**DOWN BOARDMAN WAY.**

Small Boy Seriously Injured in a Runaway—Large Farm Changes Hands—Personal.

**Correspondence of The Robesonian.**

Boardman, R. F. D., Sept. 23.—Cotton picking is the order of the day in this vicinity.

Mrs. J. N. Kelly returned home from Wilmington Friday after spending several days with her 11-year-old son, William, who is in the Walker hospital there on account of injuries received a week ago in a runaway. It is supposed he jumped from the wagon, though no one saw the accident. He was unconscious for 3 or 4 days. The doctor says his skull was fractured just above the right ear. However, he seems to be doing very well indeed.

Mrs. Ellen Lennon and son, Mr. Henry, spent the week-end near Hickory Grove church at the home of Mrs. Betty Lewis.

Mr. and Mrs. Dan Perry spent Saturday night and Sunday near St. Pauls visiting relatives.

The infant son of Mr. Arthur Shaw is quite sick of stomach trouble. Mr. C. C. Britt has been suffering with erysipelas caused from a bruise on his leg but is slightly improved today.

We have recently been informed that Dr. S. S. Hutchinson and Mr. D. C. Bridger, Jr., of Bladenboro, have purchased the large farm belonging to Mr. A. McKenzie, known as the Frank Lennon farm near Lennon's church.

Mr. D. F. Hester made a business trip to Lumberton the past week.

Mrs. John Evans, who for many months has been confined to her bed, does not improve in health, we are sorry to report.

We regret to learn we shall soon lose our friend and neighbors Mr. and Mrs. F. G. Kelly who expect to move to Mount Tabor soon where Mr. Kelly has accepted a position. We hope they may like their new home.

Mrs. James Kelly of Fairmont spent a few days with her son Mr. Lively Kelly recently.

Personal and Other Items—Uncle Sam

Takes Good Care of His Boys—Give

For Those Who Do and Die.

Correspondence of The Robesonian.

Buie, R. 1, Sept. 21.—Picking cotton seems to be the order of the day around here these days. The farmers are trying to house their crops before so much severe cold weather. The weather was very cool this morning, a little fire feels comfortable.

Mrs. Gaston Bullock is spending some time with her father, Mr. Ben Tyner. Mr. Luther B. Tyner who has been visiting his father, Mr. Ben Tyner, returned to his home at Chadburn Wednesday. He had the mis-

fortune of falling from a box car and bruised his left leg, which is somewhat improved.

Margaret, infant daughter of Mr. and Mrs. Lacy Tyner, has been on the sick list for a few days but is improving.

Mrs. M. L. Tyner had a letter from her husband, Mr. M. L. Tyner, who is in training at Camp Sevier, Greenville, S. C. the other day. He says he is well and getting along fine. He says Uncle Sam is taking good care of his boys, and we believe he is doing his bit. Fathers, mothers, sweethearts and wives, don't grieve after the men that are gone in service; give them up with a smile, they are gone for a great cause, they are gone to make America a decent place in which to live. May God help our boys over there.

"Give till your heart says stop,"

The poster reads;

"Give till it hurts,"

A voice takes up the cry,

"Count no sacrifice too great, at home

For those who do and die."

Brave words, these words of our Nation's own,

Who travel o'er the haunted seas.

To share the burden of the white

man's load

Too great for brothers over there to

bear.

But Thou, O Spirit of our God descend

Upon thy people, born in Liberty,

Teach us to say "We give unto the

end—

Until the world be free."

Mrs. Nellie Ivey and two daughters,

Anna and Eunice, of R. 1 from Barnes-

ville, were among the shoppers in

town Tuesday.

**By Twelve Bottles of PERUNA**

**Greatest Human Vitalizer**

"During the winters of 1897 and 1898, I was so badly afflicted with catarrh of the head and thought I must surely die from it. After trying many doctors and all other recommended remedies made known to me, I was induced to use Peruna. I was cured entirely by using twelve bottles of Peruna and one bottle of Manalin. Since that time, I have never been without Peruna. I use it for colds and as a general tonic during Spring and Fall months and find it the greatest human vitalizer."

**I Was Entirely Cured**

Mr. Wm. A. Hartmann, 217 1/2 S. Second St., Muskogee, Oklahoma, thus describes his case. Read his letter.
