REGISTRANTS EXAMINED

320 Registrants for New National Army Examined in Lumberton—64 Failed to Pass Physical Examination and 186 Filed Claims for Exemption—It is Thought Quota of 180 Will be Obtained From Number Examined

Yesterday, Tuesday and Monday were busy days in Lumberton with the army exemption board of Robeson county district No. 1. One hundred and twenty men of the first draft for the new national army were examined each day and given a chance to file claims for exemption. Fourteen men failed to pass the physical examination Monday, 25 failed to pass Tuesday, and 25 failed to pass yesterday. Of the 106 who passed the physical examination Monday, 68 filed claims for exemption; of the 95 who passed Tuesday, 57 filed claims for exemption; and of the 95 who passed yesterday, claims for exemption were filed by 61.

In addition to those who filed claims for exemption with the local board, a number asked for blanks on which to file claims for exemption on industrial grounds with the district board for Eastern North Carolina. The local board can pass only on claims for exemption on account of dependents. Claims for exemption on account of occupation must be filed with the district board. The local board ran out of blanks for making affidavits in support of claims for exemption the first day and will mail blanks to all who were not supplied as soon as they are received.

The exemption board was in session at the court house all day each of the three days. Chairman T. L. Johnson sat at a desk in the courtroom, which was more or less full all the time with registrants and interested on-lookers. In the jury room to the rear of the courtroom, men were examined by the physicians. Mr. L. M. Oliver of Marietta, a member of and clerk to the board, had a desk in this room. Men to be examined undressed in rooms to the rear of the courtroom, whites, Indians and colored using separate rooms, and were admitted to the examining room stripped naked. Here they were examined by Dr. W. A. McPhaul, county health officer and member of the board, having been appointed to succeed Dr. B. W. Page and Drs. T. C. Johnson and J. A. Martin, assistant examining physicians, and Dr. W. W. Parker, optometrist, who passed upon the sight of registrants. If a registrant failed to pass one physician he was then examined by each of the other physicians in turn, to see if all arrived at the same conclusion in regard to him.

Leaving the room where physical examinations were made, the registrant passed to the landing at the head of the stairway back of the courtroom, which landing was screened off, and there Mr. I. L. Caldwell, secretary to the board, took down the height, weight, color, etc., of each man, each being weighed naked. Those who successfully passed the physician examination and who desired to make claim for exemption then went to the office of the county health officer, where Mr. Richard Norment filled out the proper blanks. A large percentage of those who filed claims for exemption did so on the ground of being married and having dependent wife and children. Some claimed exemption on the ground of having aged or infirm parents dependent upon them.

It is thought that the quota for this district—180—will be secured from the 360 examined this week. Sixty-four failed to pass the physical examination. Of the remaining 296, 186 filed claims for exemption. One hundred and ten men did not file claims for exemption before the local board, but some of these obtained blanks for filing claims before the district board. To make up the quota for this district—180—only 70 men are to be obtained in addition to the 110 who filed no claims for exemption before the local board. These 70 men are to be obtained from the 186 men who filed claims for exemption, roughly speaking, not taking into account the men who will file claims before the district board. The claims of more than 60 per cent of the men who filed claims before the local board might be passed and still leave enough men to make out the required number.

As stated in Monday's Robesonian, 360 registrants of Robeson county district No. 2 have been notified to report at Red Springs for examination Friday and Saturday of this week and Monday of next week, 120 men each day.

RECORD TOBACCO SALES

120,000 Pounds Sold on Lumberton Market Yesterday at Highest Prices of Season—Also Big Week on Fairmont Market

Yesterday was a record day on the Lumberton tobacco market. Lumberton's two houses sold yesterday 120,000 pounds and the prices were the highest of the season. Farmers were pleased and everybody went home smiling and happy. The warehouses are crowded with tobacco every day and indications are that this will be by far the biggest year in the history of the Lumberton market.

This is also a big week on the Fairmont market. The warehouses are filled each day with the weed and prices continue high.

Miss Mattie May Jennings, after spending some time in Lumberton visiting at the home of Mr. and Mrs. H. B. Jennings, left this morning for her home at Spartanburg, S. C.

COUNTY HEALTH BOARD MEETS

County Health Officer Page Granted Leave of Absence for 90 Days—Dr. W. A. McPhaul Appointed to Serve For Same Length of Time at Same Salary—Board Recommends Public Nurse

At a called meeting of the county board of health held Monday in the office of Supt. J. R. Poole, Dr. B. W. Page, county health officer, was granted leave of absence for 90 days and on Dr. Page's recommendation Dr. W. A. McPhaul was appointed health officer for the same length of time at the same salary, \$229 the month. Dr. Page's health has been failing for some time and he has gone to the home of a brother at Teachey's, Duplin county, where he will stay for some time.

