## GRADED SCHOOL OPENS WITH RECORD ATTENDANCE

405 Pupils on Opening Day—Three Different Schools and Those Who Have Charge—Supt. Sentelle Well Pleased With Organization and Expects Best Year in History of School—Teachers Will Meet Daily

The Lumberton Graded Schools opened Tuesday morning with a record-breaking attendance. The number present for the opening was 405, the number present on the opening day last year being 398.

The pupils have been divided into three different schools as follows—primary, grammar and high schools. Miss Elizabeth Dexter is primary supervisor and will teach the B section of the primary department. Miss Lillian Nance is teaching the A section of the primary department. Miss Pennie Rowland is teacher of the second grade and Miss Winifred Rowland is teacher of the third grade, all of which come under the primary department.

Miss Elizabeth Snead is head teacher of the high school and record keeper of the eleventh grade. He also teaches English in the high school. Miss Elizabeth Belk is record keeper for the tenth grade and teaches history. Miss Effie Newton is record keeper for the ninth grade and teaches mathematics. Miss Mae Seabolt is record keeper for the eighth grade and teaches Latin and French. Supt. R. E. Sentelle will have charge of the department of science and will assist in teaching Latin. All the teachers in the high school are college graduates.

The music department is in charge of Misses Christine Gower and Agnes McLean. Miss Irene McLeod teaches expression and physical culture, while Miss Margie Russell has charge of the art department. The three last-named departments are self sustaining and those in charge do not draw salaries from the regular school fund.

The high school is housed in the new building and there is now plenty of room for all. It will be remembered that during the last several terms of school the work has been handicapped because of lack of room. The new building does away with all that and provides ample room for every grade.

This is the first year the pupils have been arranged in separate schools, and Supt. Sentelle says he feels sure that this will be one of the best years in the history of the school. He is well pleased with the organization of the school and says there will be much more professional work done this year than ever has been done here. The teachers of the various grades, or schools, will meet every afternoon in separate meetings and discuss matters pertaining to the work of their grades. A general meeting in which all the teachers will take part will be held once each month.

It had been intended to have an educational rally at the opening of the school, but on account of the fact that seats have not been placed in the auditorium it was decided to hold the rally later. Everything has been arranged and the pupils have entered right into their regular school work. Quite a number of out-of-town pupils have entered the school here, which is considered one of the best preparatory schools in this entire section.

Misses Elizabeth Dexter, Winnie and Pennie Rowland, Lillie Barker, Elizabeth Snead, Effie Newton and Elizabeth Belk have been members of the faculty for several terms except Miss Dexter, who was a member of the faculty last year. The new members of the faculty are Prof. J. R. Taylor of Castalia, Prof. Bert Cagle of Canton, Misses Mae Seabolt and Lillian Nance of Lumberton and Miss Elizabeth Breece of Fayetteville.

Misses Christine Gower and Agnes McLean were members of the music faculty last year. Misses McLeod and Russell, both of Lumberton, are new additions to the faculty.

This is Prof. Sentelle's eleventh year as superintendent of the school.

With the loss of 11 lives Monday, the second attempt to bridge St. Lawrence river at Quebec resulted in a failure when the massive center span, weighting 5,100 tons, suddenly collapsed and fell into the river. Of the ninety men caught on the span when it began to sway, all were rescued except the 11 and of these only four bodies have been found.

A profit of more than \$1,000,000 a week was made by the Ford Motor Co. during the year which ended July 31, according to the financial statement issued recently. The year's business totaled \$206,867,347; the profit was \$59,994,118.

Lecture at Raft Swamp  
Correspondence of The Robesonian.  
Lumberton, R. 6, Sept. 14.—Rev. Mr. Pittman of Mo., has visited China and Japan and will lecture at Raft Swamp Tuesday night, 19 of this month.

## PROPOSED PACKING HOUSE

Lumberton Business Men Much Impressed With Explanation of Proposition to Establish Packing House in Wilmington—They Subscribe Stock—A Business That Ought to Bring Prosperity to This Section if Farmers Will Raise Hogs and Cattle—A Great Wealth Producer

Lumberton business men who heard Tuesday Messrs. Jno. W. Greer of Moultrie, Ga., and W. W. Love of Wilmington explain the advantages this section would reap from the establishment of a packing house in Wilmington were very much impressed with the sound business sense behind the idea and several subscribed for stock. Messrs. Greer and Love went from Lumberton to Fairmont and presented the matters to business men of that town Tuesday afternoon.

