**Auction Sale of E. L. Odum's Fine Plantation**

On Wilmington-Charlotte Highway, 3 Miles from Pembroke, Which Has Been Cut into Small Tracts and Will  
 Be Sold at Auction for the High Dollar

**TUESDAY OCTOBER 8,**  
**At 10:30 O'clock A. M.**

There is every reason why this especial proposition should appeal to the man of judgment. Good, productive land, cut into small acreages, sold on very attractive terms at prices that will insure a profit if bought speculatively, or lower than it can ever be expected to sell at again if wanted for farming purposes. Here is an opportunity for the man of limited means to start owning his own premises. Small tracts on very easy terms, requiring a small outlay to secure possession, the products grown on the land taking care of future payments, certainly offer an unusual and attractive proposition. Will you be wise and seize the opportunity, or will you let it slip by for future regrets?

**Take our advice, Be wise, Attend this Sale-Buy Land**

We most earnestly invite you to be with us anyway, whether you wish to buy or not. We will have GOOD MUSIC by our own Brass Band, give away Thrift Stamps, and Serve a Big Free Dinner.