The board recommended to the county commissioners that Miss Elizabeth Frye of Red Springs be employed as whole-time public health nurse to work in conjunction with the county health officer. The salary contemplated was \$125 the month. The county commissioners did not take any action on this recommendation at their meeting Monday.

TOWN BUYS PROPERTY

Part of Townsend Property Adjoining Light Plant Lot Purchased by Town for \$499—Gives Ample Room for Expansion of Light and Power Plant

Mayor Jas. D. Proctor purchased Tuesday for the town of Lumberton a portion of the Townsend property at the foot of Sixth street, adjoining the lot on which the light and power plant and filter system are located. The property purchased is 150 x 250 feet and the price paid was \$499. The purchase includes the artesian well, which the town has not owned heretofore.

This is a part of the Townsend property which was sold at a bankruptcy sale by Mr. W. O. Thompson, trustee. It was knocked down at the sale for \$450 to Mr. J. J. Goodwin, who was induced to dispose of it to the town.

MR. ALLEN EDENS PASSES

Prominent and Wealthy Citizen of Rowland Died Early This Morning—Funeral Tomorrow Morning

Mr. Allen Edens, one of the largest farmers and most successful business men of Robeson county, died early this morning at his home at Rowland. He had been in poor health for some time, death being due to Bright's disease. The funeral will take place tomorrow about 11 a. m. at Rowland.

Deceased was about 65 years old and was never married. He lived with his sister, Miss Letitia Edens, who survives him. He is also survived by a number of other relatives. Mr. Edens was a successful farmer and business man and leaves a large estate. He organized and for a long time was president of the Bank of Rowland, resigning some time ago on account of his health. He was interested in the oil mill at Rowland and a stockholder in cotton mills in Lumberton, besides having large farming interests. Mr. A. W. McLean and others of Lumberton will attend the funeral tomorrow. Mr. McLean says of deceased that he was a man of fine character, modest and unassuming, a man of exceptionally fine business judgment.

Prowler Peeped in Window—Vamosed When Lady Called for Pistol

About 10:30 last night Mrs. H. M. Beasley was frightened at her home on the corner of Pine and Fifth streets by a prowler who quickly made his departure when she called for a pistol and said she would shoot. She saw a mulatta or a very dirty white man—she did not tell which—peep in the window of her bedroom, where she lay with a baby that was born Monday night, three times. The third time the man tried to open the shutters and bring her pistol and called to the nurse that she would shoot if he did not leave. The prowler then left and no more was seen of him. Mrs. Beasley is away in Charlotte and Mrs. Beasley was alone in the house last night with her small children and a nurse, but she will not without other protection hereafter. Several times lately men have been discovered prowling about at night in that section of town and those who can't are liable to get a dose of lead, as are householders who are aroused over the mysterious actions of some prowlers.

Libera Declares War on Germany

Liberia, the negro republic on the coast of Africa, has declared war on Germany. Some time ago Liberia broke off diplomatic relations. The declaration of war now gives opportunity to intern German merchants and others who have been accused of unneutral activities. The United States was advised Tuesday of the little republic's action.

COUNTY SCHOOL MATTERS

Business Transacted at Regular Monthly Meeting of Board of Education—Petitions Not Granted for Consolidation of Oakton and Proctorville Schools—Other Matters

At the regular monthly meeting of the board of education held Monday in the office of Supt. J. R. Poole, chairman Lucius McRae and Mr. C. T. Pate being present, the following business was transacted:

A loan of \$300 made by the State Loan fund to district No. 6, Howellsville township, was ordered transferred to the Barnesville school, Sterling township No. 6, for building purposes.

Mr. Pate, who was appointed to investigate the building in district No. 4, colored, Alfordville township, reported that the building is in such bad condition that it would be better for the county to erect a new building, provided he district contribute one-half the amount.

Petitions were presented for and against the consolidation of the Oakton and Proctorville schools, and while the board expressed itself in favor of consolidation of schools in this case, under the existing circumstances, it was ordered that the petition asking for consolidation be not granted.

A loan of \$800 granted by the State Loan fund to district No. 1, colored, Shannon township, was ordered transferred to district 3, white, Orrdsville township, for building purposes.

It was ordered that \$300 be allowed district No. 4, colored, Alfordville township, from the county building fund, provided the district contribute an equal amount.

The county superintendent was instructed to advertise and sell at public auction the old school buildings in Alfordville township, districts 1 and 4, colored.

Appropriation for teachers' salaries in district 6 Howellsville township, white, were increased \$10 for the term.

Bill of \$17.65 was ordered paid to Freeman Printing Co. for printing and stationery.

School committeemen were appointed as follows: Bradley McKay in district 1, Alfordville township, colored; Mr. D. B. McQueen in district 1, Pembroke township, in the place of Mr. N. McInnis, who resigned.

