VOL XLVII

LUMBERTON, NORTH CAROLINA, THURSDAY, JUNE 1, 1916.

NUMBER 31

TICKET FOR PRIMARY JUNE 3

Candidates for Whom You Are to Prepare Your Ballots Saturday—Those Who Have No Opposition Are Declared the Nominees—Republicans Have Only Enough Candidates to Fill Offices Hence Take No Part in Primary

Following is the Democratic county ticket that will be placed before the voters in the primary Saturday:

County Candidates
House of Representatives—two to be nominated—J. S. Oliver, G. B. Sellers, H. C. MacNair.
Sheriff—one to be nominated—R. E. Lewis, T. Leak Smith.

County commissioners—three to be nominated—J. F. McKay, E. E. Sage, John W. Ward, W. M. Bridgers, C. B. Townsend, J. A. McCormick, M. L. Marley.

All the Republican candidates for State and county offices were declared nominated by the board of elections, as there were only a few candidates for each office as will be voted on in the general election. Mr. Frank Gough, Democratic candidate for the State Senate, and Mr. M. W. Floyd, Democratic candidate for register of deeds, were both declared nominated as they had no opposition. Other Democratic candidates who were declared nominated because they have no opposition: Mr. John S. Butler, for recorder of St. Paul district; Mr. A. E. Floyd, for recorder of Fairmont district; Mr. R. A. McLean, for solicitor of recorder's court, Lumberton district; Mr. G. E. Rancke, Sr., for coroner, and Mr. J. Ed Tyson, for county surveyor.

Messrs. M. C. McKee and the present incumbent, Mr. E. M. Britt, will be voted on for recorder of Lumberton district, both Democrats.

Messrs. T. W. Bickett and E. L. Daughtridge, Democrats, make up the ticket for Governor, while the names of Messrs. J. A. Brown, E. F. Young, Q. K. Nimocks, J. W. Little and the present incumbent, H. L. Godwin, appear on the congressional ticket for this district.

Robeson county folk and others of the sixth district are especially interested in two other names on the printed ballots—A. J. McKinnon of Robeson, candidate for Commissioner of Agriculture, and N. A. Sinclair of Cumberland, candidate for Attorney General.

Well Satisfied With Godwin's Prospects—Does Not Expect Second Primary

Mr. W. K. Bethune, who has been all over the district in the interest of Representative Godwin's candidacy for Congress, says that on the eve of the primary he is confident that Mr. Godwin will win easily and that the primary on June 3rd will settle the fight for the nomination, that there will be no second primary. Mr. Bethune says he has just completed a trip through Robeson county and does not hesitate to predict that Mr. Godwin will get the largest vote in Robeson that he has ever polled in this county. Another man who knows Robeson like a book and who has been all over the county, recently, told The Robesonian man last night that he is satisfied Mr. Godwin will carry nearly every township in the county, and that it is more than likely he will carry every township.

No Finer Farming Section Than in Robeson

Mr. Baker, who is connected with the agricultural department which the Charlotte Observer will soon put on as a regular feature, has been traveling over Robeson the last day or so and he is most favorably impressed with this God-blessed section. He went yesterday from Lumberton to Red Springs, thence to Rowland, thence to Fairmont, and says he has seen no finer farming section anywhere, and his work on the agricultural and good roads departments of other Southern journals before becoming connected with The Observer has taken him over the best farming sections of other Southern States. Mr. Baker will go this afternoon to Maxton.

County Pension Money Ready for Old Soldiers and Widows

All old soldiers and widows of veterans who are entitled to county pension can get same now by applying at the office of Register of Deeds M. W. Floyd. There are 223 who are entitled to these pensions of \$14 each. The amount of each pension was increased from \$12.50 to \$14 by the board of county commissioners at a recent meeting, mention of which was made in The Robesonian at the time.

Diplomas were awarded 98 members of the senior class at the A. and M. College commencement at Raleigh Tuesday, the largest class in the history of the college. There were 30 graduates in agriculture, 3 in chemistry, 19 in civil engineering, 20 in electrical engineering, 10 in mechanical engineering, 7 in textile industry. The following Robeson county boys graduated: Agriculture—J. W. McLeod, J. P. Robertson, Rowland; chemistry—M. L. Crrell, Lumberton; civil engineering—P. A. Roberts, Red Springs.

