50 by Mr. A. Weinstein of Lumberton, and contributions of \$25 were made by Messrs. A. W. McLean and S. Dunie of Fairmont, A. W. McLean of Lumberton and J. Epstein of Laurinburg. Many smaller contributions were made.

State Senator Geo. B. McLeod presided over the meeting. The meeting was opened with prayer by Rev. C. L. Greaves of Lumberton. After an eloquent address by Rev. C. C. Carson, a Presbyterian minister of McDowell, who was the principal speaker, Chairman McLeod called upon a number of citizens who responded briefly in the following order: ex-Judge T. A. McNeill, Rev. W. B. North, R. D. Caldwell, Rev. C. L. Greaves, A. W. McLean, Rev. J. F. Gorrell, J. P. Russell, C. E. Redmond, J. A. Sharpe, L. E. Whaley, M. B. Shockett of Baltimore, A. Schwartzberg.

Mr. A. W. McLean suggested that, though the meeting had been called to raise funds for sufferers in the war zone, irrespective of race or creed, all contributions should go for the relief of Jews, in accordance with the proclamation of President Wilson, which met with unanimous approval, and the funds will be so used.

Mr. A. W. McLean was asked to act as secretary, and while contributions were being counted Rev. Mr. Carson entertained the audience with an appropriate reading, "A Soldier Lay Dying at Algiers."

All who care to contribute to this worthy cause are asked to see any members of the committee named above at once, as contributions will be forwarded within the next day or so.

## Superior Court

Superior Court convened this morning at 10:30 for the trial of criminal cases with Judge F. A. Daniels of Goldsboro presiding and Solicitor S. B. McLean present to represent the State. The jury was duly empaneled. Mr. S. F. Caldwell was nosen foreman of the grand jury. In charging the jury Judge Daniels declared that any man who refuses to list his taxable property as the law requires should be indicted. The judge also declared that a man who will work his wife and children in a mill and loaf himself should be indicted for vagrancy. The following out-of-town attorneys are attending court today: Messrs. B. F. McLean and G. B. Patterson of Maxton, E. L. Wooten of Rowland and Jno. S. Butler of St. Pauls.

Up to noon only one case had been disposed of, that of Grady McCormack, charged with assault. He pleaded guilty and the recorder's sentence was upheld. This was to pay a fine of \$50 and cost. McCormack is to appear before the presiding judge at each term of criminal court in Robeson for a year and show good behavior.

Mr. Grooms is anxious to close up the work. The following who are entitled to a cash prize offered by the State, have not applied: D. F. Israel, Walter Tyner, W. P. McAllister, H. A. M'White, Jos. Jones, D. H. Britt, Sr., Robeson county farm-life school. In order to get the prizes the winners must present premium tickets. Mr. Grooms can be found at the V. & C. S. Ry. Co's. freight depot.

## Many Lives Lost in Floods in Southern California

Press dispatches from San Diego, Cal., state that 60 persons lost their lives Saturday and charming little valleys for 50 miles north of the Mexican line had been made desolate from floods and cloudbursts. A Little Rock, Ark., dispatch states that hundreds of residents of the Arkansas and White river valleys fled from their homes yesterday in fear of floods.

## NEGRO KILLED NEAR ROWLAND

Aaron Kelly Shot by Jno. Baker—Murderer Escapes—Kelly Tried to Stop Fighting Among Women

Aaron Kelly, colored, was shot and instantly killed near Rowland Saturday morning about 4 o'clock by Jno. Mathew Baker, also colored. A pistol was used and the ball entered Kelly's breast. The negroes of the neighborhood had gathered for a big dance, it is said, and after dancing till midnight or after some of the negro women engaged in a general fight. Witnesses say that Kelly tried to stop the fight when Baker drew his gun and fired the fatal shot. Baker escaped. Coroner G. E. Ranke and Dr. B. W. Page, county health officer, went to the scene of the killing Saturday and held an inquest. The verdict was that Kelly came to his death as a result of a gunshot wound, the gun being in the hands of John Mathew Baker when fired.

## TAX COLLECTOR SAYS NAY

Town Commissioners Have No Power to Appoint Man to Assist in Collecting Taxes—Tax Collector Redfearn Does His Own Appointing

The town commissioners met Thursday night for the purpose of appointing a tax collector, Chief of Police H. H. Redfearn being unable to do the collecting. Mr. Redfearn met the board and made it known that he had been advised by his attorney not to allow the commissioners to appoint a collector. Which brings to notice the beautiful workings of the wonderful law passed by the last Legislature. This law provides for the election by popular vote of chief of police and tax collector for the town of Lumberton and ties the hands of the town commissioners so they have no power in the matter at all. And the chief of police and tax collector, so far as the commissioners have power to say him nay, may simply lay down on the job and do nothing but draw his pay, if he should feel so disposed.

However, since the meeting Thursday evening, Tax Collector Redfearn who has been ill for some time and unable to collect, has appointed Messrs. J. P. Townsend and Joe S. Thompson to assist him in collecting taxes, and it is understood that these gentlemen will get busy on the job at once.

