

ALLIED LINE STILL HOLDS.

Nowhere Have the Germans Been Able to Accomplish Their Purpose—Hard Fighting Continues.

The Germans started a general attack on the Flanders front this morning but no report as to results up to 2 p. m.

The entire allied line in France and Flanders still stands firmly. Nowhere have the Germans been able to make a further dent in it. Hard fighting has been in progress on the Ypres sector around Voormezele and to the south at Loere. Both places have several times changed hands, but at last reports Voormezele had been recaptured by the British, but the Germans had obtained another foothold in Loere.

Voormezele was taken by the Germans Saturday but the British in a night attack won it back and since have held it, inflicting heavy casualties on the Germans in renewed efforts to take the place.

The Germans have tried at several points along the front held by the French to pierce the line, but everywhere have been repulsed, notably in the St. Mihiel and Lunville sectors, where recently American troops were stationed. Whether the Americans again came into combat with the enemy was not vouchsafed by the French official communication.

By one of those "back to the wall" stands for which they have been famous in this war, the Franco-British forces have saved the situation in the Ypres sector from turning into an immediate big success for the Germans after the loss by the allied forces of the predominating peak of Kemmel. Had the enemy been able at once to develop his success in the Kemmel sector as he attempted to do, the result probably would have been disastrous to the allied troops in the Ypres salient.

The Germans, as the week closed were virtually no nearer their objective, the allied base at Amiens, than they were before their smashing attack of Wednesday between the Somme and the Aisne, while several more of their divisions have been badly smashed in the fighting against the British and Franco-American defense.

Reports coming by way of London are to the effect that in Germany there is much perturbation over the inability of the Teutons to pierce the allied line and nervousness and depression over the losses the Germans have suffered.

The operations in the Italian theatre continue of a minor character, consisting of small patrol encounters and artillery duels of more or less intensity on various sectors.

Likewise in Macedonia comparative quiet prevails, although there has been considerable shelling of opposing positions by the artilleries and aerial bombing craft. Near Vessrenik the Serbians carried out a successful attack against the Bulgarians and annihilated the section they held.

Nothing has come through either in the way of confirmation or denial of the reports in circulation Saturday that a counter-revolution had broken out in Petrograd and that Grand Duke Alexis Nikolaievitch had been proclaimed emperor of Russia.

BOY ACCIDENTALLY KILLED.

Son of Mr. and Mrs. F. F. Townsend Instantly Killed by Accidental Discharge of Gun With Which He Was Hunting.

Raymond, 11-year-old son of Mr. and Mrs. F. F. Townsend, who live in the Raft Swamp section, accidentally shot and killed himself late Thursday afternoon. Young Townsend was rabbit hunting and it is supposed he slipped off a slick log and the gun he was carrying was discharged. A brother of the unfortunate boy heard the report of the gun and saw the boy fall and rushed to him. Death was instantaneous. The funeral was conducted at the Odum burying ground Saturday at 10 a. m. by Rev. L. E. Dailey, pastor of the Raft Swamp Baptist church, and interment was made in the family burying plot.

Applicants for Furloughs Should Heed This.

Those who send in applications for furloughs for soldiers at camp should be careful to give the correct company address. Chairman T. L. Johnson of Robeson district No. 1 says he has received a number of requests for furloughs without this information, and nothing can be done about them. It is not sufficient to state merely that the soldier is at Camp Jackson, or wherever he is; the company address must be given. Give the address just as you would give the address on a letter to the soldier.

Champ Clark Declines Senate Appointment.

Speaker Champ Clark of the House of Congress has declined to accept the Missouri senatorship offered him by Gov. Gardner. The Governor has offered the place to Judge W. W. Graves of the Missouri Supreme court.

Get Vaccinated.

Dr. W. A. McPhaul, county health officer, says he has plenty of typhoid vaccine on hand and will be in his office in Lumberton Monday and Tuesday of each week to vaccinate any who want to take the treatment.

TO THOSE WHO HAVE FAILED TO DO THEIR PLAIN DUTY.

Approximately 1,500 persons in Robeson county have thus far subscribed to the third Liberty Loan. Just 2 1-2 per cent of the 60,000 people of the county have done their duty. In Germany 6 out of every 10 subscribed to their last and recent loan. Should our people increase the number of subscribers by 4,500 and subscribe \$50 each it would add \$225,000 to the \$300,000 already subscribed. We would then have voluntarily done what the Hun has accomplished.

There are 4,500 persons in Robeson county who have not seen the light and invested their talents with the Government that hovers over and protects them on land and on the seven seas. Surely they will come to themselves before it is too late. All subscriptions must be turned over to the banks by the close of business on Friday of this week, which means that we have five more days in which to raise our \$400,000 maximum allotment.

