Meeting in Interest of Missionary Home at Maxton

Correspondence of The Robesonian.
Maxton, March 8—The Missionary Home meeting at the town hall of Maxton for the benefit of the Missionary Home Society last Sunday at 3 p. m. Recently incorporated in Maxton with no capital stock, for the purpose of caring for elderly people, fallen girls and orphans. The program was nicely rendered. The meeting was quite a successful one, having a large crowd out. Rev. A. L. Ormand, pastor of St. Paul Methodist church (white), gave us an excellent address. He said that he knew this work is of God, for anything that is for the uplift of humanity must be of God. He also impressed upon the minds of his hearers 3 very important points: he said the work was a good one because of the fact of caring for our elderly people who were put aside with no one to care for them; also our girls that make mistakes in life; and especially to take care of our poor orphan children that are left in this open wide world with no one to love and care for them.

Miss Bell Baker sang a beautiful solo after which Miss Lucy McDowell recited a poem from Paul Lawren Dunbar, which we all enjoyed very much. A duet followed by Misses Anna L. Messick and Mattie Southerland. The president, (Rev. A. A. I. Davis, also made an address, his subject found in the Acts of the Apostles, 26:2. He made it very plain to the people, though there were many doubting Thomases among us, but he was determined, through God to carry this work on. Then referring to what Rev. Mr. Ormond said concerning the Southern white man being a friend to this colored race, he said that it was all true because they are his friends. He also made mention of the years that he spent in the North getting his training for this work. Music was rendered by the A. M. E. Zion church choir.

REV. J. H. PASCHAL, Pastor.

Bible Puzzle

To the Editor of The Robesonian: I hope to find room in your good paper to put a few words as a Bible puzzle, being there are lots of them being asked now.

Who was the man without father, without mother, without descent, having neither beginning of days nor end of life, but made like unto the Son of God? Now consider how great this man was.

BERT HERRING.

Fairmont, R. 2.

CAUSE INDIGESTION**

Take No Chances! Move Poisons From Liver and Bowels at Once

Mothers can rest easy, after giving "California Syrup of Figs", because in a few hours all the clogged up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative". Children love it, and it can not cause injury. No difference what ails your little one—full of cold or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleaning" should always be the first treatment given. Full directions for babies, children of all ages and grown ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs", then look carefully and see that it is made by the "California Fig Syrup Company". We make no smaller size. Hand back with contempt any other Fig syrup.

FAIRMONT NEWS NOTES

Answer to Bible Puzzle—Rev. John R. Miller Accepts Call—Church Notes—Personal

Correspondence of The Robesonian.

Fairmont, March 8—I will answer Mrs. F. F. Townsend's Bible puzzle, Eve was the woman that was a wife the first day she lived and died before she was born.

Mrs. G. W. Turner and son Claude visited Mr. J. A. Bass of Oakdale section last Thursday. Mrs. Turner went to see her aunt, Beady Bass, who is very sick with pneumonia.

Mr. and Mrs. Lewis Grimsley of Pleasant Hope visited Mrs. Grimsley's parents, Mr. and Mrs. G. W. Turner, last Saturday night and part of Sunday.

Rev. John R. Miller of King's Mountain, who has accepted the call as pastor of the Fairmont field, is expected to arrive the latter part of next week. Mr. Miller's field will be Fairmont, Pleasant Hope, Raynham, and Back Swamp.

The Fairmont Sunday school is progressing very nicely at present, but we hope to greater things when the spring opens up. The prayer meeting is getting on somewhat better than it did a while. We would like to have a good attendance every Thursday evening, as we think you will be well paid for going.

Bible Puzzle Asked, and One Answered

To the Editor of The Robesonian: In reading the paper last night I saw the Bible puzzle that Mrs. F. R. Horne asked, so I will answer it. It was Eve, who was a wife the first day she lived and died before she was born. You will find it in Genesis. Now I will ask a question: Who was it that was born before his father and died before his father?

E. M. THOMPSON.

Lumberton, R. 6.

Eve Was the Lady
To the Editor of The Robesonian: I saw in your issue of March 8th a Bible puzzle. It was Eve, because she was never born and was Adam's wife. Am I right?

T. P. MONROE.

THE ACHEs OF HOUSE CLEANING

The pain and soreness caused by bruises, over-exertion and straining during house cleaning time are soothed away by Sloan's Liniment. No need to suffer this agony. Just apply Sloan's Liniment to the sore spot, rub only a little. In a short time the pain leaves, you rest comfortably and enjoy a refreshing sleep. One grateful user writes: "Sloan's Liniment is worth its weight in gold". Keep a bottle on hand, use it against all Soreness, Neuralgia and Bruises. Kills pain. 25c at your Druggist.

Bible Puzzles—Not Much Fertilizer—Tobacco Plants Killed

Correspondence of The Robesonian.

Fairmont, R. 1, March 8—It seems that Bible puzzles are getting common. I will answer one and ask another. Who was the oldest man that ever lived and died before his father? The answer to Mrs. F. F. Townsend's puzzle was Eve, Adam's wife.

We have been having plenty of rain. Farmers are busy preparing their land. I don't think there'll be much fertilizer bought in Gaddysville this time.

The cold killed all the tobacco plants. There will be preaching at White Pond the fourth Sunday evening and a children's rally; every body invited.

E. F. WILLOUGHBY.

FERTILIZER

The best you can get is what you want, and while there is no potash to be obtained at prices that would justify farmers paying, you get a small amount of potash in all mixtures made by us without the cost. There is from one-half to three-fourths of one per cent of potash in our 8-4 and 9-3 mixtures, and we also give in these mixtures 12 per cent lime, which is so highly recommended by the Agricultural Department. The prices for these mixtures are the same as others that have no potash and lime.

In addition to these regular mixtures, we are making 6-4, which is recommended by the State Agricultural Department for cotton.

We are manufacturing a top dresser that will meet the needs this season. Owing to the scarcity of Nitrate of Soda, you will need to get the next best top dresses at a reasonable price. This is our 1916 Top Dresser, 3 per cent Phosphoric Acid, 8 per cent Ammonia.

Ask your dealer to furnish you these mixtures for making your 1916 crop.

Lumberton, March 8th, 1916.

Robeson Mfg. Co.,
Lumberton, N. C.

Gentlemen:

I have just received the last car of my guano making the 100 tons purchased for this season. This is the fourth season I have used your goods exclusively and have never used better. My crops have been satisfactory.

Yours very truly,
R. E. LEWIS.

Robeson Mfg. Co. Lumberton, N. C.