## 34 Killed and 27 Injured in Zeppelin Air Raid on Paris

Air Raid on Paris. Paris Dispatch, Jan. 30. A Zeppelin dirigible passed swiftly over a section of Paris last night, dropping about a dozen great bombs, which killed 24 persons and injured 27. Warnings were given again tonight, shortly before 10 o'clock, and a second air attack was momentarily expected by the residents of the darkened city.

The raid last night lasted about one minute and a half, while in the first visit of Zeppelins to Paris on March 21, 1915, four of these air craft were over or in the neighborhood of the capital for nearly two hours. They came at that time under entirely different atmospheric conditions, being plainly visible in a clear sky. Last night the fog seriously interfered with the work of the Paris aerial guard.

The fact that only one German machine appeared leads to the belief that the Zeppelin was making a reconnoitering trip and the supposition is that the Germans have in view a similar operation on a larger scale.

## Clyburnville Local is Taking On New Life

Members of Clyburnville Local of the Farmers' Union, which was recently re-organized, held a meeting in the court house Friday afternoon. In addition to the officers elected at the first meeting Mr. W. K. Bethune was elected conductor and Mr. C. B. Skipper was elected chaplain. A good number of the old members of this local have come back and new members are also coming in. All the old members can be members again by paying their yearly dues of \$1. If you have ever been a member of the Union and live in or near town you are urged to pay up and have a live member. Also those who have not belonged to the Union, if eligible, are urged to join. Another meeting will be held Friday afternoon of this week at 8 o'clock. If you are a farmer and are interested in the success of the farming class be present at this meeting.

## Small Boy Killed by Fall From Wagon

John Wesley, 4-year-old son of Mr. Walker Evans, who lives near Pembroke, was killed Thursday afternoon by falling from a wagon loaded with cotton seed meal near his father's home. The boy fell on his head and his neck was broken, according to one account, though his grandfather, Mr. Wesley Kirby, thinks a wheel of the wagon passed over the boy's neck. Rev. N. L. Seibert, pastor of the Lumberton circuit, conducted the funeral Friday.

## COTTON AND COTTON SEED

Middling cotton is selling on the local market today for 11 1-4 cents the pound, strict middling 11 1-2; seed 60 cents the bushel. Twenty-three hundred pounds of cotton seed meal will be given in exchange for one ton of seed.

## RECORDER BRITT'S BUSY DAY

A Day of Trials—Four Negroes Bound to Superior Court On Charge of Stealing Cotton—Other Cases

Recorder E. M. Britt had a most busy day Friday. The first case to come up for a hearing was that of the State against Ennis Adcox and Jolly Lovett on the charge of fornication and adultery. The trial lasted almost half the day. Ennis and Jolly hailed from Howellsville township. Adcox entered a plea of nolo contendere and judgment was suspended upon payment of cost. The case as to Jolly was not prosed with the understanding that if she had not made her disappearance from the coasts of Howellsville and Wisharts townships in two weeks time she was to be arrested and placed in jail. Quite a crowd witnessed the trial.

The following negroes were given a hearing on the charge of stealing cotton: Lonnie Ray, Andrew Currie, Wm. Guion, Kelly Whitted, Geo. Burnett, Arch Womack, Wade King, Jno. McDougald and Mort Whitted. Lonnie Ray, Wm. Guion, Kelly Whitted and Mort Whitted were bound over to Superior Court, while the others came clear. The evidence was that 4 bales of cotton were stolen from the cotton gin at St. Paul's. Arch Womack and Geo. Burnett were hands at the gin and were charged with aiding the other negroes in getting the cotton off. Andrew Currie was tried on the charge of disposing of mortgaged property and was bound to Superior Court.

Ed Flagler was also given a hearing on the charge of stealing merchandise from the McEachern, Johnson & McGeachy Co. at St. Paul's. Flagler pleaded guilty of the charge and declared that while he had only one dozen eggs when caught he had gotten away with ten dozen at the time. Also that he had taken lots of other stuff from the store. He had been driving a dray for this company. The negroes all hailed from the St. Paul's section. Quite a number of people from up St. Paul's way witnessed the trials.

## Farmers Want Information About Growing Melons and Potatoes

The Robesonian a week ago today carried an important news item to the effect that the Virginia & Carolina Southern Railway had employed Mr. W. G. Gilchrist of Laurinburg for farm demonstrator and industrial agent and that Mr. Gilchrist would spend his time teaching farmers along the lines of this road in Robeson, Bladen and Cumberland counties how to grow watermelons, cantaloupes, Irish and sweet potatoes and other like crops successfully. Mr. Gilchrist, who will make headquarters in Lumberton, only began work about the middle of last week and by Saturday he had appointments ahead for every day this week. Mr. Gilchrist is giving special attention just now to Irish potatoes, which must be planted by the middle of February. Already a large number of farmers around Lumberton have promised to plant Irish potatoes, assuring a large acreage planted to this crop in this immediate section.