Information has come to me that many persons are waiting to see if Robeson county can get along without their subscriptions. It is needless to say that such persons are, in effect, rendering aid and comfort to the ruthless foe—a foe that would not and does not wait, but a foe that continues to murder women and children and tear down the precious things of the earth which civilization has erected in the past generations. The Government is calling upon those who are waiting and have not thrown in their lot to help make the world a decent place to live in.

A. W. McLEAN,
Chairman Robeson County Liberty Loan Committee.

ROBESON OVER THE TOP.

Minimum Allotment for County Has Been Subscribed But There is Still \$89,150 to Raise to Go to \$400,000—Some Towns Lagging Behind—Only 5 More Days.

Robeson county subscribers to the third Liberty loan have pushed the total of purchases for the county to \$310,850. This is \$10,850 over the minimum allotment of the county, and it is desired during the five days that remain before the end of the campaign to raise at least \$89,150 and so make good this county's part of the oversubscription hoped for of at least \$1,500,000,000.

You will notice from the figures given below that some of the principal towns of the county have failed, so far, in making up their allotments, while some country districts have oversubscribed. St. Pauls, McDonalds and Proctorville have more than doubled their allotments and are entitled to stars in their honor flags; Fairmont, Rowland and Red Springs have oversubscribed and are entitled to honor flags.

The Marietta district has obtained subscriptions to the extent of \$5,750, these subscriptions having been turned over to several banks of Robeson county, and also to the Bank of Pages Mills, S. C., and Bank of Fair Bluff. Amount allotted was \$5,000, showing an over-subscription of \$750. The Barnesville district has obtained subscriptions to the extent of \$5,500. Amount allotted was \$5,000, showing an over-subscription of \$500. These subscriptions, too, have been turned over to the several banks of the county reporting them.

But what is the matter with Lumberton, Maxton, Parkton, Pembroke? Shall it be said that these good towns failed to raise their allotment? That will never do. These towns do not want to miss winning honor flags. Some tall stirring has got to be done this week if they do not miss winning flags.

A list of subscribers from over the county was published in Thursday's Robesonian. Another list will be published in the next issue. Totals reported through the various banks of the county up to date are as follows:

(First figures give amount allotted, second figures amount subscribed).
National Bank of Lumberton, \$62,600—\$58,500; First National Bank of Lumberton, \$41,000—\$32,750; Planers Bank & Trust Co. of Lumberton, \$17,500—\$18,250; Bank of St. Pauls, \$13,300—\$27,350; Bank of McDonalds, \$5,000—\$10,050; Bank of Proctorville, \$2,100—\$6,300; Bank of Fairmont, \$15,800—\$20,150; Peoples Bank & Trust Co. of Fairmont, \$22,400—\$31,250; Bank of Rowland, \$22,400—\$31,900; Merchants & Farmers Bank of Rowland, \$14,000—\$16,650; Bank of Red Springs, \$18,900—\$18,450; Carolina Bank & Trust Co. of Red Springs, \$11,700—\$13,700; Bank of Maxton, \$42,000—\$30,700; Bank of Robeson of Maxton, \$11,000—\$8,000; Bank of Parkton, \$4,900—\$2,350; Bank of Pembroke, \$4,900—\$2,350. Total subscribed, \$310,850.

AGENTS MUST GET PERMIT.

No Dogs Allowed Loose For 60 Days—Regulations For Driving on School Grounds.

LINKHAW PARK PROTECTED.

At a meeting of the board of town commissioners Thursday evening an ordinance was passed which says that no dog shall run loose in the town of Lumberton for a period of 60 days from April 25, 1918. It will be remembered that an ordinance was passed February 16, 1918, which said that no dogs should run loose in town for a period of 40 days. This ordinance expired March 27.

An ordinance was passed which makes it unlawful for any person to drive on the western half of the graded and high school grounds with automobile or other vehicles. The ordinance provides that persons wishing to go on said grounds with a vehicle may do so by approaching from either Seventh or Eighth streets and entering to the rear of either of the school buildings. Any person violating the provisions of this ordinance will be fined not exceeding \$50.

To regulate the nuisance of so many agents soliciting orders for books and various articles, an ordinance was passed providing that any persons coming into town for the purpose of selling or taking orders for any article or soliciting aid or making a house-to-house canvass for any purpose, shall first apply to the chief of police for a permit, whether a license tax is required or not. A fine not exceeding \$50 or imprisonment for not more than 30 days is provided for violation of this ordinance, which does not apply, of course, to traveling salesmen calling upon merchants or other business houses. Any person to whom the chief refuses a permit may appeal to the mayor.