A 5-year-old boy, Frank Wickizer, at Morehead City, the other day died of lockjaw as a result of cutting one of his toes nearly off with an axe.

Mr. G. B. Allen of Lumberton, R. 7, is a Lumberton visitor today.

Mr. I. P. Graham and brother, Master Durham, of Proctorville, were Lumberton visitors Monday.

PARKTON PARAGRAPHS

Baseball—Series of Meetings—Cotton Warehouse Being Rebuilt—Singing Convention—Good Gardens—Personal

Correspondence of The Robesonian.
Parkton, May 30—The Ræford ball team came over this afternoon for a game with the locals but rain prevented the game. The local team has some four or five new members at present and no doubt will put up a good game. Our team goes to Bennettsville Thursday for a game.

Rev. J. L. Jenkins, pastor of the Baptist church, will preach here tonight, Wednesday, Thursday and Friday nights of this week.

The following young people have returned home from college: Mr. H. B. Culbreth from Davidson, Miss Henriette McMillan from State Normal, Greensboro, Miss Easdale Currie and Miss Carrie McMillan, Kure Springs.

Mrs. C. H. Smith of Sanford returned home today after spending several days with her mother, Mrs. Annie Haywood.—Mr. M. B. Haywood is quite sick.—Mrs. N. A. Carter and small daughter of Fairmont are on a visit to Mrs. Carter's sister Mrs. W. T. Fisher.—The following persons made a business trip to Laurinburg today: J. G. Hughes, J. B. McCormick, Pemberton McCormick, R. A. Wright, also Mr. and Mrs. Collier Cobb visited that section today.

Messrs. L. E. Hughes and E. B. David went fishing yesterday evening and say they caught two small fish, and a bushel of tarappans.

Last week was political week, Mr. E. M. Britt and Mr. M. C. McKee were in town on Friday night. The Parkton concert band rendered fine music each night. Their friends heard the candidates gladly.

The cotton warehouse that was blown down near two weeks ago, owned by the Parkton Mercantile Co., is fast being rebuilt.

Mr. T. W. Thompson and children, Mr. C. D. Williamson and Miss Annie Williamson attended the singing concert at Cumberland Mills Saturday evening and report quite a pleasant time. The choir that did the singing were Cumberland Mills class and Green Springs, Mr. Frank Blount of Fayetteville with violin and Mr. J. B. West of Hope Mills with clarinet playing for each choir. The music was fine. The Parkton choir has been invited to sing at Green Springs on the evening of the fourth Sunday in June.

We report good gardens up our way, with a few broilers coming in and whortleberries a treat occasionally. Mr. E. V. Johnson reports the first real ripe peaches. Mr. T. B. McNeill reports Mr. J. K. Furmidge had the misfortune of losing a nice swarm of bees.

Mr. Farmer, you may get busy or "general green" will get you sure. Capt. W. R. Johnson of Florence S. C., spent Sunday with his mother, Mrs. Sallie Johnson.—Dr. D. S. Currie, who has been sick for more than a week is much better and we expect to see him out in a day or so.—Mrs. Fred Ransom and little son of Lincolnton are on a visit to Mrs. Ransom's parents, Mr. and Mrs. H. C. McMillan.—Rev. H. B. Porter is taking a vacation of a few weeks and is visiting his father at Corapeake.

J. J. HILL DEAD

Master Financier and Railroad Builder of North-West

Jas. J. Hill, pioneer railroad builder and financier, died at his home at St. Paul, Minn., Monday. The funeral was held at the home yesterday afternoon at 2 o'clock. He was 78 years. In accordance with the simplicity which the family considered would be the desire of Mr. Hill, the request was made that no flowers or floral offerings be sent to the house. All traffic on the Hill roads and all boats on the Hill lines were stopped for 5 minutes, beginning at 2 p. m. yesterday.

Mr. Hill's wealth is estimated at between \$100,000,000 and \$500,000,000, with the most probable figure between \$200,000,000 and \$250,000,000. He was the most widely known figure of the Northwest. Since the death of Edward H. Harriman, the premier position in the railroad world has been Mr. Hill's without question. He was born in Guelph, Ont., on September 16, 1838. He left his father's farm for business life in Minnesota and has been identified with steamboat and railroad interests in the West and Northwest since that time. His chief line has been the Great Northern.

