**The Lumberton Tobacco  
 Market Opens July 9th.**

**Our Opening Sale Will Be On Tuesday, July 9th.**

In announcing our opening we want to thank our former friends for their patronage and assistance in  
 building our market.

We have made some additions to our warehouse and will be in position to handle the large crop of the  
 Golden Weed that will be offered. We are pardonably proud of record in building this market, in main-  
 taining the highest prices throughout. Again we refer with pride to the valuable cooperation given us by  
 the farmers throughout this section and in turn we wish to assure them that we are in position to get them  
 the highest prices for their tobacco. Our sales manager, E. O. "Billy" Bransford will give individual attention  
 to each and every pile. The farmers' interests are our interests and we are not therefore running a warehouse  
 for rank speculation, but to see that each planter gets the most possible for his tobacco.

If you have never tried our house it will pay you to attend our sales which will convincelyou to sell your  
 crop with us.