Rebate of 34c was allowed Mr. B. L. Pittman, on account of error in listing in district No. 1, Fairmont township.

One acre of land in Alfordville township was ordered sold to D. B. Brooks for \$15.

Sale of school property in district No. 3, Britts township, for the sum of \$41, was ordered approved.

Rev. Mr. Miller will preach here Sunday p. m. at 4. Everybody is invited to come.

Jurors for September Court

At their meeting Monday the county commissioners drew the following jurors for the civil term of Robeson Superior court which will convene Monday, September 3:

First week—W. W. Baxley, M. T. McGougan, Raymond Jones, C. F. Baxley, Gordon Sealey, H. C. Newton, J. B. Bass, E. V. McDaniel, A. C. Bracey, W. E. Carlyle, F. F. Purvis, G. L. Bullock, F. C. Faulk, J. G. McRae, D. B. Herring, H. P. Barnes, T. F. Barnes, Alex. Barnes.

Second week—E. C. Graham, J. L. Cooper, S. A. Baxley, Harvey McMillan, J. Walter Prevatt, W. B. Ivey, H. L. Byrd, Tom Brambles, D. H. Nance, W. L. Ivey, R. L. Little, W. J. Williams, Frank Mays, W. H. Bullard, J. M. McNeill, A. H. Leggett, Isham Pitman, W. R. Taylor.

Food Bills Will Become Laws Tomorrow

The food bill was finally adopted by the Senate yesterday in the form previously approved by the House. President Wilson's signature now makes it law. Both bills are to become laws Friday with President Wilson's approval. Prompt appointment of Herbert Hoover as food administrator and immediate operation under the legislation is expected to follow.

Watermelons Bringing Fine Prices

Mr. A. W. McLean is shipping today his fifth car of watermelons from 15 acres near the Jennings cotton mills, just north of town, and he will ship several other cars from the same place. He has gotten \$255 a car for those shipped heretofore, and it looks like the price is going up.

ROAD BOARD MEETING

Board Will Meet Next Monday to Take Up Question of Superintendent—Disposition of Chain Gangs and Mules—Each Member of Board to Contract Roads in His District as He May See Best

The road commissioners held their regular meeting Monday.

An order was passed that each member of the board contract roads in his district as he sees "best for road patching and dragging, subject to the approval of the board at its next regular meeting."

The matter of adjustment of the Burnt bay road difficulty was left to Mr. J. A. McCormick.

It was ordered that Mr. L. E. Whaley be paid \$150 compromise damages to his property on the Creek road.

Ordered that Mr. J. I. Townsend take two chain gang mules and Mr. I. T. Brown take 6 mules, to be worked in their districts until needed by the chain gang again.

The secretary to the board, Mr. J. Browne Evans, was empowered to settle contract with Asbury Carter on the ditching on Saddletree road and to draw vouchers for the work as the work proceeds.

Ordered that chain gang No. 2 be transferred when it has completed the Rowland road to Elrod to complete the Harper's Ferry road, after which to be transferred to districts 1 and 5.

Ordered that the secretary be paid \$25 for expenses and services rendered in adjusting township accounts and bills.

The board will meet again Monday of next week to pass upon the road superintendent. Mr. H. W. Rainey was elected superintendent of roads by the board appointed by the Legislature. The law provides that the superintendent must be recommended and endorsed by the State Highway commission. It is understood that Mr. Rainey was employed subject to such endorsement.

The matter has been hanging fire ever since May, some members of the board being under the impression that the necessary endorsement had been given. It seems, however, that the endorsement has not been given. Supt. Falls of the State Highway commission, has written a letter in which he states that the commission has been so rushed with other matters that it has not had opportunity to make the necessary investigation. Mr. Rainey was given until Monday of next week to get the proper endorsement. It is understood, however, that Mr. Rainey has applied for admission to the second series of officers' training camp at Fort Oglethorpe, and if admitted to that camp of course the position will be vacant. Mr. Rainey will know on the 11th, whether or not he will be admitted to the camp.

BROAD RIDGE BREEZES

A Flag That Needs Replacing—Canning—Raising Potatoes and Pigs—About Raising Tobacco—Miss Kelly at Broad Ridge—Personal and Other Items

Correspondence of The Robesonian. Broad Ridge (Lumberton, R. 4), Aug. 6.—Farmers of this section are getting the last loads of their tobacco.

We were surprised to know of a wedding that took place at Dillon, S. C. The couple took their start at the Broad Ridge church the 5th Sunday in the month of July in a car belonging to Bullock Bros. The groom met his bride-to-be and they joined Mr. Bullock and left for Dillon.

This scribe was in Lumberton Saturday and could not help but notice the Stars and Stripes on top of the court house, our country's hope and pride all faded and torn. It looks as if our country is already whipped. Surely our country deserves a new flag.

All remember preaching next Sunday night at 8:30.