—Mr. Scott Stone of McDonald, who was in town Tuesday, says that grass is walking away with cotton in his section but that tobacco is looking pretty good. Mr. Stone says the section of the McDonald and Raynham people think they have had anything but a fair deal in the matter of road work by the chain gang. He says that it has been 20 or 25 years since the chain gang has worked on that end of the Harleesville road. Speaking of politics, Mr. Stone thinks the vote will be pretty well split up among the candidates.

—A heavy rain and quite a bit of hail is reported to have fallen about 5 miles north of Lumberton Tuesday afternoon. A hard wind accompanied the rain and hail. The hail stones were small, however, and not much damage was done. Much rain and some hail fell here, accompanied by a hard wind.

GET-TOGETHER BANQUET

President Vardell Entertains One Hundred Men of Red Springs at Flora Macdonald College—Rejoicing Over Great Success of Institution

Correspondence of The Robesonian.
Red Springs, May 31—Dr. C. G. Vardell, president of Flora Macdonald College was host Tuesday night from 8 to 12 o'clock to one hundred of the men of Red Springs. It was a get-together meeting, that all might have a heart-to-heart talk and rejoice together over the great success of "our" institution. Dr. Vardell, who is always planning for the good and pleasure of his friends, had prepared a very elaborate spread. Mr. J. S. Jones acted as toastmaster and he made a good one. The menu included the very best the market affords and was served in the spacious dining hall of the college. After the first course was served it was quickly followed by another consisting of cream and cake, and last, but not least, cigars were passed to those who enjoy the weed.

The toast-master then called on Dr. Vardell for a speech. The doctor gave a brief account of the college from the beginning, showing how loyally the people of Red Springs had stood by, thus making possible the college of today. The burden of Dr. Vardell's remarks was what the town has meant and means now to the college. Others who spoke were Maj. G. H. Hall, Mr. A. B. Pearsall, Revs. H. M. Dixon and J. J. Hill, Messrs. Alexander Miller, A. P. Spell, Jno. H. McKay, Joseph A. Brown, and others.

These all spoke of what the college meant to the town and community, and emphasized very strongly the great work of Dr. Vardell in and through the college in the general uplift of this entire section.

Words cannot express what Vardell has meant to Red Springs and Philadelphus, and we are safe in saying no man is more greatly beloved by his people than he.

Before the guests departed Dr. Vardell said this meeting had been an inspiration to him, had given fresh hope and courage to undertake even greater things for this school. A rising vote of thanks was tendered Dr. Vardell for this evening of profit, inspiration and enjoyment and all left feeling like Peter of old—"Lord it was good to be here."

OUT BARKER'S WAY

Wheat Nearly Ready to Cut—Crops Looking Better—Church Notes—Personal

Correspondence of The Robesonian.
Lumberton, R. 1, May 29—Crops are looking better since the rain. Wheat is nearly ready for cutting.

Rev. R. L. Davis, State superintendent of the Anti-Saloon League, preached a good sermon at Barker's 3rd Sunday p. m.

Rev. S. Barnes, superintendent of the Methodist orphan asylum at Raleigh, preached a fine sermon at Barker's 4th Sunday p. m.

There was a Sunbeam rally at Ten Mile Baptist church 4th Sunday a. m.

Miss Amelia Powers has returned home. She attended school at Lumberton.

Miss Annie McWhite has returned home from Maxton, where she was a student at Carolina College.

Mr. Samuel Britt lost a fine cow Saturday night.

Miss Jennie Inman has returned home after spending some time at Laurinburg.

The people around Barker's have got a stand of cotton at last.

Rev. L. H. Joyner of St. Paul attended preaching at Barker's Sunday.

W. C. Riddick is New President of A. and M. College

Raleigh Dispatch, May 30.
W. C. Riddick is the new president of the North Carolina College of Agriculture and Mechanics Arts, succeeding Dr. D. H. Hill, who retires after eight years of the presidency to write the history of North Carolina's part in the Confederacy for the North Carolina division of Confederate Veterans, under a special commission from the State Historical Commission.