A meeting of business men was held in the commissioners' room at the court house Tuesday morning to hear Mr. Greer, who is helping to raise stock for the proposed packing house in Wilmington, and Mr. Love, a wholesale grocer of Wilmington, who is chairman of the committee that is raising the stock. The room was about half full of business men who had been reached by phone and personal invitation, and the county commissioners, who were here to hold a special meeting, also were present.

Mr. Greer talked smoothly, easily, convincingly about the packing house business an dwby business men and farmers of Lumberton and Robeson county should be interested in the venture. Listening to Mr. Greer, you can just fairly see Robeson and other counties in this section rolling in wealth in a few years if the people of these counties get behind the Wilmington packing house with their support and go to raising hogs and cattle. And the beauty about the picture he paints is that he can prove it by what has happened in other places. Moultrie, Ga., from which place Mr. Greer hails, is in a section which formerly was an all-cotton section. The farmers were debt-ridden and poor, with no prospect of ever being able to pay off the mortgages. A packing house was started there with fear and trembling because it was an experiment to try it out in a country where the farmers were wedded to cotton. The results were astonishing, even though it was known that the packing house business is the dividend-payingest business that was ever started, and the greatest prosperity promoter. In the Manufacturer's Record 20 months after this house was started was told a marvelous story of general prosperity in all that section. Farmers were paying off mortgages, the women were dressing better, more comforts were found in farm homes, merchants were doing almost double the business they'd done before the packing house came, and the country was fast getting on a cash basis.

Mr. Greer told about this and more. He declared that Robeson is very much the same kind of country and predicted that such prosperity as will never be known under the all-cotton plan would follow the establishment of a packing house in Wilmington. It would do more to bring about diversification than anything else. Everything that can be done on the farm can be turned into money. It furnishes a market for everything. A packing house furnishes a clearing house for the farm. Farmers can make more money on hogs and cattle than in any other way. Farmers of this section can beat the West raising meat because they have 25 to 30 different feeds, whereas the farmers of the West have only 5 or 6; and the Western farmer has more expense in housing and caring for his hogs and cattle. Yet North Carolina buys \$35,000,000 worth of meat yearly from the West, and the South buys \$350,000,000 worth. They should be selling meat instead of buying.

When the packing house is established in Wilmington it will furnish a market right at their doors for all the hogs and cattle the farmers of Robeson and other counties in this section can raise. Mr. Love explained that it was desired to make this a co-operative affair, hence no one was being asked to take much stock but effort was being made to get all the business men and farmers of this entire section to take stock. It was explained that fewer packing houses have failed than any other business, that they have made more millionaires than any other business, that during the past 16 years the average dividends declared by packing houses have been around 30 per cent.

It is proposed to get the Wilmington plant in operation in about 8 months. The plant is to cost \$75,000 and will have a capacity of 200 hogs and 30 cattle daily.

County Home Problem  
Commissioners Hold Special Meeting to Discuss Perplexing Question

The county commissioners were in a called session here Tuesday for the purpose of discussing the idea of selling the old county home and buying a farm and building a new home. While two or three farms which have been offered for sale for a county home were looked over by the board, nothing definite was decided upon. The board ordered at a meeting some months ago that the old home be sold, but no sale has yet been made.

Mr. J. F. Ravbon returned Saturday from Bladen county, where he spent six weeks.

## MARIETTA NEWS MATTERS

Social Meeting of Baraca and Phila-thea Classes—Miss Mae Oliver Hostess to G. W. Club—Personal Mention

Correspondence of The Robesonian.  
Marietta, Sept. 13.—A very enjoyable social meeting of the Baraca and Phila-thea classes was held in the Oak Grove at old Olivet on Monday night. About 7:30 the boys and girls began to arrive and the evening being cool and cloudy, campfires were built, around which the members of the classes gathered and the time was pleasantly spent telling stories and playing games until the chicken stew, the main attraction of the evening, was ready. The chickens were cooked in pots suspended over the fire, in regular camp life style, and never was a feast more enjoyed for by this time every one was hungry. The social meetings are looked forward to with much anticipation and this one was one of the most pleasant held, so far, by the two classes.