## Prayed Before, Cussed After

One of the negroes bound over to Superior Court by Recorder Britt Friday on the charge of stealing cotton made a prayer the night before his trial. In this prayer it is said that he asked God to come down from heaven and be the judge and bring twelve angels from on high to be the jury. At the trial another of the negroes gave in evidence that convicted the man who made the prayer. When the negroes had been taken back to jail to await their hearing in the "big cote" the man who had made such a prayer proceeded to give the man who turned in the evidence a good "cussing" and declared that if he ever got out of jail he would kill him.

## "Duke of Brunswick" is Willin Bark-

Mr. Geo. H. Bellamy, the "Duke of Brunswick", as he is often called, spent Saturday night in Lumberton. There is some talk of Mr. Bellamy making the race for State Auditor. When asked by a Robesonian reporter if he was in the race, Mr. Bellamy replied that while he would like mighty well to be the next State Auditor he could not say he was an avowed candidate.

## Loce-Redfearn Hearing February 16

The next case of Prof. J. F. Love vs. Chief of Police H. H. Redfearn has been set for a hearing on February 16. Solicitor R. A. McLean will be assisted in the prosecution by Mr. T. A. McNeill, Jr. of Lumberton and Mr. G. R. Patterson of Maxton, while the defendant will be represented by Mr. E. J. Britt of Lumberton and Messrs. Robinson & Caudle of Wadesboro.

## Mr. Fred Brown of Antioch, Hoke

County, is among the visitors in town today. Richard Burton, an 18-year-old negro, was lynched by a mob near Bowdoin station, Alabama, one night last week. He and two other negroes were caught in the act of robbing a store. The others escaped. Burton severely cut the white man who captured him.

## BRANDEIS TO SUCCEED LAMAR

Well-Known Boston Lawyer Named by Wilson for Supreme Court Vacancy—First Jew Appointed to That Office

Washington Dispatch, Jan. 28. Louis D. Brandeis of Boston, was nominated by President Wilson today for the place on the Supreme Court bench made vacant by the death of Associate Justice Lamar. The Senate received the nomination with unexcited surprise—in which all official Washington joined, because Mr. Brandeis has not been mentioned among the long list of eligibles which President Wilson considered, or among an equally long list of aspirants who presented endorsements.

Monday the Senate Judiciary committee to which the nomination was referred, will appoint a subcommittee, which, according to precedent, will consider the nomination and make a report. If today's talk of opposition amounts to anything it will develop in the committee. There has been no contest of any note over a Supreme Court appointment since the days of President Cleveland.

Although celebrated as a lawyer, Mr. Brandeis has been devoting practically all his time of late to the Zionist movement in this country which has for its object the repatriation of the Jews to a nation of their own in Palestine. If confirmed he would be the first Jew to sit on the Supreme Court bench.

## Warden Sale of State Prison Dies Immediately After First Double Electroconvulsion in State

Warden T. P. Sale of the North Carolina State prison, fell dead across a desk in his office yesterday morning at 11 o'clock within fifteen minutes after leaving the death chamber where he had pulled the switch for the electroconvulsion of Ed Walker and Jeff Dorsett, Guilford county negroes, who murdered John Swain, a farmer of Pleasant Garden. Mr. Sale had blotted the last of the twelve signatures of witnesses to the execution. A request to Mr. C. C. Hayes, deputy warden, to show the Guilford county visitors over the institution, had hardly passed his lips when he fell forward on his head.

Desperate efforts of prison officials, several newspaper men and visitors assisting Mrs. T. P. Sale, who rushed to the aid of her husband, failed to revive him. The two physicians arriving first, Dr. M. R. Gibson and Dr. G. M. Bell, could only pronounce him dead. Heart failure brought on by shock of the execution was assumed as the immediate cause. Fifty-six years old at the time of his death, Mr. Sale had been warden of the State prison for eight years, having been appointed by Governor W. W. Kitchin in 1908. During this time he had officiated at every lawful electroconvulsion in North Carolina and had, besides, established a reputation for wise and able management of the affairs of the State prison.

I have been reading in the papers where people think children ought to be examined for consumption and all that have it should be sent to one school. Well, I think all the school teachers should be examined and not let them that have this disease teach school where the children have not got this disease. I think Robeson is able to afford one of these schools and it ought to be built at an early date.

To the Editor of The Robesonian: I am informed that Dr. Samuel A. Steele of Columbia, S. C., a lecturer of national reputation, has consented to deliver a humorous lecture in the opera house in Lumberton at 8 o'clock Thursday night, Feb. 3. Probably it will be the "rich, rare and racy" one on "The Wedding Tour" or "Backbone".

I have enjoyed the good fortune of hearing this very distinguished lecturer several times—in churches, and as he is coming to my home town, I wish to say on my own motion that Dr. Steel has my best endorsement both as a gentleman and an artist; and I most earnestly desire that all of my friends, both old and young, far and near, avail themselves of this valuable privilege of hearing one of our greatest Southern orators.

I congratulate the citizens of Robeson county on the visit of this distinguished man and your rare opportunity to hear him lecture.