Prof. Riddick was elected after morning and afternoon sessions of the board of trustees that sandwiched the commencement exercises. At the same time Dr. W. A. Withers was made vice president in the stead of Dr. Riddick.

Dr. Hill's term as president closes July 1 and the terms of the new officers begin at that time.

Prof. Riddick who has been at the head of the department of civil engineers of the college for 24 years, is 52 years old and is a native of Wake county. He was educated at Washington and Lee and the University of North Carolina.

Dr. Withers, the new vice president, has been with the college as professor of chemistry for the past 26 years.

Representative Godwin Speaks in Lumberton Tomorrow Afternoon

Representative H. L. Godwin will speak at the court house here tomorrow at 3 o'clock p. m. Music will be furnished by a brass band. This is on the eve of the primary, when interest in the fight for the nomination is high, and no doubt Mr. Godwin will be greeted by a large crowd.

FOR CLEAN POLITICS

Do Your Part at Polls June 3rd—It is Your Duty to Vote, a Solemn Obligation—Avoid the Paid Politician

To the Editor of The Robesonian.
On next Saturday, June 3rd, the citizenship of Robeson county will have offered to them the exercise of privilege possible to the American man—the ballot.

The ballot is a heritage left us by our ancestors—paid for with life blood. It represents to us many generations of downtrodden who fought and suffered under oppression for us, before this great idea was reached.

Friend, handle this heritage with care. Whoever you support be careful to act only according to your truest convictions and only after most careful consideration.

Avoid the paid politician. Allow no man to place a marked ballot in your hands for your vote. I can think of no higher insult that could be thrown into a man's teeth than the proffer of money or any other consideration for his ballot. A thinking man that would accept a consideration for his ballot, without insult, COULD NOT BE INSULTED. If you would spit in his face, he would consider it an honor.

The ballot is not only a sacred privilege; it is a solemn obligation. It is your DUTY to vote.

The man who doesn't regard this obligation enough to come to the polls, but wants to be paid for the time he loses from his work, another of avoided by honest men. That man owes his country that much of his time and if he is unwilling to give it, then he is unfit for citizenship.

It is your solemn duty to cast your ballot. Let's put forth every effort to give Robeson county a big vote next Saturday, and a clean vote.

I have heard of lots of good men who will not cast their vote "because politics are so rotten." That is no excuse. If every honest man did his part, they wouldn't be rotten. Mr. Moody, campaigning for a prohibition election in Chicago, asked a preacher for his support. The preacher replied that "he had nothing to do with earthly politics," that "his citizenship was in heaven." Dr. Moody responded that "as long as the good Lord saw fit to allow him to remain on earth with sinful men, that his advice was for the next thirty days to transfer his citizenship back down to this vale of tears."

Do your part. "Hold Robeson, Save the State."
J. B. E.
St. Paul, N. C.

RECORDER'S COURT

Trial of Men Charged With Beating Up J. J. Barnhill Continued Till Next Tuesday—Other Cases

The following cases have been disposed of by Recorder E. M. Britt since Monday:

Alex Howell, jumping board bill, judgment suspended upon payment of cost and paying board. Tom Graham and Marsh Roper, colored, having more liquor than law allows, case dismissed. This was a case where Chief of Police Alf. H. McLeod seized a suit case which Graham brought off the 6:19 Seaboard train Saturday afternoon and therein found 2 gallons of "monkey rum". Graham swore the case was not his but belonging to Roper, who asked him to take it off the train. Roper swore the suitcase was not his and he knew nothing at all about it. Witnesses testified that Graham did not have a suit case when he boarded the train and as the case was not in the possession of Roper it was considered that there was not sufficient evidence to convict either of the defendants.

The case in which five warrants have been issued against parties from the Lumberton cotton mill charging them with beating J. J. Barnhill, an account of which has been published in The Robesonian, was set for Monday afternoon, but on account of the illness of one of the defendants the case was continued till Tuesday of next week.

Notice of New Advertisements
A fact about money that all should consider—First National Bank.

Nimocks to the people.
On "Choosing a Congressman".

Milch cows for sale.
Touring car for sale.

Miss Maggie McNair of Maxton arrived this morning and will spend some time here visiting at the home of Mrs. A. C. McMillan.