Miss Mae Oliver was hostess to the G. W. Club Saturday afternoon of last week. As the guests arrived they were shown into the parlor, which was fragrant with flowers. After a brief business session and a while spent in conversation, delicious grapes followed by cream and cake were served by the hostess assisted by Mrs. T. C. Parham. The club then adjourned to meet with Mrs. W. M. Oliver Friday, Sept. 22.

Mrs. W. H. Oliver, who had been visiting relatives here, returned to her home in Raleigh Sunday. She was accompanied by her brother-in-law Mr. Ben Oliver, who goes to enter school there.

Among the boys and girls who have gone away during the past two weeks to various schools and colleges are: Miss Ada Henley, Oxford; Mr. Joe Page, Wake Forest; Mr. Paul Oliver, A. & M., Raleigh; Miss Alice Page, Meredith, Raleigh; Miss Helen Oliver, State Normal, Greensboro; Mr. C. B. Oliver, Trinity College, Durham; Mr. John Wells, Shelby; Misses Annie and Lula Page, Shenandoah Collegiate Inst. and School of Music, Dayton, Va.

Miss Rachel Oliver left Monday for Kinston, where she has accepted a position in the graded school of that place.

Mr. and Mrs. F. D. Meadows and son Clate and Mrs. J. W. Bowles of N. Wilkesboro spent several days this week visiting Mrs. Bowles' daughter, Mrs. W. M. Oliver.

Miss Luna Williamson, who has been visiting at the homes of Messrs. C. A. and D. J. Oliver, returned to her home near Lumberton the first of the week.

Rev. F. B. Townsend of Greensboro spent Saturday night with Mr. and Mrs. S. M. Oliver.

Mr. D. J. Oliver, who recently underwent an operation at Thompson hospital, Lumberton, returned home Monday.

Mrs. B. L. Temple spent Tuesday with her sister in Florence, S. C.

Mr. J. J. Oliver left Wednesday afternoon for Richmond, Va.

## GADDSVILLE GRIST

The Democratic Rally and the Town of Lumberton—Gadysville a Busy Place—Tell it to the Newspaper Correspondent—Protracted Meeting

Gadysville (Fairmont, R. 1), Sept. 13.—Saturday was indeed a pleasurable, profitable day for your correspondent, it being our good fortune to spend the day in the thriving progressive "city by the Lumbee", to single with the Democrats from "all over" and the hospitable entertaining people of Lumberton, which town knows how to entertain a stranger that comes within her gates. We enjoyed everything, especially the Virginian Governor's address. We never heard a better.

Lumberton is a city that is peopled with the salt of the earth, a people that can make a stranger feel as if he was at home; and we know that they are God's own people.

We saw many strides in prosperity since our last trip. The new hotel is rapidly nearing completion and will be one of the best class, a credit to any city.

The person that travels the country roads with a "nag" these days is continually pestered with Fords, especially when the roads are as sandy as they are now, by turning out and in. We wish they all had a Ford and road to themselves.

Gadysville is getting to be one more busy place. Right in God's open iron horses lash through the fields blowing their whistles, scores of railroad hands come and go and automobiles continually pass.

Fall is almost here, the season which affords the poet something to draw his pictures from and the artist as well. Hereafter we shall try to write to The Robesonian twice each week and the people here in our own community could do us a great favor by telling us the news that's worth writing. If you know anything, if you go anywhere, tell it to us. We hold a secret very confidential until you want it released; but any news will be appreciated by this scribe.

The protracted meeting is in progress at Baltimore church this week, being conducted by Revs. W. S. Ballard and I. P. Heidgorth.

The meetings will begin at Pleasant Grove Sunday, Sept. 17th. The pastor Rev. W. S. Ballard, will be assisted by Rev. Mr. Miller of Fairmont.

W. V. B.

## BULE AND PHILADELPHUS NEWS

Philadelphus School is Progressing Nicely—Ditch Across Unused Road Ditches a Ford—Social and Personal

Correspondence of The Robesonian.  
Buie, Sept. 13.—There were a good many people from through here that attended the rally at Lumberton Saturday and report a grand time.