Mr. Arthur Bissell of this section has purchased a new buggy—not a car—if it has rubber tires on it. Canning fruit seems the order of the day in this section and neighboring sections.

If the boys in this section keep on buying wheels, they will have to build them a bicycle highway.

A certain farmer of this section buys and keeps on selling Ford's. Seems he can't be pleased.

There is a vast quantity of potatoes being raised in this section. Farmers seem to be going to sop "tater" and gravy.

Pigs, pigs! Everywhere pigs are hogs!

I think the time will come when mules and horses won't have anything to do, by the sights of autos in this section.

We read about the broad smiles the farmers are wearing who are selling tobacco these days. Those who think the farmers are getting too much for their tobacco or a fancy price, or even more than we deserve, let them come in the ring and grow tobacco, as we have plenty of farm land we can turn over to them at any time.

Miss Sue Kelly, a missionary worker, is expected at the Broad Ridge church next Thursday at 3 p. m. and at night at 8 o'clock.

One-Third of First Quota of Men Drafted to be Sent to Camp Early Next Month

A Washington dispatch of the 8th states that more than 200,000 men of the selective draft forces will be called to the colors September 1 to go immediately to their divisional training cantonments. This will bring the strength of the United States army on that date to practically 1,000,000 men.

Miss Mildred and Master Walter Rivenbark of Wallace are visiting their uncle Mr. C. B. Brice.

Mrs. F. C. Jones and Mrs. J. D. McLean entertained at a silver circle Tuesday afternoon at the home of Mrs. Jones. A good crowd attended and collections amounted to \$5.05. Music was furnished by Mrs. Leroy Tayscott and Miss Jeddie Mae Briscoe. An old-time spelling bee was very interesting in which Mrs. Willis and Mrs. Bristow tied, a hand-made Battenburg handkerchief being the prize. Mrs. Willis, being a visiting guest, Mrs. Bristow presented her the prize. Pineapple shirtbet and wafers were served.

Mrs. E. J. Chambers and Mrs. C. A. Floyd will entertain Tuesday, 21st, at the home of Mrs. Floyd.

Continue bringing your tobacco to Fairmont, where the prices are good, some being sold here Thursday for \$50 the hundred.

Mr. and Mrs. F. A. Floyd and children were Lumberton visitors Wednesday.

Miss Annie Lee McDaniel is visiting her cousin Miss Ruby Thompson in Lumberton this week.

Messrs. W. B. Ratley and Lawrence Wilson were business visitors in Lumberton Wednesday.

SMYRNA NEWS NOTES

High Prices for Tobacco—Miss Kelly's Talks—Protracted Meeting Correspondence of The Robesonian.

Smyrna (Lumberton, R. 4), Aug. 7.—Curing tobacco seems to be the order of the day now. Some of the farmers have finished up their tobacco and have realized \$250 per acre. Somebody will be rich, it looks like. But this scribe don't like the weed, if it is a good price.

Miss Sue Kelly made a real nice talk here Sunday p. m. A large crowd was present to hear her. Miss Kelly spoke on missions and, believe me, she is a speaking woman. Wish we could have her with us every day. Miss Kelly will speak for us tonight. We hate to see her leave us but hope we will have her with us again soon. May God help her in her meetings at all places.

Our meeting started today with our pastor doing the preaching. Rev. Herbert Hester is expected to arrive tomorrow morning to do the preaching. The services will be at 11 a. m. and 8 p. m. Everybody is invited to come.

Mr. and Mrs. Dock Coxie spent Saturday night in this section.

Farmers are about through with tobacco and seem to be well pleased with the price they are getting.

Mr. and Mrs. D. B. Tyler of Cerro Gordo arrived Friday at the home of Mr. Dan Britt, Mr. Tyler returning home Sunday. Mrs. Tyler and children will spend some time here.

Local National Aid Society Has Attractive Window Display

An attractive window display has been arranged in one of the show windows of the Popo drug store by ladies of the local National Aid society. In this display are shown various useful articles ladies of this society are making for soldiers. It is hoped by this display to enlist the help of other ladies in making articles for the army and navy and to secure contributions. At this drug store and at the Grantham and McMillan drug stores receipts have been placed by the society for contributions. The ladies are engaged in a noble, patriotic and much-needed work, and it is to be hoped that liberal contributions will be made and other ladies will volunteer to help in making the various articles that are needed.

Reorganization of American Army Units Ordered by War Department

Washington Dispatch, Aug. 7.—A re-organization of American army units, under which the division totaling 228,000 men, found unwieldy for service on European battlefields, is abandoned for the continental unit of about 19,000 men, has been ordered by the War Department. Under the new plan a division will include only two infantry brigades of two regiments each, in place of three brigades of three regiments under the old system.

Mr. Ira B. Mullis, formerly of Lumberton, now of Raleigh, is spending today in Lumberton.