CONCERNING ROADS

Candidate MacNair is Willing to Help Work Out a Road Law Under Which Robeson May Have Good Roads

To the Editor of The Robesonian:
I note in last Monday's issue you think it probable that candidates express themselves on the road question.

Personally, I shrink from attempting the task of constructing a road law that would conform to the desires of the public.

So many failures have been made. No road law of itself will build roads. The people must do it.

Not until our best men are willing to devote of their time and talents to the construction and maintenance of our roads can we hope to obtain and maintain the desired end.

A bond issue has been suggested by some.

You have now a bond issue law, passed in 1913, that applies to this county, that we might avail ourselves of. This is the township plan, and any bond issue that does not provide that each township's bond money shall be spent within its own boundaries would fail of enough votes to adopt.

I am of the opinion, too, that the proper way to spend bond money, if we were to adopt this or similar plan, would be to put out the work to contractors who own their own equipment and who are experts in their line, following the same plan that the railroads do in their construction. They build by contract, they maintain by a section force.

From this we might learn a lesson. The roads we build we do not keep properly repaired.

How long would a railroad last without a repair force to keep in condition?

The same principle applies to the public road. With no repair force, soon you have no roads.

I certainly am willing to help find a remedy for our condition and I sincerely hope this may be found.

Sincerely,
H. C. MacNAIR.
Maxton, N. C.
May 27th.

CHURCH NOTES

Rev. Dr. W. B. North, pastor of Chestnut Street Methodist church, delivered the principal address at the laying of the corner stone of Olivet Methodist church, Marietta, yesterday.

Rev. N. L. Seabolt, pastor of the Lumberton circuit, read the Scripture lesson. Rev. J. H. Hall, presiding elder of the Rockingham district, held quarterly conference in addition to the corner stone exercises.

A large crowd attended the exercises and a public dinner was spread on the grounds. It was a most enjoyable occasion.

The church to which the stone was laid has already been completed and furnished. It cost around \$7,000 and is a most beautiful brick structure.

Rev. B. E. Stanfield of Fairmont is pastor of the church.

Series of Meetings Begins at First Baptist Sunday

As has been mentioned in The Robesonian, a series of meetings will begin at the First Baptist church Sunday morning at the regular church hour. Rev. Dr. W. M. Vines, pastor of the First Baptist church, Charlotte, is expected to arrive Monday to assist the pastor, Rev. Chas. L. Greaves, in the meeting. The hours of service will be announced in Monday's Robesonian. The public is invited to attend the services. Dr. Vines has the reputation of being one of the strongest Baptist ministers in the State.

B. Y. P. U.
A splendid program was carried out by the B. Y. P. U. at the First Baptist church Monday evening. Miss Pearl Howard was group leader. The subject for the evening was "My Money and Missions," which was very ably discussed by Messrs. Foster Flowers and Rexford Stephens. A special feature for the evening was a solo by Mr. C. B. Skipper. Prof. J. H. Highsmith of Wake Forest College was present and made a splendid talk on "The function of the B. Y. P. U.," which was much enjoyed by all who were fortunate enough to hear him.

Member of Meredith Faculty Will Sing at First Baptist and Chestnut Street Methodist

Miss Karen Anne Ellington Poole of the vocal faculty of Meredith College, will sing at the morning service at the First Baptist and at the evening service at Chestnut Street Methodist Sunday. She is a guest at the home of Dr. and Mrs. Jno. Knox.

Children's Day at Chestnut Street Methodist Sunday

Children's day exercises will be held at Chestnut Street Methodist Sunday morning during the regular Sunday school hour, instead of during the preaching hour, as at first intended. Parents are invited.

Children's Day at Zion's Tabernacle

Children's day exercises will be held at Zion's Tabernacle Baptist church, the 2nd Sunday in June. Everybody is cordially invited to attend and carry a well-filled basket.

Messrs. Okey Stephens and W. L. Thompson of R. 4, Lumberton, are among the visitors in town today.

Mr. J. F. McKay of the Philadelphia section is a Lumberton visitor today.

—The condition of Mrs. C. H. Edmond, who has been sick at her home Fourth street, for several days, is somewhat improved today.

