IN FIVE MINUTES! NO INDIGESTION, GAS OR SOUR, ACID STOMACH

The Moment "Pape's Diapepsin" Reaches the Stomach All Distress Goes

"Really does" put bad stomach in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that just makes Pape's Diapepsin the largest selling stomach regulator in the world. If you eat fermented into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness. A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or night. It's the quickest, surest and most harmless stomach regulator in the world.

SAMPSON COUNTY FARMS FOR SALE

We offer several Sampson county farms of good loam underlaid with red clay, like the lands of Robeson, those around Dunn, N. C., and Marlboro county, S. C., but they are cheaper. Many farmers are selling out their high priced farms and buying lands here as good and much cheaper.

One particularly fine farm we offer for a quick sale is five (5) miles from Clinton on phone line, one mile from good school, in a splendid neighborhood. Farm covering 217 acres, 90 acres in cultivation, most of it free from stumps. Some of it made one and one-half (1 1/2) bales cotton per acre in 1915; averaged a bale to the acre. Good 8 room dwelling, barns, tenant house, etc. Owner wants to move near college. Buyers shown the farm from Clinton, N. C., or Roseboro, N. C. Write or wire

Ugh! Calomel is Horrible! It Shocks Your Liver, If Bilious

CALOMEL SICKENS! DON'T LOSE A DAY'S WORK! CLEAN YOUR LIVER AND BOWELS WITH "DODSON'S LIVER TONE."

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out", if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten

you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying fat sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