Mr. and Mrs. N. G. Smith of Red Springs passed through town this morning en route to Rowland, where they spent the day at the home of Mr. Smith's brother Mr. Samuel Smith.

An ice cream supper was served at Harmony last Friday night. Messrs. James McLeod and Ellis Baker were among the ones from here going.

Messrs. J. B. Humphrey and A. C. McLeod spent today in Lumberton.

The Philadelphus High and Farm-Life School is progressing nicely under new management, and we predict for this to be a banner year with Prof. Cates at the head, who is fast gaining the confidence of the entire community.

Miss Quessie Ratley of Fairmont is spending a few days visiting Miss Inez Lewis.

Mr. James McLeod has accepted a position as salesman in the store of Mr. A. Britt.

An ice cream supper was served by the ladies of Moss Neck M. E. church Tuesday night. Among those from here who attended were Messrs. James McLeod, Ellis Baker and W. H. M. Brown.

Rev. N. L. Seabolt filled his regular appointment here Sunday.

There is a road leading out from Buie, that has been traveled on up to two or three months ago. At the upper end, where it did join in to the main Lumberton road, is a ditch, but the opposite way from the direction this road leads, which stops travel on this road. Messrs. Walter and George Wright came over to Buie, and not thinking there was a ditch at the upper end of this road, they and their little Ford rambled right along at the rate of 35 or 40 miles an hour, and before they even had time to think their Ford was standing head foremost in a large ditch. With the exception of a sprained foot, there was no serious damage done, and with some help they got their Ford out and continued their journey. They were en route from Harnett to Scotland county.

## GLENNWOOD GLEANINGS

Harvesting Time—Teachers Elected—Social and Personal

Correspondence of The Robesonian.  
Glennwood (Pembroke, R. 1), Sept. 13.—Summer is gone and fall has come with the harvesting time. The farmers have begun to gather their cotton but it will not take long as the yield is very small.

Misses Ruth and Annie Campbell and Annie Lee Traywick returned to their homes at Blenheim, S. C., today after spending a couple of weeks in this community visiting relatives.

Miss Mattie Culbreth of Hamer, S. C., is visiting relatives in their section.

Misses Etta and Ella Duncan entertained a few of their friends last Thursday evening. Games were played and cream was served. Everybody reported a pleasant time.

The ladies of Pine Grove church realized about \$40 at their ice cream supper last night. There was a contest in which the girl who received the largest number of votes received a cake. Misses Ruth Campbell and Stella McNeill were the contestants. As both received the same number of votes the cake was divided. The cake brought \$31.

We have elected the teachers of our school for this term, Prof. Jas. Hall of Red Springs for principal and Miss Dora McKonick of Rowland as assistant. There has been no certain set when school will open.

Miss Quessie Ratley of Fairmont is spending a few days with her aunt Mrs. Martha Lewis.

Miss Inez Lewis and little brother, Glenn, are attending school at Philadelphus this year.

Mr. and Mrs. M. N. Folger of Lumberton spent Sunday afternoon at Mr. D. C. Buie's.

Sorry to report Mr Eugene Lewis sick.

Rev. N. L. Seabolt filled his regular appointment at Moss Neck Sunday, preaching an interesting sermon.

## FARMERS' UNION MEETING

County Meeting to be Held at Ten Mile September 20—State Lecturer Green Will be There

As has been mentioned in The Robesonian, a county meeting of the Robeson Division of the Farmers Union will be held at Ten Mile church Wednesday of next week, September 20. State Organizer-Lecturer J. Z. Green of Marshville is expected to address the meeting and all Union men in the county are urged to attend. Especially are all locals urged to send a full delegation to this meeting, which will be one of vast importance to farmers generally. Remember the date and be on the scene.

## Bie Potato Crop Expected

It will be remembered that the potato crop in this section last year was a bumper. Farmers say they think the crop is going to be one of the same sort this year. That is good news as good potatoes make good eatin'.

## ROZIER NEWS NOTES

Cotton and Tobacco Prices—The Recent Picnic—Personal Mention

Correspondence of The Robesonian.  
Rozier (Lumberton, R. 2), Sept. 12.—Picking cotton seems to be the order of the day in this vicinity. Mr. D. F. Britt has sold two bales of this year's cotton at 14 cents per pound.

