PARKTON PARAGRAPHS.

Graded School Principal Resigns—Alarm Over Influenza—Wild Reports From Camp Bragg—\$73 for Load of Potatoes—Personal and Other Matters.

Correspondence of The Robesonian.

Parkton, Oct. 1.—Rev. and Mrs. J. L. Jenkins returned home Monday from Scotland county where the former conducted a week's revival meeting. Rev. J. M. Dunningway who has been enjoying his annual vacation for the past three weeks in our town and surrounding country, preached a most excellent sermon at the Baptist church here Sunday night. He also spoke for a few minutes in behalf of the 4th Liberty loan which was intensely patriotic. He is a spell-binder anywhere you place him, one of the South's best orators. He will leave today for home in West Virginia.

No doubt the news that Prof. J. S. Edwards, principal of the Parkton graded school, has resigned will be a great surprise to the public. Our school seems to be unlucky this season in regard to teachers. His resignation has been accepted and after this week he will take his position as superintendent of public education of Albemarle county.

Mrs. A. M. Stubbs returned home Sunday afternoon from Virginia, accompanied by her son Boyd, who has been sick with fever and who has recovered sufficiently to come home, but we are sorry to report his mother, Mrs. A. M. Stubbs, quite sick at the present.

Our town and community is becoming much alarmed over the new disease which is spreading over the county, and we hear of some cases near us already. It was reported here today that a number of persons have died up at Camp Bragg almost suddenly. We know not whether the report is true or not.

Mr. J. G. Wright returned home more than a week ago. He spent a few months at the State hospital and we are glad to say that he is entirely restored to his usual good health.

Mr. A. H. Perry, the king potato man, sold a two-mule load of sweet potatoes in Fayetteville Monday, the load netting him over \$73. If any trucker can report more than this, please call out. If forty bushels of potatoes will net the above amount, what would a one-horse load of eggs bring at 5 cents the egg?

Wonder what Camp Bragg will do with Fayetteville, anyway? It has already paralyzed the labor question of our section—and buy a gallon gasoline if you can. But Fayetteville wanted it.

Mr. J. B. McCormick reports the best fox chase Saturday morning of the season, although he had captured several already. He came in at 1 p. m. Saturday with a fine one, and this morning is giving another one trouble. He says he has now the fastest and best pack he ever hunted.

The following from our town attended the fourth quarterly meeting at Sandy Grove Saturday: Rev. W. L. Maness, P. C.; Dr. J. T. Gibbs of Fayetteville, W. L. Stanton, E. V. Johnson and the writer; and after a great sermon by the presiding elder, dinner was served on the grounds and afterward the business session of the quarterly was held, and the reports were gratifying. This is the fourth and last year for our beloved presiding elder and a touching and appreciative paper was read by the secretary, Mr. E. V. Johnson in behalf of our retiring elder. We all hate to part with him.

The closing of the cotton gins for this week makes times a little dull, but the fleecy staple is being picked from the fields at a rapid rate. Mr. J. G. Hughes has a 15-acre field near by which he has invited all the school to pick after school of evenings and purchase Thrift stamps. A good idea.

Find enclosed my check for \$2. for which please renew W. R. Griffin's paper, on R. 2. He is uneasy he will miss a single copy. Mr. Griffin says mis a single copy. Mr. Griffin says of all the dailies and other papers, he prizes The Robesonian more than any, says he just can't do without it.

Cotton Crop Estimated at 11,818,000 Bales.

This year's cotton crop was estimated at 11,818,000 equivalent 500-pound bales by the Department of Agriculture on the 3rd, basing its estimate on September 25, which was 54.4 per cent. of a normal, and which forecasts a yield of 154.1 pounds to the acre.

ROWLAND RED CROSS.

Many Old Clothes Gathered For Belgians—List of Ladies Who Have Served.

Correspondence of The Robesonian.

Rowland, Sept. 28.—The Red Cross workers have been busy this week gathering old clothes of every description for the suffering Belgians. The appeal has met with a most generous response and there are quantities of useful articles ready to be shipped.

The sewing committee announces that the next allotment of work for chapter is to be 1,000 pairs of socks to be mended. These have to be finished in a month, consequently it will be necessary for the workers to respond most promptly in order to have these socks ready for shipment at stated time. A great many may first have to learn to darn and to knit before they can help. The committee expects to announce later a special day for all to come and get instructions in mending socks. The following is a list with time attached of the ladies who sewed during September:

WOMAN'S LIBERTY LOAN COMMITTEE

To the Editor of The Robesonian:

Will you please publish these verses in your paper.
(Miss) ELIZABETH WHITFIELD,
Chair, Pub. W. L. L. Committee.

There is a man in our town and he is wondrous wise,
Whenever Liberty bonds are sold he buys and buys and buys,
And when he finds his money's gone with all his might and main
He saves until he's got enough to buy a bond again.

Old Uncle Sam was a peaceable man
But he fought when he had to, see?
He called for ships, and he called for guns,
And he called for his fighters three,
Soldiers, Sailors, Buyers of Bonds,
Which one are you? Says he.

Oh, Uncle Sam, come blow your horn,
We must save up our wheat, we must use up our corn.
Where are our khaki lads today?
They're over the ocean and far away!
And will you help them?
Aye, that will I!
A Liberty bond I will gladly buy.

There was a Yankee farmer, and he raised a Yankee pig,
He fed it Yankee corn and he made it fat and big;
And he sold that Yankee pork, and he bought a Yankee bond.
And it paid for Yankee bullets that went straight across the pond.

Where is the coward who prates of peace?
The Hun threatens Paris, the Turk threatens Greece.
Who'll buy a Liberty bond today?
The people come marching in proud array,
"I will take one, and I, and I,
I'll save the money and buy and buy."

Mrs. Smith Recommends Chamberlain's Tablets.

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewington, N. Y. "When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well.

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today.

2 British Airmen Capture 65 Germans.

Two British aviators, flying low in one machine, brought about the surrender of 65 Germans, and without leaving their plane, shepherded the party across No Man's Land to the British lines, according to a tale from the battlefield made public Tuesday.

The pilot and his observer had been attacked from a trench and sunken road. The pilot dived and replied to the enemy fire with his machine gun, killing one and wounding three. The Germans in a panic ceased firing and hoisted a white handkerchief.

As there were no British infantry in that neighborhood, the pilot descended to within fifty feet of the

ground and ordered the Germans out of the trenches, circling around them to insure that none escaped. All were safely brought in and handed over to the nearest British troops. The aviators then resumed their patrol.
