The 5th Federal Reserve district, composed of the States of Maryland, Virginia, North and South Carolina, is expected to buy \$200,000,000 of Lib-erty bonds. This has been apportioned among the banks of the dis-trict, each bank and its customers being asked to take an amount based upon the resources of the bank as Bank of Lumberton, \$77,700; First National Bank, \$61,320; Planters Bank & Trust Co., \$28,140.

Mr. K. M. Barnes, treasurer of the last-named bank, says that so far as last-named bank, says that so far as he knows the Planters Bank & Trust Co. is the first bank in the county to subscribe for its share. It is important to bear in mind in this connection, however, that the cus-