The board extended a vote of thanks to Mr. W. L. Linkhaw for his patriotism and public spirit shown in the "beautify" work which he has recently had done on town commons between Fourth and Fifth streets.

The lot will be known as "Linkhaw park." An ordinance was passed making it unlawful for any person to walk on grass planted about the park, subject to a fine of not less than \$5 nor more than \$50.

It was ordered that the V. & C. S. Ry. Co. be required to straighten the sidetrack built along town commons in the southern part of town, this to be done within 12 months from the first day of April, 1918.

Recorder's Court.

Elbert Goodyear, said to be 15 years old, of the Barnesville section, was bound over to the Superior court Thursday by Recorder Britt on the charge of carnal misuse of a girl under 14 years of age. The bond was fixed at \$750, which he made.

Edmund Davis of the Raft Swamp section was before Recorder E. M. Britt Saturday on the charge of using profane language on the public highway. He was found guilty. Prayer for judgment was continued upon payment of the cost. The defendant was required to make bond in the sum of \$200 and appear before the recorder the first Monday of each month for ten months and show good behavior.

The U. D. C. will meet Thursday at 4:30 in the directors' rooms of the National Bank of Lumberton.

Red Springs Citizen: Judge Bue showed us parts of a home-made whiskey still captured and brought in by our local officers a few days ago. The owner, a negro, is known, and the officers are after him.

The following Lumberton people attended the music festival in Charlotte Friday and Saturday: Mr. and Mrs. T. A. McNeill, Jr., Mrs. E. K. Proctor and daughter, Miss Lillian Proctor, Mrs. James D. Proctor, Mrs. H. M. McAllister and Mrs. T. L. Johnson.

FLORA MACDONALD MAY BE SYNODICAL COLLEGE

Matter of Making a Bid Left to Discretion of Trustees of College.

MINISTERS SHOULD DISCUSS MORAL ISSUES OF THE WAR

Fall Session of Presbytery Will Convene September 24.

At its last session at the meeting held in Lumberton last week Fayetteville presbytery voted to leave to the discretion of the trustees of the institution the matter of offering Flora Macdonald college, now owned jointly by Orange and Fayetteville presbyteries, for the synodical college to be established in the State.

This action was agreed upon after earnest discussion which was prolonged to such an extent that it had not been decided at the time for the closing of the Thursday morning session, which it was thought would be the closing session of presbytery, and the discussion was resumed at a session which convened immediately after the dedication of Lumberton's new Presbyterian church, where the sessions were held, Thursday afternoon.

Dr. C. G. Vardell, president of the college, advocated the adoption of a resolution instructing the trustees of the college to go to synod and make a bid for the location of the proposed synodical college at Red Springs, offering Flora Macdonald. Orange presbytery, he argued, had passed such a resolution, and there was all to gain and nothing to lose. They could offer a plant at Red Springs, he said, worth \$200,000, with an endowment of \$75,000, and with almost certain prospect of endowment by June of \$150,000, so that their offer would be around \$350,000 and would almost certainly result in establishing the synodical college at Red Springs. If the offer were not accepted, he argued, the status of Flora Macdonald would not be altered in the least.

It will be recalled that Queen's college of Charlotte and Peace institute, Raleigh, have been turned over to a committee appointed by synod and that they will be merged into a synodical college the location of which will be determined by the most advantageous bid made for the establishment of one synodical college for girls in the State. Dr. Vardell did not propose to put Flora Macdonald in the "pool" with these other colleges in the sense that it would mean the closing of Flora Macdonald should it be decided to locate the synodical college elsewhere, but that the college should remain as it is if its bid should not be accepted.

Mr. A. W. McLean of Lumberton, chairman of the board of trustees of Flora Macdonald, argued that it would never do to tie the hands of the trustees with instructions to offer the college without giving them discretion in the matter. He thought the chances for Flora Macdonald winning out were not so certain as Dr. Vardell believed; it would be largely a contest among real estate men, he said, who would be able to make more attractive propositions than Red Springs could offer. He thought, too, that it would place the college in an unfortunate position, and lay it open to the charge of running with the hare and holding with the hounds, to offer the college if the synodical college should be established at Red Springs, at the same time refusing to allow the college to go in unless its offer were accepted. Flora Macdonald, he said, had much more to offer than either Peace or Queen's, and it would be best to leave the matter to the discretion of the trustees to safeguard the interests of Flora Macdonald.

Dr. Vardell bridged the differences by agreeing to a resolution embodying Mr. McLean's contention and such a resolution was drawn and adopted by presbytery. Orange presbytery will be asked to modify its resolution in the same manner, so as to leave the matter entirely in the discretion of the trustees.

