A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If work is tiring, if your nerves are excitable, if you feel languid, weary or depressed, Scott's Emulsion will prove a wonderful strengthener.

It possesses the very elements to invigorate the blood, nourish the nerves and build strength.

Hardly a Drugstore in the Land That Does Not Sell This Remedy

On the Market Half a Century.

When you are in perfect health, and are enjoying a strong and vigorous vitality, it is then that your blood is free from all impurities. You should be very careful and give heed to the slightest indication of impure blood. A sluggish circulation is often indicated by an impaired

appetite, a feeling of lassitude and a general weakening of the system. It is then that you should promptly take a few bottles of S. S. S., the great blood purifier and strengthener. It will cleanse the blood thoroughly and build up and strengthen the whole system. S. S. S. is sold by all druggists. Valuable information about the blood supply can be had free by writing to the Swift Specific Co., 24 Swift Laboratory, Atlanta, Ga.

- Assassination of Mirbach May Be Beneficial to Allies. The assassination at Moscow of Count von Mirbach, German Ambassador to Russia, is generally considered at Washington to be likely to be beneficial to the Allies, as tending to hasten the crisis in the relations between Germany and Russia. Should Germany resume the war upon Russia as a punitive measure, it is believed that it would instantly determine the vast majority of the Russian people to call for allied assistance and bring Russians into the field against Germany. It is said that 2 or 3 divisions would be required to take Petrograd and great difficulties would be encountered because of the famine conditions there. It would take 20 divisions to occupy Moscow, it is declared, because of its great distance in the interior and the long line of communication, thus weakening the Teutons on the west front. Son of Laurinburg Man Decorated for Conspicuous Courage. Charity and Children. Lieut. Donald Phillips, a young officer of Rockingham, N. C. has been decorated with the French war Cross Croix de Guerre for conspicuous courage in action. In the recent heavy fighting Lieut. Phillips led his men over the top in a French sector in a night attack and captured several German prisoners. This is the first time this honor has come to a North Carolinian. The young Lieutenant is the son of Mr. R. D. Phillips of Laurinburg.

BEST IN THE LONG RUN
Who Wore the First U.S. Uniform?
THE "First-to-Fight" Boys. The U.S. Marines.
Before the Continental Congress authorized and uniformed either Army or Navy, it mustered into regular service on November 10, 1775, two battalions of American Marines.
Goodrich, too, "does it first." But whether Goodrich was making the first American pneumatic tire, the first American clincher tire, or the first American cord tire, Goodrich was always building—
GOODRICH SERVICE VALUE TIRES
SERVICE VALUE in a tire is its value to you on your car and on the road in speed, easy riding, gasoline economy, freedom from tire trouble, and mileage.
And all Goodrich experience, research, skill, and integrity in tire making, and all Goodrich inspection labor year in and year out to put SERVICE VALUE in Goodrich Tires, and keep it there, SILVERTOWN CORDS and BLACK SAFETY TREADS.
And Goodrich Test Car Fleets maul it through millions of miles of road testing to prove it is there.
When you see Goodrich on tires, you know they have SERVICE VALUE.
Buy them and trust them. They will not fail you.

Look For The Label! 'KEEP-KOOL'
The label Keep-Kool is to Summer Clothes for men and young men what the Mint mark is to a gold dollar. It's a guarantee of value. Also of style and comfort.
The label Keep-Kool on a Suit means that the cloth was "Made in U. S. A." and one of the most vital things you can do is to lend your individual support to American industries. The label Keep-Kool represents the truest form of national co-operation—and national co-operation is essential to broad national prosperity. Be guided by these words.
Americans who control their selection of Summer Clothing by the Keep-Kool label are sure of supporting American looms.