Tobacco selling is over and the farmers are well pleased with the prices. We hope the farmers will be as well pleased with cotton prices as they were with tobacco prices. Mr. W. T. Adams will ship part of his tobacco to Smithfield, Johnston county, this week.

Mr. A. H. Barker and sister, Miss Marvie and Miss Fannie Britt are expected home tonight from Wilmington, where they spent several days with Mr. and Mrs. H. J. McRae.

Mr. J. C. Carlyle spent Thursday at Fairmont.

Mrs. Charles Allen of St. Paul is visiting her parents, Mr. and Mrs. J. H. McDonald of Rozier.

Mr. J. C. Harrel of Rozier spent a day in Fayetteville on business.

Mrs. Frank Hightower and mother, Mrs. Watson of Fayetteville, are spending a while with Mrs. Watson's daughter Mrs. M. J. Barker.

Miss Sallie McDonald and Messrs. Jack and Walter Humphrey attended preaching at Rennett Sunday.

Mrs. J. C. Carlyle and two daughters, Misses Pearl and Bertie, spent Monday at Ten Mile at the home of Mr. and Mrs. S. N. Martin.

Miss Maude Bullock of Center spent the week-end visiting Misses Ethel and Pearl Carlyle.

Miss Orpie Rozier has returned home after spending several days with her sister Mrs. D. Z. Wooten of Fayetteville.

Mr. and Mrs. G. L. Willis are all smiles; a big boy.

Mr. Stedman Holder spent the week-end at Bennettsville, S. C.

Mr. and Mrs. S. B. Rozier have moved to St. Paul. They have many friends here who regret to part with them. We wish them good luck.

Mr. and Mrs. H. E. Stacy of Lumberton and Mrs. Rosa Leach of Rowland passed here yesterday en route to Mrs. Leach's farm near here.

The writer doesn't see that there is any good in saying anything about the picnic which was at Rozier September 2, for she thinks Mr. W. K. Bethune gave it puff enough in a recent issue of The Robesonian. We want to say Mr. H. Q. Alexander made one of the finest speeches we ever heard. Mr. W. K. Bethune introduced all of the speakers and we think he is Godwin's representative.

Messrs. Edgar and Herbert Smith are spending several days at Dublin, Bladen county.

Messrs. O. M. Britt, Avery Powers, Walter Rozier and Carey McDonald spent Sunday at Ten Mile.

Miss Ollie V. Livingston will leave this week for Fayetteville where she has accepted a school.

Glad to report Rev. L. Y. Joyner has returned from the hospital much improved.

## ELECTION RETURNS

Manning Won by Nearly 5,000—Dorsey Wins in Georgia—Illinois Primaries Yesterday

Virtually complete returns last night from the South Carolina Democratic primary of Tuesday make certain the re-nomination of Governor Richard I. Manning over former Governor Close L. Blease by a majority approaching 5,000.

Hugh M. Dorsey of Atlanta, former solicitor of the Atlanta circuit, in the primary Tuesday carried an overwhelming convention vote which will nominate him Governor on the first ballot and in addition got a majority of the popular vote over his three opponents.

Former Congressman Frank O. Lowrey of Oregon, Ill., and Governor Edward Dunn, incumbent, were nominated for Governor by the Republicans and Democrats, respectively, in the Illinois primaries yesterday, according to estimates based on incomplete returns last night.

## Recorder's Court

Dave Britt was before Recorder E. M. Britt Tuesday on the charge of assault with a deadly weapon. Judgment was suspended upon payment of cost. Britt must appear before the recorder once each month and show good behavior. Britt is the young man who cut Ernest Thompson with a knife last Sunday night, an account of which was published in Monday's Robesonian. Britt is under 18 years old and according to Recorder Britt that was all that kept him from serving a sentence on the road. The evidence at the trial, however, indicated that Thompson was to blame for the row which caused Britt to cut him.

Opening Sermon at Carolina College  
Sept. 17  
Maxton Scottish Chief.

The opening sermon before the student body of Carolina College will be preached in the auditorium Sunday, September 17th, at eleven o'clock. Rev. Dr. H. G. Hill, senior pastor in Maxton, will preach at that hour, and all the churches are invited to this union service.

—Maybe Buffalo Bill will west show, will come to Lumberton this fall. The town authorities have given assurance that that particular show may come to Lumberton.