—Mr. Worth Rogers of Charlotte arrived Tuesday and will spend some time here visiting his brothers, Messrs. John and B. C. Rogers.

—Mr. J. C. Martin left this morning for Chadburn, where he has accepted a position as chief of police. He will enter upon his duties at once.

—Mrs. W. A. McNeill went yesterday to the home of her parents, Mr. and Mrs. Giles Stephens, near Orrum, on account of the serious illness of her father.

—The condition of Nancy Pope, two-year-old daughter of Mr. and Mrs. W. P. McAllister, who was taken to Highsmith hospital, Fayetteville, Saturday, is improving.

—Prof. R. E. Sentelle, superintendent of the Lumberton graded school, left last evening for Raleigh to attend a State teachers' institute conductor's conference today and tomorrow.

—Mr. F. A. Floyd, mail carrier on route 2 from Fairmont, and Mr. W. B. Ratley, carrier on route 3, Fairmont, were among the visitors in town early this morning. They report crops doing well on their routes.

—Mr. H. G. Webster, local tinner, has opened up a shop in the White building, Fourth street, formerly occupied by Sam Lee, the Chinese laundryman. Lee has moved into one of the houses on the street.

—The office of the town clerk and treasurer at the town hall, which office has been in the open hall, is being cut off from the hall by a partition. This will add much to the convenience of Town Clerk and Treasurer Townsend.

—Mr. and Mrs. L. M. McKenzie returned Monday night from the western part of the State, where they had been since their marriage here on the 17th ult. They will live with Mr. McKenzie's parents, Mr. and Mrs. M. G. McKenzie, Elm street, for the present.

—Farmers say they have never seen grass growing and doing better than it is now doing. It has "got a move on them," as they put it. Crops are doing fine, too, they say.

—People are behaving themselves better than usual right at this time," was the remark of a Robeson county rural policeman this morning. He thinks the cause perhaps is that the grass has folks too busy to "cut up."

—Prof. J. F. Love, who was principal of the graded school here during the session which closed last week, left this morning for Knoxville, Tenn., where he will attend the Summer School of the South. As was mentioned in Monday's Robesonian, Prof. Love was re-elected as principal of the school here for the next term, but declined to serve as he had accepted the position of superintendent of the St. Paul graded school.

—The more than 50 fly traps placed about town by Sanitary Officer A. E. Spivey are destroying millions of flies every week. If they are kept baited properly and kept right on the job they will soon make the town nearly flyless. The traps are being furnished to any who want to use about their residences by the town at 45 cents each. Marion, S. C., has placed an order for a sample of the trap used here and will try them out in that town.

—Mr. A. C. Smith, who lives 9 miles from Lumberton on the Elizabeth road, Howellsville township, was in town yesterday. The heavy rain and wind of Tuesday afternoon extended to his section and the wind blew down some trees, but no damage was done to crops. On the way to town, however, 4 and 5 miles from town, he came through a section where hail had fallen the day before and had done considerable damage to cotton, corn and tobacco.

—Mr. F. C. Faulk, master mechanic at the Lumberton cotton mill, suffered a badly mashed hand Tuesday morning as a result of getting it caught between a generator and the wall at the mill. The generator, which weighed some 3,500 pounds, was being moved on a truck. The weight of the generator caused the truck to break through the floor. This caused the generator to catch Mr. Faulk's hand. Dr. T. C. Johnson was summoned and dressed the wound. While the hand is badly bruised it is not thought that amputation will be necessary.

—Mr. L. W. Moore of Wilmington, Grand Marshal of the Odd Fellows, has written Mr. P. P. Green of Lumberton to the effect that the A. C. L. will give a special rate to all Odd Fellows who wish to visit the commencement of the Odd Fellows orphan home at Goldsboro on the 8th inst. The round-trip rate from Wilmington will be \$1.50. The train will leave Wilmington at 7:40 o'clock in the morning, returning to Wilmington late that afternoon. Mr. Moore urges all Lumberton members and others who desire to go from this section to go with the Wilmington party. The home will furnish both dinner and supper for all Odd Fellows.

—My glasses were fitted by Dr. Parker, the only specialist in Lumberton licensed by State Board Examination for this important work. HIS SERVICE SATISFIES
