HELP FOR WORKING WOMEN

Some Have to Keep on Until They Almost Drop. How Mrs. Conley Got Help.

Here is a letter from a woman who had to work, but was too weak and suffered too much to continue. How she regained health:

Frankfort, Ky.—"I suffered so much with female weakness that I could not do my own work, had to hire it done. I heard so much about Lydia E. Pinkham's Vegetable Compound that I tried it. I took three bottles and I found it to be all you claim. Now I feel as well as ever! I did and am able to do all my own work again. I recommend it to any woman suffering from female weakness. You may publish my letter if you wish."—Mrs. JAMES CONLEY, 516 St. Clair St., Frankfort, Ky.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice,—it will be confidential.

ed to her room for some time. She doesn't improve fast.

Miss Mag Phillips and Master Ted were among the guests at Mr. Geo. Lennon's Saturday night.

Mrs. James Kelly from Fairmont is visiting her son Mr. Livey Kelly.

Mrs. Minerva Shaw, who was in feeble health for many months, departed this life Sunday, May 28. She is survived by a number of children.

Crops are looking good since the rain. Farmers in this section are making every effort to harvest their wheat. We think it's fine, considering the rain has been so scarce.

BUIE-PHILADELPHUS BATCH

Poor Stand of Cotton and Crop Will be Short and Late—Corn is Fine—No More Western Corn and Meat—Farm Life School is a Great Help—Truck to Northern Markets—Personal and Other Items

Correspondence of The Robesonian. Buie, May 31—The long May drought caused a very poor stand of cotton in this section. The crop will be short and late. While there are a few fields of good cotton and good stands through the community, the average is not more than three-fourths a stand.

Corn is fine. We have never had better prospects for a good crop. Western corn and hay are not seen in this section any more. Only a few seasons ago one-half the average farmer's annual expense was for grain and feed stuff. Not so now. Our farmers are selling corn and hay to other sections. If Mr. Blanchard and Mr. Roberts, of the farm life school, continue their campaign for hogs and soy beans, before a few more seasons pass this section will not only sell corn and hay on the market but hogs in car lots to the parker.

The farm life school has been a great help to our famous Philadelphia community. When the farmers throughout the country realize that it is Robeson county's farm life school and patronize and support it as every family in this community has, Robeson with its unequalled adaptability of soil to every kind of crop will not only rank first in cotton growing in North Carolina but for cultivated area, of intensive diversified farming and independent farmers Robeson will be not first in North Carolina but the banner county of the South.

We invite every one interested in better farming to visit our section of the county and see what we are doing.

Mr. A. Britt and Mr. J. A. Townsend, both residents of Buie, came very near getting into real trouble the other day about their cows grazing on some lots near the edge of town. One neighbor got offended and phoned to Red Springs for the rural policeman. He came down and settled matters for the present. The cows are still at large (I saw them) as I drove in town this morning; they are still feeding near where they were before the rural policeman came down, and of course this must mean they were giving no unlawful trouble.

DOWN BOARDMAN WAY

Death of Mrs. Minerva Shaw—Crops Looking Good—Church News—Personal

Correspondence of The Robesonian. Boardman, R. F. D., June 2—Rev. J. D. STATE NEWS

The river and harbor bill that passed the United States Senate Monday and will now go to conference and be agreed to, carries \$1,000,000 for the inland waterway from Norfolk to Beaufort, continuing the improvement. Other items for North Carolina include \$83,000 for the Cape Fear river above Wilmington, completing improvement and maintenance, and \$135,000 for Cape Fear river at and below Wilmington, completing and maintenance.

Novella Chase, 13 years old, started more than a score and a half of fires in seven days time recently in the home of her father, T. W. Chase, a farm tenant living near Kinston, and burned down the home of a brother-in-law living near by. The origin of the fires was puzzling for a while. She has been placed in the Caswell Training School, State institution for the feeble-minded near Kinston, and will undergo treatment for the mania which impelled her to attempt to destroy with fire everything around her.

The last 3 carloads of strawberries that will be shipped this season from the Wilmington district were loaded Tuesday—two cars at Mount Tabor and one at Chadbourne—making a

TAKES THE PLACE OF DANGEROUS CALOMEL

New Discovery! Dodson's Liver Tone Acts Like Calomel But Doesn't Gripe, Salivate or Make You Sick—Don't Lose a Day's Work—Harmless Liver Medicine for Men, Women, Children—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight. Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you

right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
