One of Pershing's Veterans Now.
Mrs. Sabra Powell of East Lumberton has received the following letter from her son:

August 21, 1918.
Dear Mother and Sister:
After quite a number of days I have the opportunity of again writing to you.

It has been quite a while since I heard from you but keep looking for one in every mail. Guess I will get one some day.

Mama, I really believe Sherman was right, for war is hell.

I am in very good health at present, but have had a bit of trouble with my teeth, or at least one tooth. Guess I will have it pulled tomorrow. Also my breast has been giving me trouble but seems to be better today.

At present we are enjoying a "behind the lines" and we were very much in need of one as we have had quite a bit of experience at the front. Oh yes, we are some of General Pershing's veterans of the A. E. F. now.

When did you hear from my wife? I haven't heard from her for more than a month. So you see I am looking for mail from several of you all at home. You had better hurry up and write or I may get offended.

"Poor kid," too bad. But now, really, mama, couldn't you find time to drop me a line once a week? I really would appreciate it, as news from home is always food for thought.

We have plenty of time to read all the letters we receive, though we also have plenty of work to do, but now that we are back for a rest it feels mighty good to get mail. Also we have time to write.

Has Ned ever visited you yet? If not, when is she going to do so? Oh boy, I would like to have some of the apples, peaches and other fruits and watermelons. I haven't seen much fruit over here, and also the prices are so doggone high—eggs 5 francs a dozen (\$1.00), jam or jelly 80c to 90c a can. Well, I don't eat much of that, as the last time I was paid was upon my arrival at Camp Greene after my visit home.

So you see I have 4 months pay now due. Well, I hope I don't get much of it until I get back to the good old U. S. A.

Well, I guess I will have to close for today. Hope to write more in a day or two.

Your loving son,
SGT. EMORY PREVATT,
A. "D." Bg. Inf., A. E. F.

HERE AND THERE.

Notes Taken on the Road—Visits to Correspondence of The Robesonian.
Fair Bluff and Spring Branch.

My trip to Fair Bluff was a pleasant one. I found Rev. Mr. Stanfield engaged in a meeting at the Methodist church. The Methodist folks have a beautiful brick building in which to worship and it speaks well for their church pride and shows they feel that the temple of the Lord should be equal to, if not better than, the residences of the people who worship at His shrine.

Fair Bluff has many improvements since I left there 19 years ago. Today there are 21 stores. A good number of them are built of brick and would be creditable in a city much larger than the one in which they display their architectural beauty. Many of the old land-marks are there looking natural and they served to bring back to memory the days of the past.

Dr. A. G. Floyd, Messrs. I. M. and Quit Powell, B. A. and Frank Anderson, Pat and Joseph Waddell to gether with others whose names we omit because of space. These are there, showing age some but not very greatly, while others have grown up, the young ladies to attractive ladyhood with their sweet smiles and good looks, the boys, nice looking chaps, ready to stand for the principles of Democracy at the behest of our nation. This reminds me that quite a bit of time has been extracted from my allotted years in this life.

Brady Williamson, of the Wana-maker section of S. C., came to Fair Bluff and laid claim to the possession of me, at least for a time, and I went over and spent one day and two nights in the community. I had the privilege of hearing a most excellent sermon preached by Rev. Mr. Tolar at Spring Branch church. Tolar is a son of Thos. Tolar of Rennett, who was called into the beyond several years ago. I have never seen any greater improvement made in any section than has been made in this around Spring Branch church. I am told that it extends on and on, as you further go. I was at one time pastor of the Spring Branch church and can say the same of the people there as of Fair Bluff.

I left Fair Bluff on morning train for Chadbourne and remained there until 6 p. m. Here were the strangers, but I am used to this kind of company in all my rambles.

I will close this hastily written letter as I wish to go to Elrod on next train. The news from the front is encouraging today—and it makes us feel proud over the success of Allied

A Lonesome Time Sunday.

Correspondence of The Robesonian.

Fairmont, Oct. 7.—It was such a lonesome time around Reedy Branch yesterday as there was not any meeting at the church on account of that dreadful influenza. I hope that the good brothers and sisters that put their faith in God will not let the sick suffer for the like of our attention as God tells us to visit the sick. He doesn't say what kind to visit. If we don't go in we can take some nourishment close by where they can get it.

I think they have decided at Reedy Branch not to have the singing convention the 4th Sunday in this month as our health doctor thinks it best not to have public gatherings, and we want to be loyal to our country and to our God.

Mr. Joe Brooks and wife spent a few pleasant hours with us yesterday, also Mrs. Luther Jacobs, who arrived in this country 2 weeks ago, also Miss Betty Jacobs and Miss Mabel Hunt.

Nothing seemed right to stay at home with no Sunday school, no preaching at the church.

The Joy Of Coming Motherhood

A Wonderful Remedy That is a Natural Aid and Relieves the Tension.

The expectant mother revolves in her mind all we understand by destiny. And it is of the utmost importance that her physical comfort be our first thought.

There is a most splendid remedy for this purpose, known as Mother's Friend. It is applied over the muscles of the stomach, gently rubbed in, and at once penetrates to relieve strain on nerves, cords and ligaments. It makes the muscles so pliant that they expand easily when baby arrives and pain and danger at the crisis is naturally less.

Mother's Friend is for external use only, is absolutely safe and wonderfully effective. It enables the expectant mother to preserve her health and strength and she remains a pretty mother by having avoided the suffering and danger which would otherwise accompany such an occasion. Every nerve, muscle and tendon is thoroughly lubricated.

Mother's Friend is prepared by the Bradford Regulator Co., Lamar, Bldg., Atlanta, Ga. They will mail you an intensely interesting "Motherhood Book." Write them to send it to you, and in the meantime send or phone to your druggist today for a bottle of Mother's Friend.

Every woman should aid nature in her glorious work. Mother's Friend makes it possible for you to do so, and should be used regularly, without fail, night and morning.

"Mother's Tender Flowers"

Watch the tongue of your young!
Children droop and wither if you permit constipation poison to be absorbed into their delicate systems.
Hurry! Give Cascarets to clean the little clogged-up liver and bowels. Children love harmless Cascarets because Cascarets taste like candy—only 10 cents a box! Grand!

When a child's tongue turns white, breath feverish, stomach sour, mothers can always depend upon safe old "Cascarets" to gently, yet thoroughly clean the little liver and bowels. Cascarets are just dandy for children. They taste like candy and no child need be coaxed to take them even when cross, bilious and sick. Each 10 cent box contains directions and dose for children aged one year old and upwards.

ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all run down and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. R. CRUMLING, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. ELISE HELM, R.No. 6, Box 83, Lowell, Mich.