## WHY THE PAPER IS LATE

Electric current being off much of the time since Monday has delayed typesetting on The Robesonian and a burnt-out switch at the sub-station caused further delay this afternoon in going to press. These delays have made it necessary for several items to be left out that otherwise would have appeared in the paper today.

## BRIEF ITEMS OF LOCAL NEWS

—Miss Cora John of Lumber Bridge is teaching at Pleasant Garden. She wants to keep up with Robeson, so she sends for The Robesonian.

—Mr. A. Weinstein left Tuesday night for New York, where he will spend two weeks buying goods for his large department store on Elm street.

—Mr. E. S. Miller recently bought a residence from Mr. A. S. Pittman on East Fifth street. Mr. Miller and family moved into the house yesterday.

—Master Anthony Redmond, son of Mr. and Mrs. C. B. Redmond, will leave Sunday for Charleston, S. C., where he will enter the Catholic high school.

—Mr. W. S. Wishart returned Tuesday from Atlanta, Ga., where he spent Monday on business. Mr. Wishart says crops are as good here as anywhere on the route between here and Atlanta.

—Misses Sadie Ray Pope, Rosa Wishart, Vivian McNeill, Carrie Mae Hedgpath and Mildred Williams left yesterday for Raleigh, where they will resume their studies at Meredith College. Miss Louise Steele went yesterday to Greensboro to enter the State Normal.

—Auto drivers, listen here: the town has furnished Chief of Police McLeod a stop-watch, so he can get the dots on you right away quick. If you exceed 10 miles the hour on business streets or 15 miles the hour on residential streets in Lumberton, the chances are you will have to pay for it.

—Mr. Gaston Prevatt, who lives near Back Swamp, had to kill a fine horse Tuesday night as a result of the horse being kicked by a mule. Mr. Prevatt turned the horse and some mules out in a lot to drink water and the mule kicked the horse on the right back leg, breaking the bone into shreds just above the knee. Dr. Rowland Deese was called, but decided that it was best to kill the horse.

—Messrs. Bullock Brothers have moved their grocery store from the Carlyle building, Chestnut street, into the Caldwell building, Elm street. They will enlarge their grocery stock and Mr. J. W. Bullock, senior member of the firm, will have charge of the store, while Mr. L. F. Bullock, junior member of the firm, will conduct a garage and livery business at the old stand in the Carlyle building.

—Mr. A. W. McLean will be the principal speaker at an educational rally in connection with the opening of the high school at Clarkton tomorrow. Mr. McLean will speak at 11 o'clock a. m. Speaking of the day (the Bladen Journal, published at Clarkton, says: "Those present will be favored with an address by Hon. A. W. McLean of Lumberton. Mr. McLean needs no introduction as a speaker of splendid reputation, and Clarkton was indeed fortunate in securing him for this occasion.")

Among the Sick  
Mr. J. J. Oliver, carrier on rural route 1 from Marietta, passed through town yesterday en route to Richmond where he will enter a hospital for treatment.

Miss Leitha Page returned this morning from Charlotte, where she underwent four operations in the Charlotte sanatorium. Her condition is greatly improved.

Farm Demonstrator Blanchard Has Office at Court House

County Farm Demonstrator L. E. Blanchard has moved his office from the county farm-life school at Philadelphus to the room he formerly occupied on the second floor at the court house. Mr. Blanchard will be in his office here on Mondays. The balance of the time will be spent at the Philadelphus school and in the rural districts.

Mrs. Robt. Chaffin returned Tuesday from Davidson College, where she visited at the home of her son-in-law and daughter, Mr. and Mrs. F. L. Jackson. Her granddaughter Miss Dorothy Finlayson, who spent her vacation here, left the same day for her home at Davidson.

Misses Annie Bert Stainback and Marie Thompson went Monday afternoon to Red Springs, where they entered Flora MacDonald College.

Mr. Wayne Caldwell, who is a student of Kings Business College, Charlotte, spent the week-end here visiting his parents, Mr. and Mrs. A. P. Caldwell.

Mr. Rossie B. Britt went yesterday to Mt. Eliam, where he will spend a week or ten days visiting relatives.

My glasses were fitted by Dr. Parker, the only specialist in Lumberton licensed by State Board Examination for this important work. HIS SERVICE SATISFIES