Of Thursday presbytery Ministers Should Teach Moral Issues of the War.

Rev. W. E. Hill, pastor of the First Presbyterian church of Fayetteville, asked presbytery to pass a resolution urging its ministers to instruct their congregations on the moral issues of the war, which was done. He is more and more impressed, he said, with the tremendous power ministers have for influencing the attitude of people toward all public questions, and he felt that special effort should be made to keep the moral issues of the war before the people.

A resolution of thanks was adopted, to be read at the evening service, expressing appreciation for the wholehearted and open-handed hospitality of the Presbyterian congregation and the people of Lumberton in general in entertaining presbytery.

At 6 p. m. to meet in adjourned session in the Fayetteville First church May 23 at 12 m. The fall session will convene at Kenley, Johnston county, at 8 p. m. on Tuesday, September 24th.

"The Kaiser, the Beast of Berlin" has created a sensation wherever it has been shown and no doubt it will draw large crowds at the Pastime theatre here tomorrow. While this picture was being shown at some place out West a man got so mad that he pulled out his shootin' "arm" and took a couple of shots at the counterfeit presentation of the kaiser-freak. Don't carry your gun to the show.

TOWN PRIMARY TOMORROW.

No One Opposes Mayor Proctor—7 Candidates for Commissioner and 4 to Be Nominated—Election Next Monday.

The town primary will come off tomorrow, April 30. The following had handed in their names as candidates for the various offices by Saturday night at midnight, when the lists closed:

For mayor—James D. Proctor. For commissioner: first ward—W. P. McAllister, A. H. Hinds; second ward—A. V. G. Wishart, B. Sam Edwards; third ward—T. A. McNeill, Jr., R. E. Sentelle; fourth ward—E. M. Johnson. One commissioner is to be nominated from each ward.

For graded school trustees—Q. T. Williams, R. C. Lawrence, J. H. Wishart, Dr. W. A. McPhaul. Four trustees are to be elected. Messrs. R. D. Caldwell and J. P. Russell, present members of the board, declined to run. Messrs. Williams and Wishart are members of the present board.

For board audit and finance—Frank Gough, H. M. McAllister, W. S. Britt. These compose the present board.

While the nomination will be equivalent to election, the town election will take place Monday, May 6, to confirm the election of those nominated.

A TREAT IN STORE FOR ROBESON COUNTY CLUB GIRLS

A Girls' Camp Will Be Held at the County Farm-Life School at Philadelphus May 20 to 25.

(By Miss Lulu M. Cassidey, County Home Demonstration Agent).

The hearts of the 400 club girls of Robeson county will be made glad by the announcement that a camp is to be held at the Philadelphus farm life school, the week of May 20th to 25th, under the auspices of the county home demonstration work. Miss Lulu Cassidey, the county agent, announces that the camp will be open to all the members of the canning clubs of the county and also to all girls belonging to the pig and poultry clubs and to the members of the domestic science classes under her direction. She is counting on a full attendance and some good work. Programs and general plans for the week are being worked out and will be published later. Several of the leading teachers of the county have volunteered to assist Miss Cassidey in chaperoning the girls and directing the work. Prof. and Mrs. O. O. Dukes in charge of the farm life school, and Dr. A. H. Kerr, the farm demonstrator, will participate in handling the situation, and some State specialists are expected to help with the program.

The girls will be expected to carry their own provisions and bedding and the camp will be conducted as much as possible along the lines of the camp fire girls. The girls will do their own cooking over open fires and everything will be served in true camp style. Some of the girls expect to carry tents and cots, but the most of them will be accommodated in the school building.

It is planned to give a brief course of instruction in canning and drying of vegetables, in poultry and pig club work, and in millinery and basketry. The mornings will be used for training in these lines and the afternoons will be devoted to recreational features.

The purposes of the camp are: first, to give the girls some preparation for their summer work in canning and drying; second, to organize them for the autumn marketing; third, to promote strong patriotic and club spirit; and fourth, to give the girls an opportunity of some wholesome recreation and of making new friends among their county fellow workers. If the conditions are propitious an organization of the camp fire girls or the girl scouts will be effected.

Read About Jake's Work in France.

Mr. C. Guy Townsend has received a letter from Mr. Furman Williams, son of Mr. and Mrs. Q. T. Williams of Lumberton, who is at the front in France, dated March 31. In the letter he says, "Tell Jake Bell to keep up the good work for the Red Cross, for they are certainly doing a great work over here."

The Robesonian carried a news item some time ago about the active part Jake Bell colored, who works at Mr. L. H. Caldwell's store, was taking in the Red Cross work and Mr. Williams learned from The Robesonian of "Uncle" Jake's interest.
