A Laxative for Babies Good for Everybody

Dr. Caldwell's Syrup Pepsin is a Safe and Efficient Family Remedy. Every member of the family is more or less subject to constipation and every home should always be supplied with a dependable remedy to promptly relieve this condition. Whenever the bowels become clogged and the natural process of elimination thereby disturbed, the entire system is affected, and readily subject to attack by disease. Constipation is a condition that should never be neglected. Mrs. E. R. Gilbert of Millboro, Va., says that Dr. Caldwell's Syrup Pepsin is a splendid laxative for children because they like its pleasant taste, and it acts so easily and naturally, without gripping or strain, and she finds it equally effective for the rest of the family. Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that contains no opiate or narcotic drug. It is mild and gentle in its action and does not cause pain or discomfort. Druggists everywhere sell this excellent remedy for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure you get Dr.

Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

Their sister and little brother, Dovey and Fairis, took their places and are very sick with the same old measles. Mr. M. T. Sanford made a flying trip to Lumberton on business this p. m. Mr. Sam Smith is all smiles: it's not "another" boy, but a boy. WILD BILL.

Help Us Improve Your Service

When you have made a call and the person responds, or when you answer a call, save time for all parties by announcing who you are. Say, "Blank & Company, Mr. Blank speaking." This is the modern way. The old way of shouting "Hello" is ungraceful and is fast becoming obsolete. This up-to-date way of answering rids the lines of abrupt questions and answers, "Well, who are you?" "What do you want?" etc., which used to be the preliminary to most telephone conversations. Answer all calls promptly. You expect others to do this; help us by doing it yourself. When you telephone smile.

WEAK, NERVOUS OHIO WOMAN Made Well By Delicious Vinol
Bellefontaine, Ohio.—"My blood was very poor—I was in a weak, nervous, run-down condition. I tried different remedies without benefit and one day my druggist told me about Vinol. I tried it and it built me up in every way—blood, strength and nerves, and I tell my friends it is the best medicine on earth."—Mrs. EARL BRUNSON.
Vinol sharpens the appetite, aids digestion, enriches the blood and in this natural manner creates strength. Complete formula on every label.

Don't Have Catarrh

One efficient way to remove nasal catarrh is to treat its cause which in most cases is physical weakness. The system needs more oil and easily digested liquid-food, and you should take a spoonful of

SCOTT'S EMULSION

after each meal to enrich your blood and help heal the sensitive membranes with its pure oil-food properties. The results of this Scott's Emulsion treatment will surprise those who have used irritating snuffs and vapors.

The Milk Factory

A cow is simply a milk factory. To produce quantities of milk that is, good rich food, of the proper kind, she must have "raw material," that is, good rich food, of the proper kind.

GEM DAIRY SWEET FEED is a balanced ration which serves every need of the milk producing cow. As practically 100% of it is digested and assimilated there is no waste. This fact makes GEM DAIRY food cheaper than some foods sold at lower prices.
